Committed to the Unthinkable E. Todd Stubblefield, 2018-08-07 Committed to the Unthinkable is a small collection of thoughts whose destination is to consider that the words I do is not simply that which we utter at the altar ceremonially but that which anchor us through life's myriad of experiences that often shake us at the core of our marriages Many marriages today and those to come are in trouble long before they get started because those who commit to the marriage vows will speak them hear them but never understand their power because they quit at the first sign of trouble or discomfort

James Langston, 2018-10-17 This book reminds the believer the non believer the saint and the sinner that anytime we give up on God we give up on His promises of peace It is in the midst of life s trials and tribulations that we are awakened to the unmistakable truth that God forges the best parts of our lives in the furnace of difficulties and hardships Sadly this generation knows little if anything about what happened at Azusa street the First Second or Third Great Awakenings the 1904 1905 Welsh Revival the Can Ridge Revival nor do they recognize the names of Jonathan Edwards Dwight L Moody Charles H Spurgeon or Billy Sunday We know nothing about prayer or the affects that prayer has had on this nation for the past 232 years Writer and philosopher George Santayana sums it best when he said Those who cannot remember the past are condemned to repeat it Those who do not remember their past are condemned to repeat their mistakes Those who do not read history are doomed to repeat it      *The Face in the Mirror* Sebastian Hale, 2025-04-11 The Face in the Mirror In the stillness of his modern apartment a fractured psyche lurks behind every reflective surface waiting to confront Daniel in a chilling game of cat and mouse After a devastating accident leaves him physically scarred and emotionally adrift Daniel seeks solace in the familiar confines of his home But as he gazes into the many mirrors that adorn his walls he is met not with his own reflection but with a sinister doppelg nger a version of himself that moves independently a shadowy manifestation of his darkest urges and unacknowledged fears The intimacy of Daniel s thoughts pulls you into a world where the line between reality and delusion blurs with every passing day As he navigates the treacherous waters of recovery the mirrors become both a sanctuary and a prison Each glance reveals more than just a face it unveils the visceral struggle between his fractured identity and the monstrous self that lurks beneath The unsettling presence in the glass taunts him with whispered secrets

and violent temptations pushing him to confront the parts of himself he has long buried Daniel's journey is one of harrowing self discovery as he grapples with the implications of a self he no longer recognizes Why does his reflection smirk when he feels sorrow Why do its eyes gleam with a hunger that stirs something primal within him As the days unfold the boundaries of sanity begin to erode and Daniel finds himself drawn into a sinister game where the stakes are not merely his life but his very soul Set against the backdrop of an apartment alive with reflections The Face in the Mirror weaves themes of identity and the fear of self into a gripping psychological horror that will linger long after the final page is turned The mirrors each a portal to Daniel's inner turmoil become a haunting reminder that the monsters we face are often the ones we create With a tight first person perspective that immerses readers in Daniel's intimate fears and desires this chilling tale invites you to ponder What happens when the face looking back at you is not the one you know As the truth of who he is and who he could become unfolds you'll find yourself questioning your own reflection in this masterfully unsettling exploration of the human psyche
