Edward And The Horse:

Edward and the Horse Ann Rand, 2023-01-10 First published in 1961 this winning tale follows a small boy named Edward who lives in a soaring New York City apartment building and yearns for a pet to keep him company Edward lives on the twenty first floor of a large apartment building in New York City In the lobby a sign reads No dogs or cats allowed This isn't much fun for someone like Edward who would have loved a dog or cat to keep him company But the sign doesn't say anything about horses Edward sets out in search of a horse who likes the city and who won't cost a lot of money to keep Along the way he meets a friendly fireman who offers him a helping hand Edward discovers Smitty whom he unhitches from a vegetable cart and takes home immediately Before Edward and Smitty can get anywhere near the freight elevator they are stopped by Smitty's owner and his reaction surprises all of them This charming journey benefits from bold mid century illustrations and will appeal to both design loving parents and pet crazy children at story time The London Gazette, 1914
