Brown Eyed Handsome Man Bruce Pegg,2013-10-18 Brown Eyed Handsome Man The Life and Hard Times of ChuckBerry draws on dozens of interviews done by the author himself and voluminous public records to paint a complete picture of this complicated figure This biography uncovers the real Berry and provides us with a stirring unvarnished portrait of both the man and the artist Berry has long been one of pop music s most enigmatic personalities Growing up in a middle class black neighborhood in St Louis his first major hit song Maybellene was an adaptation of a white country song wedded to a black influenced beat Thereafter came a string of brilliant songs celebrating teenage life in the 50s including School Day Johnny B Goode and Sweet Little Sixteen Berry s career rise was meteoric but his fall came equally quickly when his relations with an underage girl led to his conviction It was not his first nor his last run in with the law He scored his biggest hit in the early 70s

with the comical and some would say decidedly lightweight song My Ding a Ling The following decades brought hundreds of nights of tours with little attention from the recording industry Bruce Pegg offers the definitive though not always pretty portrait of one of the greatest stars of rock and roll a story that will appeal to all fans of American popular music **A Traveled First Lady** Louisa Catherine Adams, 2014-03-04 Louisa Catherine Adams was daughter in law and wife of presidents assisted diplomat J Q Adams at three European capitals and served as a D C hostess for three decades Yet she is barely remembered today A Traveled First Lady with Foreword by Laura Bush corrects this oversight by sharing Adams s remarkable story in her own words **The life of Samuel Johnson.
