inaccessible the odds of drawing the right card on the turn or the river In this tale of fatherhood and worldly success Haxton follows his son Isaac s unlikely career as a poker player the nervous father often sitting on the sidelines with his fingers crossed or staring at a casino monitor while Isaac wins more in one hand of play than Haxton has earned from all his books of poetry combined In this deftly crafted story Haxton explores the propensity for abstraction logic and memory all good poets and poker players share all the while taking readers on a rollicking tour of complex intertwined topics ranging from game theory and financial strategies to medical mysteries and lost love to chess Magic cards and Texas Hold em Guided by the through line of a father s love and admiration for his talented son Fading Hearts delivers a unique perspective on

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
