The Divorcing Father's Manual Barry B. Frieman, 2005 Offers tips and advice for fathers who are about to divorce or who are already divorced in order to maintain relationships with their children **Imperfect Dads, One Perfect Father** Scott Silverii, Juan Martinez, George Gregory, Richard Bright, 2021-06-15 Want to be a better father Four dads have come together to create a powerfully honest and insightful guide for men who sincerely want to improve relationships with their kids Many men struggle with strained connections with their own dad or the effects of having grown up without a male role model This imperfect model of fatherhood has left a generation of dads without the foundation for raising their own kids The authors share their uniquely diverse perspectives and personal experiences to show that no matter who you are how you grew up or what your current situation is you can always look to the one perfect example of fatherhood to guide you into sharing the best relationship you ve ever had with your kids God the Father created the gift of being a dad and it s through His very own example that we learn not the best way but the only way to be dad If you re not the dad you thought you d be at this point in life or if you re looking to up your game in the dad department Imperfect Dads One Perfect Father will encourage men through the journey of fatherhood
