The Ladies' Repository ,1848 The idea of this women s magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey s Lady s Book and Snowden s Lady s Companion Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a piece of music and two steel plates usually landscapes or portraits When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900

The New Education ,1897

The Body of Raphaelle Peale Alexander Nemerov,2001-03-12 This book is mind blowing Nemerov is a groundbreaking thinker in his field John Wilmerding Princeton University This is a book for all serious Americanists Jay Fliegelman author of *Declaring Independence* Each haunting and delicately wrought canvas expands as Nemerov writes about it so that his interpretive work both mirrors and supplements the wondrous intensity of the paintings themselves Ellen Handler Spitz *Museums of the Mind* Underneath their apparent simplicity Raphaelle Peale s still lifes glow mysteriously in the dark light of their making Peale transformed the common items of the early nineteenth century kitchen and market into explorations of the American unconscious Now writing as coolly and lucidly as Peale painted Alexander Nemerov has unpeeled those still lifes in a tour de force of formalistic analysis Through close interrogation of these small hermetic images Nemerov s book reveals the whole world of early America in the process bringing us as close as possible to the genius of Raphaelle Peale David C Ward National Portrait Gallery Smithsonian Institution This is a dazzling study lively

and imaginative of an important body of work Nemerov's novel arguments regarding still life in general and Raphaele Peale in particular reveal much about the art the man and the times It is a thoughtful and provocative book certain to generate interest and debate Charles C Eldredge Hall Distinguished Professor of American Art and Culture University of Kansas A triumph of interpretation Not since Michael Fried's groundbreaking account of Thomas Eakins has a critic so reimagined the very terms by which we see painting Nemerov's account singlehandedly catapults a painter we had previously considered to be interesting but minor into the forefront of discussions about American art during the early National Period The Body of Raphaele Peale will no doubt spark the beginning of an exciting revival of scholarship in American Romantic painting Bryan J Wolf author of *Romantic Re-Vision* **The Ladies' Repository, and Gatherings of the West**, 1848 *Report of the Conference of Educational Associations*, 1927 The Noctes Ambrosianae of "Blackwood". John Wilson, 1843 **Victorian Keats and Romantic Carlyle**, 2022-02-22 Both John Keats and Thomas Carlyle were born in 1795 but one rarely thinks of them together When one does curious speculations result It is difficult to think of Carlyle as a young Romantic or of Keats as a Victorian Sage but had Carlyle died prematurely and had Keats lived to a ripe old age we might now be considering a Romantic Carlyle and a Victorian Keats Such a juxtaposition leads one to consider the use and abuse the fusions and confusions of period terms in literary history and in criticism Does Carlyle represent Romanticism as typically as Keats Does Keats's work give us any cause to believe that he might have developed into a Victorian poet Do the terms Romanticism and Victorian have any useful literary historical and literary critical value What are the marks of the transition from one to the other Or is the existence of such a transition an illusion In this volume some essays consider aspects of Keats or of Carlyle independently or together or focus on contemporaries of one or other or of both and explore the effect of their literary and ideological relationships and the often indefinable sense that we all have of different styles manners and periods as well as the awareness that we might all be equally deceived about such distinctive boundaries and definitions **The God of All Flesh** Walter Brueggeman, 2017-01-26 Biblical faith is passionately and relentlessly material in its emphasis This claim is rooted in the conviction that the creator God loves the creation and summons creation to be in sync with the will of the creator God This collection of essays is focussed on the bodily life of the world as it ordered in all of its problematic political and economic forms The phrase of the title all flesh in the flood narrative of Genesis 9 refers to all living creatures who are in covenant with God human beings animals birds and fish as recipients of God's grace as dependent upon God's generosity and as destined for praise and obedience to God The insistence on the materiality of life as the subject of the Bible means that the difficult issues of economics and the demanding questions of politics are front and centre in the text So the Pentateuch pivots around the Exodus narrative and the emancipation from an unbearable context of abusive labour practices In a similar manner the prophets endlessly address such questions of social policy and the wisdom teachers reflect on how to manage the material things of life and social relationships for the well being of the community This emphasis pervasive in these essays is

a powerful alternative and a strong resistance against all of the contemporary efforts to transcend escape the material into some form of the spiritual All around us are efforts to find an easier more harmonious faith This may be evoked simply because of a desire to shield economic political advantage from the inescapable critique of biblical faith Such a temptation is a serious misreading of the Bible and a critical misjudgment about the nature of human existence Thus the Bible addressed the most urgent issues of our day and refuses the religious temptation that avoids lived reality where the power of God is a work

Boughan,2017-09-05

CINDERELLA NECROMANCER is CHIME meets ANNA DRESSED IN BLOOD and was inspired by a real medieval grimoire of necromancy from 15th century Germany Ellison lost her mother at an early age But since then her father has found love again He s happy and doesn t quite notice that Ellison does not get along with his new wife or her mean daughters When Ellison discovers a necromantic tome while traveling the secret passages of her father s mansion she wonders if it could be the key to her freedom Until then she must master her dark new power even as her stepmother makes her a servant in her own home And when her younger brother falls incurably ill Ellison will do anything to ease his pain including falling prey to her stepmother and stepsisters every whim and fancy Stumbling into a chance meeting of Prince William during a secret visit to her mother s grave feels like a trick of fate when her stepmother refuses to allow Ellison to attend a palace festival But what if Ellison could see the kind and handsome prince once more What if she could attend the festival What if she could have everything she ever wanted and deserved by conjuring spirits to take revenge on her cruel stepmother As Ellison s power grows she loses control over the evil spirits meant to do her bidding And as they begin to exert their own power over Ellison she will have to decide whether it is she or her stepmother who is the true monster **The Monthly Mirror:**

Reflecting Men and Manners ,1806 **Joanna** Glen Dueck,2014-12-22 Her sense of dignity and comfort would be shaken like she could never have imagined As the wife of Chuza the steward of Herod Joanna has access to much wealth and prestige but still feels unfulfilled She hides her secret immoral lifestyle Through her best friend Mary of Magdala she encounters two men who reveal themselves as Parthians enemies of the Roman Empire At first it s all fun and parties but then the Parthian men threaten Joanna She must decide whether to support the Parthian invasion or to stand by Chuza who is loyal to the tyrant Herod While Mary takes an unusual interest in Jesus Joanna is determined to fix things without religion Joanna thinks she can control her life but when she is threatened she is forced into making decisions that will affect her relationships friendships and eventually the safety of the Roman Empire Can she save herself and her nation
