Human Rights And Development Towards Mutual Reinforcement:

Human Rights and Development Philip Alston, Mary Robinson, 2005 These essays address crucial aspects of the human rights and development interface including the economics of social rights land rights and women s empowerment child labour and access to education reform of legal and judicial systems the human rights role of the private sector and building human rights into development planning The Right to Development in International Law Khurshid Iqbal, 2009-09-10 This book explores the right to development in international law The volume draws on a range of relevant sources to analyze the legal status of international cooperation in contemporary international law before going on to explore the domestic application of the right to development looking at the example of Pakistan **The Right to Development in Africa** Carol Chi Ngang, 2021-10-18 In *The Right to Development in Africa* Carol Chi Ngang provides a conceptual analysis of the human right to development with a decolonial critique of the requirement to have recourse to development cooperation as a mechanism for its realisation In his argumentation the setbacks to development in Africa are not necessarily caused by the absence of development assistance but principally as a result of the lack of an operational model to steer the processes for development towards the highest attainable standard of living for the peoples of Africa Basing on the decolonial and capability theories he posits for a shift in development thinking from dependence on development assistance to an alternative model suited to Africa which he defines as the right to development governance **The Oxford Handbook of International Law and Development** Ruth Buchanan, 2024-02-15 The Oxford Handbook of International Law and Development is a unique overview of the field of international law and development examining how normative beliefs and assumptions around development are instantiated in law and critically examining disciplinary frameworks competing agendas legal actors and institutions and alternative futures *Human Rights Indicators in Development* Siobhan McInerney-Lankford, Hans-Otto Sano, 2010-10-26 Human rights indicators are central to the application of human rights standards in context and relate essentially to measuring human rights realization both qualitatively and quantitatively They offer an empirical or evidence based dimension to the normative content of human rights legal obligations and a provide means of connecting those obligations with empirical data and evidence and in this way relate to human rights accountability and the enforcement of human rights obligations Human rights indicators are important both for assessment and diagnostic purposes the assessment function of human rights indicators relates to their use in monitoring accountability effectiveness and impact while the diagnostic purposes relates to measuring the current state of human rights implementation and enjoyment in a given context whether regional country specific or local This paper offers a preliminary review of the foregoing in the development context and a general perspective on the significance of human rights indicators for development processes and outcomes It is not intended to be prescriptive and does not provide specific operational recommendations on the use of human rights indicators in development projects Nor does it advocate a particular approach

or mode of integrating human rights in development or argue for a rights based approach to development This paper is designed to provide development practitioners with a preliminary view on the possible relevance design and use of human rights indicators in development policy and practice It also introduces a basic conceptual framework about the relationship between rights and development including in the World Bank context and surveys a range of methodological approaches on human rights measurement exploring in general terms different types of human rights indicators and their potential implications for development at three different levels of convergence or integration *International Financial Institutions and International Law* Daniel D. Bradlow, David B. Hunter, 2010-01-01 The fundamental recognition in this book is that the issue of what international legal principles are applicable to the operations of the IFIs is an important topic that would benefit from more rigorous study Twelve deeply committed contributors whose work spans the academic policy and activist spectrum suggest that a better understanding of these legal issues could help both the organizations and their Member States structure their transactions in ways that are more compatible with their developmental objectives and their international responsibilities The Human Right to Development in a Globalized World Daniel Aguirre, 2008 Offering a comprehensive analysis of the human right to development and its realistic application in an era of economic globalization Daniel Aguirre provides a multidisciplinary overview of economic globalization and examines its challenges to the realization of the right to development

The Right to Development Wei Zhang, 2019-05-07 In *The Right to Development* authors offer a new path for the implementation and protection of the right to development from the new perspective of the 2030 Agenda for Sustainable Development Instead of emphasizing the economic perspective this book focuses on how to realize the right to sustainable development by resolution of conflicts among the economy the environment and society Integrating the value analysis into the empirical analysis method this book expands the scope of the United Nations Declaration on the Right to Development and strengthens its practical function extracts Chinese experiences lessons from South Asia local knowledge in South Africa and practice in Peru on the implementation of the right to development and puts forward the idea of building human rights criteria in the South International Organizations and Global Development Nicholas Ferns, Angela Villani, 2024-05-20 The third issue of the Yearbook on the History of Global Development aims at collecting contributions about the role of international organizations in shaping the global system of development throughout the twentieth and twenty first centuries International organizations both intergovernmental and NGOs have played a crucial role shaping the global system of development by setting agendas mobilizing people and framing ideas and practices regarding development on local national regional and global scales *International Human Rights Law* Olivier De Schutter, 2019-09-12 Fully updated to cover topics such as climate change trade and business activities while retaining the original style and structure *Routledge Handbook on the UN and Development* Stephen Browne, Thomas G Weiss, 2020-07-08 International commissions academics practitioners and the media have long been critical of the UN's development efforts as disjointed and not fit for purpose yet

the organization has been an essential contributor to progress and peacebuilding This handbook explores the activities of the UN development system UNDS the largest operational pillar of the organization and arguably the arena in which its ideational endeavors have made the biggest contribution to thinking and standards Contributions focus on the role of the UNDS in sustainable social economic and environmental development describing how the UNDS interacts with the other major functions of the UN system and how it performs operationally in the context of the new 2030 development agenda focused on the 17 Sustainable Development Goals SDGs The volume is divided into three sections Realizing the SDGs opportunities and challenges Resources partnerships and management and Imagining the future of the UN in development Comprised of chapters by knowledgeable and authoritative UN experts this book provides cutting edge and up to date research on the strengths and weaknesses of the UNDS with each chapter focusing on different operational and ideational aspects Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
