Sneed,2015 Is there evidence for a distinct wisdom tradition in ancient Israel Mark R Sneed redefines the wisdom literature as a loosely cohering collection of books that educated scribal apprentices in moral instruction Sneed discusses the data for scribal culture and pedagogy in the ancient Near East suggesting that wisdom literature was meant to complement not to compete with other modes of literature in the Hebrew Bible The result is a surprising new picture of the authors and tradents of the wisdom literature **American Illustrated Magazine** ,1927 Dateline Smileyville Markus Pell,2012-08 Markus Pell was leading his life minding his own business running Smileyville Cab and Courier while working toward his dream business the Bright White Light Entertainment Engine He considers himself reasonably normal and thought his life too was reasonably normal which it was reasonably Until that is the ghostly members of his Imaginary Master Mind came to life There is nothing normal about living with ghosts named Lincoln or Truman Dickens or Twain Markus could tell you He knows And now those ghosts have come to constitute his kitchen cabinet This is because deciding that Markus had more spare time than is healthy the Smileyville Township Secret Society of Conservative Democrats came out of hiding became the Conservative Democratic Party and nominated Markus as its 2012 candidate for President of the United States They nominated him for 2016 too just for good measure And America will never be the same *The Book News Monthly* ,1918 **Digest** ,1910
