Kuwait Jacqueline S Ismael,1993-01-01 **Small State Security Dilemma: Kuwait after 1991** Radhika

Lakshminarayanan,2019-12-31 The Arabian Gulf region is a vulnerable flashpoint Small states in this region try to leverage their core interests against big power domination This book narrates the problematique of Kuwait whose geostrategic weakness was exposed in 1990 forcing her to trade resource strength for security guarantees In recent years challenged by regional rivalries environmental impacts falling oil prices and the dangers of terrorist insurgency Kuwait faces an escalating security dilemma With the imminent disengagement of the U S from Middle Eastern entanglements should Kuwait resort to hedging partnerships with emerging multipolar giants like China Russia or India Can Kuwait survive domestic challenges of a youth bulge a huge expatriate population budgetary deficits increasing public welfare and costs of desalination What would be the main security options for Kuwait in a world that is increasingly volatile uncertain complex and ambiguous **The**

Societies of the Middle East and North Africa Sean Yom,2021-07-21 The second edition of this well regarded volume explores the societies of the Middle East and North Africa Presenting original studies written by the world s leading MENA scholars it sheds light upon the organizing structures human vulnerabilities and dynamic forces that propel social change among the peoples of the Arab world as well as Israel Turkey and Iran The volume can be used in conjunction with The Government and Politics of the Middle East and North Africa textbook for a comprehensive overview of the region Carrying over from the previous edition among the rich topics covered are agriculture urbanization development identity citizenship gender religion civil society the environment and youths This second edition adds two new chapters on refugees and public opinion as each constitutes a crucial part of the region s social and cultural context This edition also updates existing chapters to account for the latest events and trends including the COVID 19 pandemic popular protests and demographic growth Written in an accessible way the chapters are clearly structured and contain insightful analysis memorable case studies illustrative photographs and visualized data that illuminate the contours of social life across this diverse region Each chapter also ends with curated questions for discussion followed by annotated bibliographies to help spark further research to encourage seamless adoption into classrooms *The Resilience of Parliamentary Politics in Kuwait* Courtney Freer,2024

The first English language political history of Kuwaiti parliament this book provides an unprecedented holistic treatment of grassroots contemporary Kuwaiti politics in English in over two decades incorporating the country s political dynamics into broader debates about the limits of authoritarianism and the practice of democracy in the Arab world particularly in oil wealthy states Author Courtney Freer uses the lens of parliamentary elections as a means of understanding the political ideologies that have dominated in Kuwait since independence As such it situates the dynamics of Kuwaiti politics within broader political science debates about whether democratic institutions in hybrid regimes are meaningful arenas for popular contestation or only serve to enhance autocratic rule Given the varying portrayals of Kuwait as robust authoritarianism

upgraded authoritarianism or a noteworthy site of democratic participation The Resilience of Parliamentary Politics in Kuwait

Parliament Rentierism and Society focuses on the ideologies that have mobilized political blocs rather than solely focusing on the institutions of political power themselves Freer includes extensive fieldwork and the use of Arabic and English primary sources to assess and examine the institutional setting that Kuwait presents and traces the dominant ideological strands in the country considering the comparative mobilizational potential of ascriptive identities like tribe and sect Hybrid Sovereignty in the Arab Middle East G. Bacik,2007-12-25 This book provides readers with a fresh analysis of the Arab state by using a new theoretical framework hybrid sovereignty The author examines various areas to make his argument citizenship the issue of minorities electoral engineering the failure of central rule tribalism and the lack of impersonal bureaucratic mechanism

Histories of City and State in the Persian Gulf Nelida Fuccaro,2009-09-03 This book examines the political and social life of the Gulf city and its coastline as exemplified by Manama in Bahrain Written as an ethnography of space politics and community it addresses the changing relationship between urban development politics and society before and after the discovery of oil

The Transformation of the Gulf David Held,Kristian Ulrichsen,2013-03-01 This book examines the political economic and social transformation of the six member states of the Gulf Cooperation Council GCC and the ways in which these states are both shaping and being reshaped by the processes of globalisation Adopting a multidisciplinary approach the volume combines thematic chapters focusing on issues such as globalisation nationalism and identity political thinking and economic diversification and redistributive policymaking with empirical chapters studying specific aspects of reform and change the emergence of governing markets the rise of Sovereign Wealth Funds Islamic Finance the relationship between energy and sustainability trends in foreign aid donorship strategic and foreign policy formulation Contributions from experts in the field provide cutting edge snapshots of a region in flux and collectively offer a roadmap of its repositioning in the global order examining the interaction between global processes and internal dynamics of change and resistance that inject new dimensions into debates over the loci of local and global transformations and the manner in which each plays off the other Situating the Gulf States firmly within their global twenty first century context this book will hold particular appeal to theorists of globalisation as well as to scholars of comparative politics international political economy and area studies

Tribalism and Political Power in the Gulf Courtney Freer,Alanoud al-Sharekh,2021-09-23 Gulf societies are often described as being intensely tribal However in discussions of state building and national identity the role of tribalism and tribal identity is often overlooked This book analyses the political role of tribes in Kuwait Qatar and the UAE aiming to understand the degree to which tribes hinder or advance popular participation in government and to what extent they exert domestic political power The research traces the historical relationship between ruling elites and nomadic tribes and by constructing political histories of these states and analysing the role of tribes in domestic political life and social hierarchies reveals how they serve as major political actors in the Gulf A key focus of the

book is understanding the extent to which societies in the Gulf have become re bedouinised in the modern era and how this has shaped these states political processes and institutions The book explores the roles that tribes play in the development of progressive citizenship regimes and policymaking today and how they are likely to be influential in the future within rentier environments Iridescent Kuwait Laura Hindelang,2021-12-21 Petro modernity is a local phenomenon essential to the history of Kuwait while also a global experience and one of the prime sources of climate change The book investigates petroleum s role in the visual culture of Kuwait to understand the intersecting ideologies of modernization political representation and oil The notion of iridescence the ambiguous yet mesmerizing effect of a rainbowlike color play serves as analytical aesthetic concept to discuss petroleum s ambiguous contribution to modernity both promise of prosperity and destructive force of socio cultural and ecological environments Covering a broad spectrum of historical material from aerial and color photography visual arts postage stamps and master plans to architecture and also contemporary art from the Gulf it dismantles petro modernity s visual legacy **Inside the Arab State** Mehran Kamrava,2018-08-15 The 2011 Arab uprisings and their subsequent aftermath have thrown into question some of our long held assumptions about the foundational aspects of the Arab state While the regional and international consequences of the uprisings continue to unfold with great unpredictability their ramifications for the internal lives of the states in which they unfolded are just as dramatic and consequential States historically viewed as models of strength and stability have been shaken to their foundations Borders thought impenetrable have collapsed sovereignty and territoriality have been in flux This book examines some of the central questions facing observers and scholars of the Middle East concerning the nature of power and politics before and after 2011 in the Arab world The focus of the book revolves around the very nature of politics and the exercise of power in the Arab world conceptions of the state its functions and institutions its sources of legitimacy and basic notions underlying it such as sovereignty and nationalism Inside the Arab State adopts a multi disciplinary approach examining a broad range of political economic and social variables It begins with an examination of politics and more specifically political institutions in the Arab world from the 1950s on tracing the travail of states and the wounds they inflicted on society and on themselves along the way until the eruption of the 2011 uprisings The uprisings the states responses to them and efforts by political leaders to carve out for themselves means of legitimacy are also discussed as are the reasons for the emergence and rise of Daesh and the Islamic State Power I argue and increasingly narrow conceptions of it in terms of submission and conformity remains at the heart of Arab politics popular protests and yearnings for change notwithstanding Much has changed in the Arab world over the last several decades But even more has stayed the same **The International Politics of the Persian Gulf** Arshin Adib-Moghaddam,2006-09-27 Provocatively written persuasively researched and conclusively argued Adib Moghaddam presents the first comprehensive analysis of international relations in the Gulf from a mutidisciplinary perspective Politics of Oil Bulent Gokay,2019-03-04 This new title presents key information on the oil industry world wide
