McCoy, Robin Blyn, Dennis Allen, Timothy Sweet, Charles M. Tung, Aaron Jaffe, Grant Farred, Seth Morton, 2016-02-01 By playing with notions of collecting and cataloging this anthology offers a range of investigations into detritus and forgotten ephemera Colin Dickey coeditor of *The Morbid Anatomy Anthology* The modern age is no stranger to the cabinet of curiosities the freak show or a drawer full of odds and ends These collections of oddities engagingly work against the rationality and order of the conventional archive found in a university a corporation or a governmental holding In form methodology and content *The Year's Work in the Oddball Archive* offers a counterargument to a more reasoned form of storing and recording the avant garde or the post avant garde the perverse the off the bent the absurd the quirky the weird and the queer To do so it positions itself within the history of mirabilia launched by curiosity cabinets starting in the mid fifteenth century and continuing to the present day These archives or are they counter archives are located in unexpected places the doorways of Katrina homes the cavity of a cow the remnants of extinct animals an Internet site and they offer up alternate modes of knowing to the traditional archive An unruly and much needed model for how to do the archive differently Scott Herring author of *The Hoarders Material Deviance in Modern American Culture* It was a pleasure to read through this collection and I suspect some of the essays if not the entire book will find itself on the syllabus for my Archive and Ephemera graduate course Museum Anthropology Review A finely wrought collection of curiosities A vital intervention into how we talk

about the stuff that surrounds us Colin Dickey coeditor of *The Morbid Anatomy Anthology* **Fraud Control in the Health Care Industry** Malcolm K. Sparrow, 1998 **My New Computer** Cynthia M. Nikolai, 2024-12-04 Even though computers have been an integral part of our lives for decades many people are still bewildered by the complexities of these incredible machines Whether creating and saving documents connecting it to the Internet or navigating through various software applications the world of computing can be overwhelming *My New Computer* A Gentle Introduction to your Computer the Cloud and the Internet is your comprehensive guide to conquering these and other challenges This book is designed to empower you with the knowledge needed to engage confidently with your computer Inside you ll discover how to navigate the operating system use the Internet connect to the cloud shop and bank securely online engage with others on social media employ good backup practices and safeguard yourself from viruses and scams Say goodbye to confusion and intimidation as you embark on a journey to grasp the fundamentals of computers and how to use these powerful tools to improve your personal and professional life **Bartlett's Roget's Thesaurus** , 2003-09-02 Supplies synonyms and antonyms for words in over 800 categories arranged thematically providing information on parts of speech cross references and including quotations that use the featured word **Fleecing Grandma and Grandpa** Betty L. Alt, Sandra K. Wells, 2004-09-30 Falling for a scam or con is humiliating for anyone and can have terrible consequences But for the elderly being the victim of fraud can be disastrous and they are the most common and vulnerable targets of everyday scams cons and frauds From identity theft to gambling scams from power of attorney issues to pyramid schemes there is no dearth of creativity in the ways some criminals will relieve the elderly from their money and their homes Here Alt and Wells describe the most common scams offer the stories of actual victims and detail ways to protect yourself and your family from becoming easy targets What makes the elderly such easy marks for con artists How can they avoid the common traps Knowing about them is one place to start and this book helps readers to understand and identify the most common scams perpetrated against the elderly Because such cons are so hard to prosecute it is important to know the methods criminals employ to separate innocents from their hard earned money This lively vivid account of one of the most insidious forms of crime will help families and individuals protect themselves and their loved ones from the machinations of those who view them as easy marks **Perspectives on Elderly Crime and Victimization** Peter C. Kratcoski, Maximilian Edelbacher, 2018-03-28 This textbook focuses on the criminality and victimization of the elderly population It provides a global perspective on the extent of the elderly crime and victimization with international comparisons for addressing the problem It explores the extent and types of crimes committed by the elderly the characteristics of older criminals and the responses of the criminal justice system including prisons and institutions to elderly criminals including diversion programs community based treatment programs and special programs including health mental health care services for older prisoners The second part of the book covers victimization of the elderly Research findings show that certain crimes including fraud theft and certain types of financial crimes

disproportionately affect older people and these types of crimes are growing in prevalence This work explores the characteristics of older victims and the types of crimes that affect them Finally the book presents comparative international research on approaches to crime prevention education and legislation to address the victimization of the elderly This work will be of interest to students in criminology and criminal justice as well as related fields such as sociology and gerontology

Abuse Your Illusions Russ Kick, 2003-05-01 The third of Russ Kick's bestselling Disinformation Guides gathers another all star line up of exposés. Juries have ruled in recent trials that Watergate was really about a Democratic Party prostitution ring Ignored in the U.S. and distorted elsewhere the Milosevic tribunal hasn't gone the way authorities were anticipating We present exclusive first hand reporting from the trial Most theologians don't believe in the physical Resurrection of Jesus In 2001 the U.S. uncovered the biggest spy ring in the country since WWII yet most people never heard about it The U.S. is engaging in bioweapons research that violates international treaties and federal law The New York Times knows about this but refuses to report it Teddy Roosevelt and Wall Street created Panama for profit Gandhi wasn't so wonderful after all These are just some of the revelations in the third of our all star anthologies Following up on bestsellers *You Are Being Lied To* and *Everything You Know Is Wrong* editor Russ Kick has again assembled a line up of leading investigative journalists academics activists commentators and independent researchers covering CIA assassinations the anthrax attacks fluoride TWA 800 Abraham Lincoln child protective services the tobacco industry forgotten uprisings the government's missing trillions even more revelations about 9/11 and much more Contributors include Gary Webb Greg Palast Noreena Hertz Howard Zinn Douglas Valentine Jim Houghan Kristina Borjesson Arianna Huffington and many more well known writers some of whom you'll be extremely surprised to see in these pages
