Library Assistance To Readers:

Library Assistance to Readers Robert Lewis Collison,1960 **Readers' Advisory Service in the Public Library** Joyce G. Saricks,2005-04-11 In public libraries reference librarians are often called on to make recommendations to readers sometimes in genres that they don't personally read Learning how to frame a discussion and articulate the appeal of a book author or genre marks the essence of a successful readers advisor *Library Assistance to Readers* Robert Lewis Collison,1963 **A Primer of Assistance to Readers** Philip Hepworth,1956 *Library Assistance to Readers, Etc. [With Plates.]* Robert Lewis Collison,1956 The Library World ,1909 Readers' Advisory Service in North American Public Libraries, 1870-2005 Juris Dilevko,Candice F.C. Magowan,2007-02-13 Beginning in the early 1980s readers advisory services were a widely discussed topic in North American public libraries By 2005 almost every public library in the United States and Canada offered some form of readers advisory service The services offered have changed significantly in ways perhaps disadvantageous to adult North American library patrons This book provides a critical history of readers advisory philosophy and offers a new perspective on the evolution of the service The book analyzes the debate that shaped readers advisory and discusses how the service has assumed its present form The study follows readers advisory through its three prominent stages of development beginning with the period 1870 to 1916 when the service was still a subject of much crucial debate about its meaning and purpose During the second phase 1917 to 1962 readers advisory systematically committed itself to meaningful adult education through serious and purposeful reading The book argues however that during the most recent phase of readers advisory from 1963 until the present contemporary public libraries have turned their backs on the rich heritage of readers advisory services by valorizing the reading of entertainment oriented and commodified genre titles and bestsellers Historical analysis case studies and statistical charts augment the book's central argument Library World ,1925 *Library Work* ,1906 **A Book for All Readers** Ainsworth Rand Spofford,1900 **A book for all readers, designed as an aid to the collection, use and preservation of books** Ainsworth Rand Spofford,1900 Position Classification Standards United States. Reading Alcoholisms J. Lilienfeld, 2016-04-30 With *Reading Alcoholisms* Jane Lilienfeld has produced a ground breaking cross disciplinary study using the social psychological and scientific literature on alcoholism and family alcoholism to examine the novels of Hardy Joyce and Woolf Each of these authors was directly affected by the alcoholism of a family member or mentor and Lilienfeld shows how the effects of alcoholism organized their texts through the portrayal of a protagonist in *The Mayor of Casterbridge* through the denial of parental alcoholism and its silent presence in *A Portrait of the Artist as a Young Man* and through codependent reactive patterns of Mrs and Mr Ramsay in *To the Lighthouse* With the remarkable empathy Lilienfeld has for human dimensions of alcoholism she demonstrates that the narrative strategies in each of these novels at times mimic the behaviors and feeling states often arising from alcoholism Without an understanding of the multidimensional nature of alcoholism and the transmission of its effects across generations any analysis of the work of these three literary giants is incomplete Library Service, 1917
