Life Cycles:

Life Cycles Michael Douglas Neely, 2016-06-27 *Life Cycles Astrology and Its Connection to Nature* lays out Michael Douglas Neely's theories about the mysterious astrological principle of Exaltation and Debilitation. After tenaciously working to figure out why certain planets were considered exalted or debilitated at particular degrees of the zodiac, Michael discovered that these are better identified as upswing and downswing points within a life cycle that also has climax and anticlimax points. Each planet has its own unique life cycle that manifests its quality in nature. The planets cooperating together create the fractal-like nature we experience in a daily, annual, and human lifetime cycle. Michael Douglas Neely has been an astrology enthusiast since 2002. He has studied and tested various forms of astrology on a theoretical and practical level. Particularly, he has a keen interest in the astrology theories and techniques of Jyotish (East Indian Astrology). He resides in Seattle, Washington.

Life's Cycles Tenicka Michelle, 2008-06 *SELAH TESTIMONIALS* In reading these expressions, I found complete solitude and peace. Each line typifies exact moments in life that many people have in the past and are currently experiencing. It is time to be comforted with the art of words. Tenicka has a God-given, God-inspired gift to share with the world. Best and blessings, Pastor Beverly M. Jackson. *Life's Cycles* is a dramatic rendering of poetry drawn from the Holy Spirit. In this book, readers will find peace, strength, and wealth of encouragement that will help them press beyond the obstacles in their everyday lives. Pastor Fannie M. Lewis. Tenicka Missouri Davis is a student currently pursuing her master's degree in Clinical psychology, integrated with Christian counseling. Realizing that with God, all things are possible, her vision is to begin her own Christian publishing company which will encompass various writings, articles, books, dramas, and encouraging cards. *Life's Cycles* was written as Tenicka walked out her own spiritual growth and faith in God. Her desire is that God will bless her obedience in writing this book and that these spoken words of poetry will become a part of someone's spirit. If it touches just one person, it has completed its purpose. In doing all of this, God will be exalted, and followers will understand that if they fall along the way, life is not over. You can start again. Anything worth having is worth striving for. To God be the Glory for all that he has done and is doing.
