Library Manager's Guide to Hiring and Serving Disabled Persons Kieth C. Wright, Judith F. Davie, 1990

Information Services for People with Developmental Disabilities Marilyn M. Irwin, Linda L. Walling, 1995-04-30

Developmental disabilities are the most numerous of disabilities and they are exceptionally complex This professional reference overviews developmental disabilities discusses the information needs of people with developmental disabilities and provides practical guidance to librarians and information professionals who serve them Particular attention is given to the ramifications of the Americans with Disabilities Act for librarians The first part of the book defines and describes developmental disabilities from perspectives relevant to librarians and information professionals The second part examines key life issues that have a major impact on people with developmental disabilities This section emphasizes the current trend toward the inclusion of people with developmental disabilities in mainstream society References to related information sources are included throughout The third part looks at disabilities from the perspective of the library or other information agency An appendix lists organizations agencies businesses and libraries that provide additional materials

Improving Library Services to People with Disabilities Courtney Deines-Jones, 2007-02-28 The book takes account of the key fact that to maximize their potential people must have lifelong access to the information and services offered through books and libraries Whether to address concerns of an ageing population or to enable all citizens to contribute fully through meaningful education and work opportunities more emphasis is being given to promoting library services to people who have disabilities This book is a compendium of articles focused on serving adults with disabilities in an international setting From this book librarians policy makers and constituents will understand the importance of serving all potential patrons will be exposed to best practices and model programs and will learn techniques and strategies for improving the services their libraries offer Pragmatic approach gives librarians tools they can use immediately to improve their services Policy overviews help librarians understand advocacy issues Emphasis on universal access helps librarians and decision makers understand how improving services for people with disabilities improves services for all patrons
