Immigration Opposing Viewpoints:

Illegal Immigration Charles P. Cozic, 1997 Bill Clinton Pete Wilson and others discuss the influx of illegal immigrants into the United States Contributors examine questions regarding economics human rights and race *Immigration* William Dudley, 1990 Summary Prominent observers offer differing views on the social political and legal impact of continuing immigration to the United States *Illegal Immigration* Charles P. Cozic, 1997 *Immigration* Tamara L. Roleff, 1998 A collection of essays in which the authors present different perspectives on the issue of immigration debating whether immigration should be restricted whether it is a problem for the United States ways to control illegal immigration and the reform of U S immigration policy **Immigration** Terry O'Neill, 1992 Provides opposing articles from throughout the country's history on various aspects of immigration and the effects of immigrants on the United States *Immigration* Mary E. Williams, 2004 The United States is known as a nation of immigrants but not everyone agrees that continued immigration benefits the country This anthology's chapters include Historical Debate Should Immigration Be Restricted How Should Immigration Policy Be Reformed *Illegal Immigration* Laura K. Egendorf, 2007 Explores differing views on illegal immigration and uses the opposing viewpoints format to increase proficiency in writing critical essays with emphasis on organizing ideas and arguments in the five paragraph essay Immigration, 1990 Prominent observers offer differing views on the social political and legal impact of continuing immigration to the United States **Religious and Ethical Perspectives on Global Migration** Elizabeth W. Collier, Charles R. Strain, 2014-06-05 Religious and Ethical Perspectives on Global Migration examines the complicated social ethics of migration in today's world Editors Elizabeth W Collier and Charles R Strain bring the perspectives of an international group of scholars toward a theory of justice and ethical understanding for the nearly two hundred million migrants who have left their homes seeking asylum from political persecution greater freedom and safety economic opportunity or reunion with family members Migrants move out of fear desperation hope love for their families or a myriad of other complex motivations Faced with both the needs and flows of people and the walls that impede them what actions ought we both individually and collectively take What is the moral responsibility of those of us in particular who reside comfortably in our native lands There is no univocal response to these questions Instead multiple perspectives on migration must be examined This book begins by looking at different geographic regions around the world and highlighting particular issues within each Finding that religious traditions represent the strongest countervailing sources of values to the homogenizing tendencies of economic globalization the study then offers a plurality of religious perspectives The final chapters examine the salient issues and the proposed solutions that have emerged specifically within the U S context These studies range from militarization of the U S border with Mexico to the impact of migrants on native born low skilled workers Encompassing a wide range of cultural and scholarly voices Religious and Ethical Perspectives on Global Migration provides insight for ethics moral philosophy social and political philosophy religious

Schaefer,2008-03-20 This encyclopedia offers a comprehensive look at the roles race and ethnicity play in society and in our daily lives Over 100 racial and ethnic groups are described with additional thematic essays offering insight into broad topics that cut across group boundaries and which impact on society Comparative Public Opinion Cameron D. Anderson,Mathieu Turgeon,2022-07-22 This book presents a comprehensive examination of public opinion in the democratic world Built around chapters that highlight key explanatory frameworks used in understanding public opinion the book presents a coherent study of the subject in a comparative perspective emphasizing and interrogating immigration as a key issue of high concern to most mass publics in the democratic world Key features of the book include Covers several theoretical issues and determinants of opinion such as the effects of personality age and life cycle ideology social class partisanship gender religion ethnicity language and media highlighting over time the effects of political social and economic contexts Each chapter explores the theoretical rationale mechanisms of effect and use in the scholarly literature on public opinion before applying these to the issue of immigration comparatively and in specific places or regions Widely comparative using a nine country sample Australia Canada France Germany Italy Portugal Switzerland the United Kingdom and the United States of America in the analysis of individual level determinants of public opinion about immigration and extending to other countries like Belgium Brazil and Japan when evaluating contextual factors This edited volume will be essential reading for students scholars and practitioners interested in public opinion political behaviour voting behaviour politics of the media immigration political communication and more generally democracy and comparative politics The Unmaking of Americans John J. Miller,1998 Immigrants have always adopted America s ideological principles and striven to become American But now there is a war against the whole notion of assimilation newcomers are encouraged to maintain their own separate cultural identity In the tradition of Arthur Schlesinger s *The Disuniting of America* this commonsense manifesto promotes renewing the assimilation ethic in America Selfish Libertarians and Socialist Conservatives? Nathan W. Schlueter,Nikolai G. Wenzel,2016-11-02 In *Selfish*

Libertarians and Socialist Conservatives Nathan W Schlueter and Nikolai G Wenzel present a lively debate over the essential questions that divide two competing political philosophies Wenzel a libertarian who believes the state should be restricted to protecting life liberty and property and Schlueter a conservative who thinks the state has a larger role to play in protecting public welfare safety and morals explore the fundamental similarities and differences between their respective positions Over a series of point counterpoint chapters they lay out the essential tenets of their own stances critiquing the other This engaging dialogue introduces readers to the foundations of each political philosophy To vividly illustrate the diverging principles underlying conservatism and libertarianism the authors explore three different hot button case studies marriage immigration and education Compact accessible and complete with suggestions for further reading *Selfish Libertarians and Socialist Conservatives* is an ideal teaching tool that places these two political perspectives in fruitful dialogue with one another

You Decide Edward R. Drachman, Robert Langran, 2008 The second edition of *You Decide* Controversial Cases in American Politics provides a unique and innovative way to learn more about American government by examining contending points of view on controversial issues Drawing on many years of combined teaching experience Edward Drachman and Robert Langran present fourteen original cases and encourage students to make choices from policy options that might help resolve the case controversies To facilitate the reading of the cases the authors developed a format that provides the necessary background information on each issue a list of options to address the controversy under consideration and the probable future direction of each case controversy Each case also includes discussion questions that focus on highlights of the case classroom activities designed to complement more traditional learning and a list of suggested readings and websites On a range of topical hot button cases from organized school prayer and affirmative action to the electoral college and the tension between Congress and the president over war time powers students have the opportunity to become directly involved in discussing debating and evaluating controversial issues With this help of this classroom proven text *you decide*

The American Standard of Living and World Co-operation Rosalie Jones, 1923

New Poverty Studies Judith G. Goode, Jeff Maskovsky, 2001 Stock market euphoria and blind faith in the post cold war economy have driven the topic of poverty from popular and scholarly discussion in the United States At the same time the gap between the rich and poor has never been wider The *New Poverty Studies* critically examines the new war against the poor that has accompanied the rise of the New Economy in the past two decades and details the myriad ways poor people have struggled against it The essays collected here explore how global national and local structures of power produce poverty and affect the material well being social relations and politicization of the poor In updating the 1960s encounter between ethnography and U S poverty The *New Poverty Studies* highlights the ways poverty is constructed across multiple scales and multiple axes of difference Questioning the common wisdom that poverty persists because of the pathology social isolation and welfare state dependency of the poor the contributors to The *New Poverty Studies* point instead to economic restructuring and neoliberal policy reforms which

have caused increased social inequality and economic polarization in the U S Contributors include Georges Fouron Donna Goldstein Judith Goode Susan B Hyatt Catherine Kingfisher Peter Kwong Vin Lyon Callo Jeff Maskovsky Sandi Morgen Leith Mullings Frances Fox Piven Matthew Rubin Nina Glick Schiller Carol Stack Jill Weigt Eve Weinbaum Brett Williams and Patricia Zavella These contributions provide a dynamic understanding of poverty and immiseration North American Dialogue Vol 4 No 1 Nov 2001 *Would New Measures Targeting Illegal Immigrants Be Fair* GREENHAVEN PR,1996-06-01
