Importing Diversity Inside Japan's Jet Program:

Importing Diversity David L. McConnell, 2000-03-16 Japan's official efforts at internationalization have been painful to witness. The government's JET program is easily the most ambitious and its history and on-the-ground problems offer significant insights into Japan's struggle to open up to the outside. David McConnell's book provides a most interesting analysis of why this process has been so complex and difficult. It tells us much about Japanese society and education at this critical point in time. Thomas P. Rohlen, author of *For Harmony and Strength*. In this superb and insightful book, David McConnell explores perhaps the greatest, certainly the biggest education program in humankind's history, offering a patient, balanced analysis of its workings, problems, and accomplishments. McConnell's Confucian equanimity and multifaceted perspectives lend the book a depth seldom found in contemporary writing on Japan. Robert Juppe, First ALT Advisor for the JET Program. This is a very astute, thorough, and personal account of the JET program as a case study of how a program can both change a system and provoke defenses against any change. With his fine ethnographic and analytic material, McConnell reveals the faultlines of internationalization in Japan. This is a great contribution to the study of organizations, marginality, and shifts in global and national identity. Merry White, author of *Japanese Families It Takes a Nation*. The JET Program and the US-Japan Relationship Emily T. Metzgar, 2017-07-14 Since 1987, the Japan Exchange and Teaching (JET) Program has recruited thousands of young college graduates from more than sixty countries, including the United States, to work in Japan for up to five years. Now thirty years after the program's founding, there are more than 60,000 JET Program alumni worldwide, more than half of them hailing from the United States. *The JET Program and the US-Japan Relationship* Goodwill Goldmine argues that JET functions as much more than an opportunity for young people to spend a year or more teaching in Japanese schools or working in municipal offices across the Japanese archipelago. This study examines the JET program as a form of public diplomacy and soft power. Through original survey data and extensive interviews with alumni, the author provides a quantitative analysis of the program's effects and argues that it has been highly useful in shaping interactions between Japan and the United States. *Doing Fieldwork in Japan* Theodore C. Bestor, Patricia G. Steinhoff, Victoria Lyon Bestor, 2003-07-31 *Doing Fieldwork in Japan* taps the expertise of North American and European specialists on the practicalities of conducting long-term research in the social sciences and cultural studies. In lively first-person accounts, they discuss their successes and failures doing fieldwork across rural and urban Japan in a wide range of settings: among religious pilgrims and adolescent consumers on factory assembly lines and in high schools and wholesale seafood markets; with bureaucrats in charge of defense, foreign aid, and social welfare policy; inside radical political movements among adherents of New Religions; inside a prosecutor's office; and the JET Program for foreign English teachers with journalists in the NHK newsroom while researching race, ethnicity, and migration, and amidst fans and consumers of contemporary popular culture. Japan's Diversity Dilemmas Soo im Lee, Stephen Murphy-Shigematsu, Harumi Befu, 2006 Japan's Diversity Dilemmas Ethnicity Citizenship and Education reveals how Japanese society is now in the midst of dramatic transformation brought on by demographic change and globalization Foreigners are coming to Japan and many more will come in the near future to meet the demands of an economy that needs workers to compensate for an extremely low birth rate The ramifications of this influx of foreigners into a society that has based its identity on a mythical ethnic purity are enormous This book examines the effects of globalization on both new and older ethnic communities It shows the ways in which minorities in particular Koreans are changing their conceptions and practices regarding nationality It explores issues of human rights and emerging conceptions of citizenship in Japan It also looks at how forces of globalization are affecting the state ideology of homogeneity and how a new image of diversity and multiculturalism is slowly developing Several authors focus their attention on implications for education in citizenship education ethnic education and international education Japan's Diversity Dilemmas is not just about minorities but addresses issues of diversity that impact Japan as a nation in three areas ethnicity citizenship and education As the population diversifies the linking of ethnicity and citizenship is being challenged and education is a battleground where these struggles occur This collection of papers by an interdisciplinary group of authors helps readers to understand Japan's evolving conceptions of the nation and its attempts to balance tensions of unity and diversity Japan's Diversity Dilemmas looks at precisely the kind of issues that need examination and discussion as Japan stands on the cusp of potentially huge demographic and social changes This collection of studies will enrich and inform classroom and public discourse and those who follow these issues will find this book essential Sharon Noguchi San Jose Mercury News and former Fulbright Fellow University of Tokyo

Multiculturalism in the New Japan Nelson H. H. Graburn, John Ertl, R. Kenji Tierney, 2008 Like other industrial nations Japan is experiencing its own forms of and problems with internationalization and multiculturalism This volume focuses on several aspects of this process and examines the immigrant minorities as well as their Japanese recipient communities Multiculturalism is considered broadly and includes topics often neglected in other works such as religious pluralism domestic and international tourism political regionalism and decentralization sports business styles in the post Bubble era and the education of immigrant minorities

Japan in the Age of Globalization Carin Holroyd, Ken Coates, 2012-06-12 The multiple and diverse forces of globalization have indeed affected Japan significantly over the past decades But so it must be said has Japan influenced a variety of critical global developments globalization is not a one way street particularly for a nation as economically influential and technologically advanced as Japan The chapters in this collection examine the impact of globalization on Japan and the impact of Japan on the forces of globalization from the various disciplinary perspectives of business the economy politics technology culture and society They

also explain the manner in which the nation has responded to the economic and cultural liberalization that has been such a profound force for change around the globe This comprehensive collected works brings the latest research to bear on this important subject and provides evidence of the long history of global influences on Japan and Japanese impacts on the rest of the world This book will be of interest to students and scholars of globalization Japanese Studies and Asian Studies

Family and Social Policy in Japan Roger Goodman,2002-11-26 Table of contents **Japan's Subnational Governments in International Affairs** Purnendra Jain,2006-03-13 This book moves away from the common belief that Japan s international relations are firmly the preserve of the national government in Japan s highly centralised political system Examining examples of subnational governments SNGs across Japan the book uncovers a significant and generally unrecognised development in Japanese politics SNGs are ever more dynamic international actors as national borders weaken across the world Exploring what Japanese SNGs do where they do it and why the book considers the implications of these factors for Japan s international relations and domestic politics By bringing to light the scope and consequences of the international actions of Japan s SNGs this book provides a more accurate and nuanced understanding of the country s foreign policy at a time when it is pursuing a broader and more active profile in international affairs *Native-Speakerism in Japan* Stephanie Ann Houghton,Damian J. Rivers,2013-02-19 The relative status of native and non native speaker language teachers within educational institutions has long been an issue worldwide but until recently the voices of teachers articulating their own concerns have been rare This innovative volume explores language based forms of prejudice against native speaker teachers Identity, Gender and Teaching English in Japan Diane Hawley Nagatomo,2016-04-07 How do teachers who have chosen to settle down in one country manage the difficulties of living and teaching English in that country How do they develop and sustain their careers and what factors shape their identity This book answers these questions by investigating the personal and professional identity development of ten Western women who teach English in various educational contexts in Japan all of whom have Japanese spouses The book covers issues of interracial relationships expatriation equality and employment practices as well as the broader topics of gender and identity The book also provides a useful overview of English language teaching and learning in Japan **Teachers' Unions and the Politics of Education in Japan** Robert W. Aspinall,2001-08-09 Providing an overview of the history of postwar teachers unions in Japan this book analyses the causes and effects of the 1989 schism of the largest union the Japan Teachers Union Nikkyoso Formed in 1947 during a period of great change for both the Japanese educational and political systems this union has been closely linked with developments in both of these areas The 1989 schism occurred at the start of another period of great change for politics and education Author Robert W Aspinall uses several theoretical models to discuss the schism and then offers modifications of the theoretical models to account for political changes that have occurred since they were created He also places the fortunes of the union in the wider context of Japanese unionism and party politics examines the role of teachers unions at all levels of the

education hierarchy and describes the role of unions in the current wave of educational reform

The Organisational Dynamics of University Reform in Japan Jeremy Breaden, 2012-12-07 For several decades internationalisation has been a cornerstone of both Japanese government higher education policy and approaches to reform at an institutional level but Japan has still not managed to lose its reputation as a somewhat reclusive member of the global academic community Consensus on the potential of internationalisation to reinvigorate Japanese higher education is matched by the depth of recognition that universities have to date failed to internationalise successfully This book offers a new approach to Japan's internationalisation conundrum by proceeding from the inside out It presents an extended case study one university organisation that has been changed through its adoption of a radical program of internationalisation Through this case study Jeremy Breaden identifies patterns by which internationalisation is situated in administrative discourse and individual action and determines how these patterns in turn shape organisational practice The result is a multi dimensional narrative of organisational change that advances our understanding of both the dynamics of university reform and the concept of internationalisation one of the most durable yet contentious themes in the study of contemporary Japanese society With detailed analysis and an in depth case study this book will be of interest to students and scholars of Japanese studies sociology and anthropology It will also prove valuable to professionals and policy makers working in higher education both in Japan and around the world

[A History of Japan](#) Conrad Totman, 2014-09-11 This is an updated edition of Conrad Totman's authoritative history of Japan from c 8000 BC to the present day The first edition was widely praised for combining sophistication and accessibility Covers a wide range of subjects including geology climate agriculture government and politics culture literature media foreign relations imperialism and industrialism Updated to include an epilogue on Japan today and tomorrow Now includes more on women in history and more on international relations Bibliographical listings have been updated and enlarged Part of The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production

Multiculturalism, Language, and Race in English Education in Japan: Agency, Pedagogy, and Reckoning Gregory Paul Glasgow, 2023-03-15 It is claimed that the English language teaching ELT profession incorporates principles of multiculturalism tolerance and pluralism especially since it is viewed as a practical tool to promote intercultural exchange However as movements for social justice worldwide become more prevalent some stakeholders in the field are

beginning to question the field's genuine commitment to such values. In Japan for example is the English language truly viewed as a practical communication tool to engage with diverse interlocutors on the global stage? Or do problematic discourses regarding the notion of the ownership of English and the idealized speaker of English prevail due to the lingering dichotomy between so-called non-native English speaking teachers (NNESTs) and native English speaking teachers (NESTs), a dichotomy that unfortunately intersects with views of ethnoracial and cultural difference and which leads to discriminatory tendencies in pedagogical practices, educational cultures and social structures. The overall purpose of this volume is to initiate conversations about how issues surrounding language, race and multiculturalism currently inform pedagogical practice in English Language Teaching (ELT) in Japan. We, the editor and contributors, intend to explore these issues with the hope that the experiences and pedagogical actions documented in this volume will motivate others to reflect on current challenges, raise appreciation for diversity in ELT and dismantle inequities.

Progress in Education R. Nata, 2004. This series presents substantial results from around the globe in selected areas of educational research. The field of education is consistently on the top of priority lists of every country in the world yet few educators are aware of the progress elsewhere. Many techniques, programs and methods are directly applicable across borders. This series attempts to shed light on successes wherever they may occur in the hope that many wheels need not be reinvented again and again.

Middle-Class Boys' Schools in England and Japan Robert W. Aspinall, 2024-09-02. Drawing on the author's own experience as a student and a teacher in England and Japan, this book is a comparative study of boys' secondary schools in these two countries. By comparing two nations that are very different in their history, culture and geographical location and by focusing on schools that are affordable to the majority of the population, the analysis carried out in this book takes the onus away from money, national culture and religion, allowing for a more insightful understanding of those elements of schooling which prove essential to successful class reproduction and those that are contingent. The book also explores the experiences of boys who do not fit orthodox images of heterosexual masculinity, discussing their interaction with teenage subcultures which encourage non-conformity to middle-class norms. Representing a novel contribution to the understanding of the relationship between education, gender and class, this book will be a valuable resource to scholars and students of education studies, Japanese studies and the sociology of education.

Team Teaching and Team Learning in the Language Classroom Akira Tajino, Tim Stewart, David Dalsky, 2015-12-14. This book reignites discussion on the importance of collaboration and innovation in language education. The pivotal difference highlighted in this volume is the concept of team learning through collaborative relationships such as team teaching. It explores ways in which team learning happens in ELT environments and what emerges from these explorations is a more robust concept of team learning in language education. Coupled with this deeper understanding, the value of participant research is emphasised by defining the notion of team to include all participants in the educational experience. Authors in this volume position practice ahead of theory as they struggle to make sense of the

complex phenomena of language teaching and learning The focus of this book is on the nexus between ELT theory and practice as viewed through the lens of collaboration The volume aims to add to the current knowledge base in order to bridge the theory practice gap regarding collaboration for innovation in language classrooms Integrating Content and Language in Multilingual Universities Slobodanka Dimova,Joyce Kling,2020-07-06 This volume provides conceptual syntheses of diverging multilingual contexts research findings and practical applications of integrating content and language ICL in higher education in order to generate a new understanding of the cross contextual variation With contributions from leading authors based in Asia the Middle East and Europe the volume offers comparison of contextualized overviews of the status of ICL across the geographic areas and allows us to identify patterns and advance the scholarship in the field ICL in teaching and learning has become an important consideration in the endeavors to address linguistic diversity at universities which has resulted from the growing teacher and student mobility around the world Internationalising Japan Jeremy Breaden,Stacey Steele,Carolyn S. Stevens,2014-04-24 In the twenty first century the concept of internationalisation remains a crucial tool for understanding the dynamics of globalising processes It draws attention to the dimensions of conscious action in inter and trans national phenomena connecting globalisation with individuals experience of everyday life This book explores how internationalisation is imagined discussed and operationalised in Japan and surrounding countries The chapters focus on educational leisure and cultural activities fields which are often overlooked in favour of economic and political developments in the literature The conclusion reflects on the concept of internationalisation and assesses how it is likely to develop in Japan in future taking into account the impact of the Great East Japan Earthquake of 2011 Soft Power in Japan-China Relations Utpal Vyas,2010-12-14 Soft power is overlooked in the field of international relations dismissed as lacking relevance or robustness as a theoretical concept This book expands upon the idea of soft power in international relations and investigates how soft power actually functions by looking at three case studies in Japan China relations

Yeah, reviewing a book **Importing Diversity Inside Japans Jet Program** could increase your near connections listings. This is just one of the solutions for you to be successful. As understood, success does not suggest that you have wonderful points.

Importing Diversity Inside Japans Jet Program Introduction

In today's digital age, the availability of Importing Diversity Inside Japans Jet Program books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Importing Diversity Inside Japans Jet Program books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Importing Diversity Inside Japans Jet Program books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Importing Diversity Inside Japans Jet Program versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Importing Diversity Inside Japans Jet Program books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Importing Diversity Inside Japans Jet Program books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Importing Diversity Inside Japans Jet Program books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Importing Diversity Inside Japans Jet Program books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Importing Diversity Inside Japans Jet Program books and manuals for download and embark on your journey of knowledge?

FAQs About Importing Diversity Inside Japans Jet Program Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Importing Diversity Inside Japans Jet Program is one of the best book in our library for free trial. We provide copy of Importing Diversity Inside Japans Jet Program in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Importing Diversity Inside Japans Jet Program. Where to download Importing Diversity Inside Japans Jet Program online for free? Are you looking for Importing Diversity Inside Japans Jet Program PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous

these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Importing Diversity Inside Japans Jet Program. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Importing Diversity Inside Japans Jet Program are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Importing Diversity Inside Japans Jet Program. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Importing Diversity Inside Japans Jet Program To get started finding Importing Diversity Inside Japans Jet Program, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Importing Diversity Inside Japans Jet Program So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Importing Diversity Inside Japans Jet Program. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Importing Diversity Inside Japans Jet Program, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Importing Diversity Inside Japans Jet Program is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Importing Diversity Inside Japans Jet Program is universally compatible with any devices to read.

friede von amiens wikipedia - Feb 12 2022

web der friede von amiens wurde am 25 und 27 märz 1802 im nordfranzösischen amiens zwischen großbritannien auf der
einen seite und dem napoleonischen frankreich spanien und der batavischen republik auf der anderen seite geschlossen er
beendete damit endgültig den zweiten koalitionskrieg nachdem bereits 1801 im friede von lunéville die
