Frank L. Dickerson,2009-04-02 What happens when you come home early and find your husband cooking your favorite meal and has your lingerie out waiting but the door bell rings and you find out all of that wasn't for you? What happens when your reckless best friend lets his reckless lifestyle take the life of your wife? How do you forgive him? With all the things that happen in our personal world where is God? He is there but in ways the naked eye can't see. He was the one who let your boss give you early release and caused all three redlights to turn green just in the nick of time so that you can come home and see the truth in your marriage. *Storms Of Life*

Storms of Life Oyetutu Osibajo,2017-02-15 This book demonstrates the awareness of storms and how real storms are based on individual experiences and Biblical application. Storms of life cannot be prevented except through God's grace and intervention. This book makes us realize that there are different types of storms: unexpected storm, instant storm, or financial storm to mention a few. Whatever type of storm it may be, it gives no notice before it manifests. Storm is no respecter of any one; it does not care about whom you are or your personality. It does not recognize whether you are prayerful or not, but it will strike. The storm brought us sadness and hurt and some famine, but yet we still rise by His Grace. The book exposes us to the facts that there will be storms in life. Storms are unpredictable and we should not allow our faith to be moved during the storm because there are times we feel like we have lost the battle. However, just as surely as the Lord is in control of our blessings, He is in charge of our storms. When things look the bleakest, God will show up. There is always an entry and exit to every storm. The test always brings testimony if we put Jesus in the middle of the storm. It is safer in the storm with Jesus. The book indicates various ways we can deal with storms of life without allowing it to affect our health. During the storm, we need to focus on God and take advice from the right people. We should have faith and act to stop the storm. Self-pity cannot help, but a courageous mind that will not accept defeat. The storm is temporary and you will overcome it by God's Grace through praying and trusting in the Lord. [The Storms of Life](#) Shannon

Williams,2011-10-10 A collection of short stories. *The Storms of Life* Butterflies in Tornadoes and Roses in Hurricanes is an inspirational guide to dealing with life's storms. Take God's Hand and You Will Never Walk Alone Neal Ervin, 2020-02-26 Death visited our family early in my youth taking my father without warning exacting its toll of loss and grief on me my mom and four siblings leaving us all emotionally scarred We loved Dad and grieved bitterly surviving with feelings of desolation and sorrow as our strong family circle was forever broken my sister ten years old was unable to comprehend why Dad left her God's Angel of Death would visit my family inflicting the pain of sorrow and loss repeatedly and in the years to come I would lose my mother sister and two younger brothers I would later become estranged from my own family through divorce and relocation would sever relationships uprooting me from my career the old familiar places and faces plunging me back into sadness and loneliness grim reminders of loss from the not distant past In the middle of the storms I lost my auditory senses and had to adapt to an entirely new world that introduced fear and rejection and at one point of my life I became fearful of dying suddenly I realized too much later that I never really was ever alone God was always with me and he was keeping me here carrying guiding strengthening me through every storm giving my life direction again restoring me full circle to his purpose for me writing to tell of his love It took a while for me to understand God's grace how he led me through the years of stormy darkness to a relationship with him through love and mercy that is unsurpassed and while I am still working on life a great part of its purpose is to share my hope and faith and attest to God's love and grace

but most of all to bear witness to the triumphant peaceful joy of walking talking with and listening to God along the valleys and mountaintops of life
