Facts And Fictions Regarding Noahs Flood:

Facts and Fictions Regarding Noah's Flood Charles A. Weisman,1996 *Fact from Fiction* Carson Keith Ewing,2014-07-29 Most of us believe because it is what most people believe Few question Few jump off the bandwagon to hitchhike down the road of the uncommon We evolved from monkeys or so Charles Darwin claims but what if that isn't the case What if we came from something else Too radical Not to the open minded We were created by God and made to live on earth as procreators but what if that wasn't what really happened What if our presence here on earth was a choice Our choice to be exact Nothing is impossible Possibilities exist It is up to us to believe or refute We may be missing out on a lot of things but we can do something about that Wouldn't you like to Facts, Fiction, and the Bible Gijsbert J.B. Sulman,2016-04-12 **Facts Fiction and the Bible** The Truth behind the Stories in the Old Testament serves as a readers guide to conducting a thorough investigation of the stories contained in the books of the Bibles Old Testament Its historical exploration helps to distinguish the storiesverifiable facts from their narrative fictions The author Gijsbert J G Sulman builds upon a long history of Bible study and research to bolster his sifting of those facts from the Bibles fictions The serious student of the Bible will find a wealth of resources at hand in the pages of **Facts Fiction and the Bible** Twenty two chapters treat the Old Testaments major themes events and figures Plentiful illustrations an extensive bibliography and copious endnotes provide exhaustive visual and textual documentation to support the books presentation By taking stock of a wealth of research and integrating it with a careful reading of the biblical text **Facts Fiction and the Bible** The Truth behind the Stories in the Old Testament presents to the reader a careful and reasoned assessment of the truth lying behind and beneath the Old Testaments stories With this in depth survey in hand the reader will come to know and to appreciate the Bibles stories and to discern what really happened *Fact and Fiction in Holy Writ* Joseph Hendrickson M'Carty,1891 Angels & Giants Faith Fact or Fiction Andrew Williams,2025-01-10 A compelling exploration of ancient mysteries that will challenge your beliefs An insightful and thought provoking journey through the worlds of angels and giants Andrew Williams skillfully blends faith history and speculation in this must read book **Angels and Giants** is a work of religious nonfiction that explores the existence of angels giants and related biblical and ancient phenomena by using a scholarly approach **Angels and Giants** stand out from more traditionally designed religious works **Angels and Giants** encourages readers to think critically about religious texts and consider alternative interpretations Its engaging blend of faith and speculation offers an intriguing balance between traditional religious teachings and speculative theories making it engaging to both believers and skeptics **Angels and Giants** comprehensive approach covers a wide array of topics from angels and giants to theological doctrines and ancient astronaut theories End Times: Fact or Fiction Robert E. Vick Sr.,2013-05-31 This book begins with telling the reader of how and why the scriptures are true I truly believe everyone should read this book because it tells the true story of the end of time as written in the Bible It is a story for both believers and nonbelievers it goes into great detail about Gods

hatred for sin such as those listed in the Ten Commandments lying stealing blasphemy etc and his punishment for it This is a story that will help you to understand Gods will for you to continue to be faithful to him and for the nonbelievers this book is written to help and persuade you to become a believer before it is too late This book explains how to prepare for the last days it explains to you all the things that God has in store for the entire world Also it explains what heaven and hell were created for it tells you where heaven and hell are located It explains each event that will take place and is set up in the order in which they will occur with the verses from the Bibles scriptures to back them up The verses are taken from the Bible as they really are I did not add or delete any words to make them more suitable The next event to take place is the Rapture This story goes into great detail about this event it explains who Satan and the Antichrist really are It also tells the readers why God must destroy the entire world and the universe with fire it speaks of the stars melting and falling from the skies It will help the readers to understand why there will be a new heaven and earth

Resurrection - Fact or Fiction Wilbur McCoy Otto,2015-07-30 Why Did I Write This Book If Jesus was resurrected with a new body after death this is easily the single most central fact and event in all history past present or future Quite simply it is a matter of life or death leading each person to decide whether our earthly life will have been but a vanishing mist with nothing thereafter or is a mere passageway like passing through a foreign country before returning to our native land in this case God s Kingdom and Eternity Should one choose to not believe that Jesus was resurrected read on because fact is fact truth is truth and non belief erases neither Whether seeker agnostic atheist skeptic young or old this book will present facts and evidence you may have never read or considered These facts and the evidence are not assembled by a theologian but rather by an experienced Trial Lawyer and are such that will convince any lay jury beyond any reasonable doubt that Jesus was the first resurrection to be followed by all of His followers In this ever increasingly evil world it is our young people our precious children and grandchildren that are at greatest risk and perhaps this includes you or one you love In addition to the above why did we write this book How could we not As water must flow over a waterfall so must God s and His children s love and desire for none to perish flow over all including our children and grandchildren our neighbors the lost and finally YOU and yours Remember there is only one person ever born who has proclaimed I am the Way the Truth and the Life Jesus at Jn 14 6 Please elect nay seize this Eternal L ife for yourself

The Rapture: Fact or Fiction? David Reagan,2019-04-08 This book answers the most frequently asked questions about the Rapture Where can the Rapture be found in the Bible What is the meaning of the Rapture When is the Rapture most likely to take place Who will be included in the Rapture Are there signs that will signal the Rapture Does the Rapture have relevance to our lives now The answers to these and other questions are provided in language that is down to earth and easy to understand The book also provides responses to all the major objections that have been made to the concept of the Rapture

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been

Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions *Genesis - Fact or Fiction* REV. ARTHUR ABRAHAM,2004

Genesis Fact or Fiction by REV ARTHUR ABRAHAM is a detailed account of the first book of the old testament The commentary overview is not based on the author s opinion The book is established from and totally supported by the bible The authors objective is to convey a clear understanding of the book of Genesis and highlights God s law on key issues that are still relevant in todays world GENESIS FACT OR FICTION also gives the reader a detailed look at God s grace love and mercy toward humanity as evidenced by his dealings with the main characters in Genesis **Biblical Eschatology:** Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New

Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book Genesis Revisited - the Creation Donald Arlo Jennings PhD,2013-01-10 Those individuals who believe God created only two people in the garden of Eden may be surprised by the authors viewpoints expressed in this book The author uses the Bible as the foundation to explain what could be possible that God did create more worlds more planets and more people in His likeness allowing them to migrate through space travel to different worlds Some of these other world individuals may be present among us today *The Rocks Don't Lie: A Geologist Investigates Noah's Flood* David R. Montgomery,2012-08-27 A MacArthur Fellow presents a surprising perspective on Noah s Flood and how the mystery of the Bible s greatest story shaped geology The Noah Myth in Twenty-first-century Cli-fi Novels Helen E. Mundler,2022 Breaks new ground by both analyzing the literary qualities of four recent rewritings of the Noah myth and contextualizing their concern with climate change within the wider crises of the Anthropocene With the rise of concern about global warming in recent years climate change fiction or cli fi has become increasingly important both as a publishing phenomenon and as an area of academic study and research Flood narratives have become a subsection of cli fi in their own right This book proposes new readings of four recent rewritings of the Noah myth Odds Against Tomorrow by Nathaniel Rich Margaret Atwood s Maddaddam trilogy When the Floods Came by Clare Morrall and The Flood by Maggie Gee Helen E Mundler s book takes into account the wealth of criticism that has appeared on these texts in recent years acknowledging important contributions from critics including Adam Trexler Adeline Johns Putra and Astrid Bracke However her book s strength is that it takes a new approach going beyond the topicality of the texts and treating them not just as ideological statements but giving them their due as literary artifacts While the importance of climate change is beyond debate this book takes a more balanced approach that places it within a wider context of the multiple crises of the Anthropocene y of the texts and treating them not just as ideological statements but giving them their due as literary artifacts While the importance of climate change is beyond debate this book takes a more balanced approach that places it within a wider context of the
