Sammons,2000 A Far Off Country offers a comprehensive introduction to C S Lewis major works of fantasy fiction The Chronicles of Narnia The Space Trilogy and Till We Have Faces Drawing on Lewis manuscripts as well as unpublished letters Sammons provides a detailed background for the novels including biographical information on Lewis as it pertains to each work She thoroughly investigates the characters symbols and themes of the novels highlighting the Christian doctrines that are embedded in them in addition to the many Biblical parallels Sammons also includes numerous references from Lewis other books ultimately relating the ideas presented in his written works to his Christian beliefs Exhaustive in its analysis yet accessible to a wide audience this book will excite those in search of an insightful guide to Lewis works **Children's Book Review** ,1973 Issues for Apr 1971 include separately paged section Children s book review occasional list no 1 The Guide to Religious and Inspirational Markets ,1995 Horizon ,1959 *Encyclopedia of Christian Education* George Thomas Kurian,Mark A. Lamport,2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning

educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church s founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education

Book Review Digest ,2008 *An Apology for Apologetics* Paul J. Griffiths,2007-12-01 An Apology for Apologetics argues that a vigorous apologetics is a vital component of any sound effort at interreligious dialogue Griffiths shows that a spirited defense of each religious tradition must be made by people who are both committed to their truth and open to serious criticisms by members of other faith traditions He demonstrates why and how such a recognition of the necessity of interreligious apologetics the NOIA principle runs counter to the underlying presuppositions of many proponents of interreligious dialogue Griffiths raises the specter of an unacceptable price that will be paid if the apologetic enterprise is abandoned Religious traditions he shows convincingly will face relegation to the realm of purely private opinion and religious people will be denied the minimum plausibility they need to engage in public discourse He argues ultimately that if basic doctrines cannot be defended against alien claims religious tradition cannot survive This book will without a doubt stimulate the debate it seeks to introduce it unapologetically issues a challenge to teacup ecumenists and lazy pluralists An Apology for Apologetics is for all who are seriously concerned with their own religious communities It shows how to think about and communicate with those whose practices and convictions seem to differ significantly from one s own **The Encyclopedia of Fantasy** John Clute,John Grant,1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art **The Churchman** ,1900 Weltanschauung and Apologia Elias Hofer,2022-10-11 This book allows us to accompany C S Lewis on his intellectual and spiritual journey from atheism to pantheism and eventually to Christianity It analyzes key elements of Lewis s Christian worldview and identifies challenges leveled against it from alternative worldviews It examines Lewis s apologetic methodology highlighting

how it was shaped by his worldview and provides an analysis of Lewis's specific responses to a number of objections. The project also serves as a comparative analysis of worldviews particularly as they relate to truth claims of the Christian faith. The notion of worldview is critical to the formulation of views. One's worldview determines how reality is perceived. It is characterized as a set of glasses through which we view our surroundings and interpret experiences. It accounts for the perspective we bring to every event in life and helps explain why different people see things differently when looking at the same data. The same evidence may lead one person to reject a particular conclusion while moving another to embrace what the other rejected. Lewis's major works are explored at length in this book. Although much has been written about Lewis Hofer's examination of the influence of worldview on his work is unique. *American Book Trade Directory, 1995-1996* Reed Reference Publishing, 1995 **Frank Schaeffer Will You Please Shut Up!** Jay Rogers, 2015-06-27 The title of this book is a misnomer. It is not an attempt to get anyone to shut up but rather to provoke a discussion. This book is intended to be a warning about the philosophy of Christian postmodernism. The reader will learn some basic principles that can be used to engage their arguments. Part 1 is a response to some of the recent writings by Frank Schaeffer the son of the late Francis Schaeffer. This was originally written as a defense against Frank's attacks on pro life street activism a movement that his father helped bring into being through his books. Part 2 is a response to Colonel Doner and his book *Christian Jihad: Neo Fundamentalists and the Polarization of America*. There are thousands who have had their lives impacted in a powerful way by the elder Francis Schaeffer. As a new generation is emerging it is important to recognize the mistakes that Christian activists have made in the past even while holding to a vision for the future.
