ought to influence preaching These examples offer some idea of this volume's scope and thoroughness Hell may be under fire but its own flames cannot be quenched by popular opinion This book helps us gain a biblical perspective on what hell is and why we cannot afford to ignore it And it offers us a better understanding of the One who longs for all people to escape judgment and obtain eternal life through Jesus Christ

Jesus Under Fire Zondervan, 2010-12-21 Who is Jesus What did he do What did he say Are the traditional answers to these questions still to be trusted Did the early church and tradition Christianize Jesus Was Christianity built on clever conceptions of the church or on the character and actions of an actual person These and similar questions have come under scrutiny by a forum of biblical scholars called the Jesus Seminar Their conclusions have been widely publicized in magazines such as Time and Newsweek Jesus Under Fire challenges the methodology and findings of the Jesus Seminar which generally clash with the biblical records It examines the authenticity of the words actions miracles and resurrection of Jesus and presents compelling evidence for the traditional biblical teachings Combining accessibility with scholarly depth Jesus Under Fire helps readers judge for themselves whether the Jesus of the Bible is the Jesus of history and whether the gospels' claim is valid that he is the only way to God
