edges One uptown makeover later Roxy feels every inch the beautiful New York heiress and judging by the heat in Mike's eyes he agrees But when their professional relationship becomes a little too personal suddenly it's not just her future at stake it's her heart *Essex Institute Historical Collections* Essex Institute,1895 *Fair Lady, Masked Maggie* MacKeever,2022-07-01 An actress in her time plays many parts This may be Delia's last New York 1890 If no one what they seem Delia Ross has freed herself from society's expectations Luke Kelly has not The emancipated actress and the disapproving police detective set out for Saratoga in pursuit of a fugitive jewel thief Along the way they will encounter collusions and contrivances diabolical double dealings a talented table turner and a murderer and maybe a very irritated ghost *The Forget-me-not Songster, Containing a Choice Collection of Old Ballad Songs as Sung by Our Grandmothers*,1847 *A Collection of Scarce and Valuable Tracts* Walter Scott,1812 **A Collection of Scarce and Valuable Tracts on the Most Entertaining Subjects: Commonwealth**,1812 Lerner and Loewe's My Fair Lady Keith Garebian,2016-09-13 An Englishman's way of speaking absolutely classifies him The moment he talks he makes some other Englishman despise him Henry George Bernard Shaw famously refused to permit any play of his to be degraded into an operetta or set to any music except its own Allowing his beloved Pygmalion to be supplanted by a comic opera was therefore unthinkable yet Lerner and Loewe transformed it into *My Fair Lady* 1956 a musical that was to delight audiences and critics alike By famously reversing Shaw's original ending the show even dared to establish a cunningly romantic ending Keith Garebian delves into the libretto for a fresh take and explores biographies of the show's principal artists to discover how their roles intersected with real life Rex Harrison was an alpha male onstage and off Julie Andrews struggled with her chaste diva image and the direction of the sexually ambiguous Moss Hart contributed to the musical's sexual coding *The Fair Lady of Halifax, Or, Colmey's Six Hundred* Ronleigh de Conval,1920 *Faint Heart Never Won Fair Lady; a Modern Story* Dudley Costello,1859 *Moment of Action* Murray Pomerance,2016-05-09 There are hundreds of biographies of filmstars and dozens of scholarly works on acting in general But what about the ephemeral yet indelible moments when for a brief scene or even just a single shot an actor's performance triggers a visceral response in the viewer *Moment of Action* delves into the mysteries of screen performance revealing both the acting techniques and the technical apparatuses that coalesce in an instant of cinematic alchemy to create movie gold Considering a range of acting styles while examining films as varied as *Bringing Up Baby* *Psycho* *The Red Shoes* *Godzilla* and *The Bourne Identity* Murray Pomerance traces the common dynamics that work to structure the complex relationship between the act of cinematic performance and its eventual perception Mining the spaces where subjective and objective analyses merge Pomerance offers both a deeply personal account of film viewership and a detailed examination of the intuitive gestures orchestrated movements and backstage maneuvers that go into creating those phenomenal moments onscreen *Moment of Action* takes us on an innovative exploration of the nexus at which the actor's keen skills spark and kindle the audience's receptive energies Ottomiller's Index to Plays in Collections

Exchanges in the West End (1924-1970) Arianne Johnson Quinn, 2023-10-24 This monograph centres on the history of musical theatre in a space of cultural significance for British identity namely the Theatre Royal Drury Lane which housed many prominent American productions from 1924 1970 It argues that during this period Drury Lane was the site of cultural exchanges between Britain and the United States that were a direct result of global engagement in two world wars and the evolution of both countries as imperial powers The critical and public response to works of musical theatre during this period particularly the American musical demonstrates the shifting response by the public to global conflict the rise of an American Empire in the eyes of the British government and the ongoing cultural debates about the role of Americans in British public life By considering the status of Drury Lane as a key site of cultural and political exchanges between the United States and Britain this study allows us to gain a more complete portrait of the musical's cultural significance in Britain **Catalog of the Theatre and Drama Collections: Theatre Collection: books on the theatre. 9 v** New York Public Library.
