Handbook of Research on Pedagogies and Early Intervention Strategies for Combatting Socio-Pathological Behaviors Buckley, Sheryl
Beverley, Babic, Ivana, Kadum, Vladimir, Hmelak, Maja, 2021-10-29
Issues of social pathology have been encountered throughout many societies. There is a need for all educational sectors in society to coordinate unique educational engagements regarding children with accumulated and escalating behavioral problems that daily take their toll and leave far-reaching consequences on the degradation of each individual and of the community. The Handbook of Research on Pedagogies and Early Intervention Strategies for Combatting Socio-Pathological Behaviors serves as a guide to the social pedagogy discipline. The text raises awareness among professionals and the public about the need and prevention of socio-pathological manifestations and explains the types, expansion, causes, and consequences of their occurrence and the need for an organized social action to reduce and overcome them. Covering topics such as social pedagogy, sociopathic manifestations, and child-to-child care, this book is an essential guide for students preparing to be preschool educators, teachers, professors, social educators, psychologists, social workers, defectologists, as well as parents, current university faculty, and practitioners.
