every population on the surface of this planet Now for the first time join author John Chitty as he journeys through an extraordinary odyssey of entangled science and religion where extraterrestrial s and angels become one and the same Discover the remarkable connection between the centuries old UFO phenomenon and angelic beings After thirteen years of intensive research this book is one of the most extensive literary works exposing startling new information about UFOs and Biblical scripture ever compiled For the first time in the annals of mankind the miracles of scripture and future of the human race is revealed This controversial yet provocative revelation will leave you utterly frightened at the alien implications that may be residing right under our very noses If you are intrigued by innovative concepts prepare yourself for an exciting yet shocking chronicle exposing the extraterrestrial pieces of The Broken Bible The Voyage of the Forgotten Nick Martell,2022-11-01 In this twistingly beautiful and epically thrilling conclusion to the fantasy trilogy The Legacy of the Mercenary King Michael the infamous Kingkiller and Serena the Hollow Queen race against the odds to have the future they ve worked so hard to protect or risk bringing about the end of the world Michael Kingman has discovered his destiny but the distance to what he wants namely a life with Serena the queen of Hollow kingdom is as wide as the world and just as cruel Meanwhile Dark the realm's most fearsome mercenary Michael's sometime mentor and son of his nemesis Angelo is trying to keep Michael in line for his own purposes as he too has a hidden agenda Michael comes to realize that he is outclassed by powers that have been working for centuries to bring about a fresh end to the world filled with those he loves But when has merely being overpowered ever stopped Michael from getting what he wants To prevent what may bring about the end times Michael must gather his remaining allies and push himself to achieve the impossible because the alternative is worse than he can imagine it s not just the beginning of the end of the world it s being alone and forgotten In this epic conclusion to a master class in grand scale storytelling Kirkus Reviews The Voyage of the Forgotten brilliantly wraps up the stories fans have fallen in love with as the characters struggle against odds that seem impossible to overcome **Genesis 3** Barry E Woodham, 2012-08-25 In the fifth and final book of the epic science fiction saga The Genesis Project the peace seeking alien alliance seems to have found the perfect world to colonise in a distant corner of the universe Except someone or something has been there before them And it may not have left Centuries of war politics and near total annihilation have forged the Council of Worlds whose only desire is to settle peaceful planets throughout the universe It began when humanity escaped the death of their planet which set them on a dangerous adventure of inter species contact Believing that the years of devastating war are behind them the alliance s search for a home planet seems successful when they discover a forgotten world complete with an abandoned city It is only when they are attacked by strangely intelligent machines that they realise that their landing here was not an unfortunate coincidence In Genesis 3 A New Beginning the various species of the alliance are plunged into a brutal battle for survival against an enemy that will never surrender As the odds mount against them it seems that the humans that left earth many years ago have finally met an adversary they cannot overcome The New
