

A romantic couple is shown in a close embrace outdoors. The woman, with long dark hair, is wearing a dark jacket and has her arms around the man's neck. The man, with short dark hair, is wearing a red sweater and is looking down at her. They are both smiling and appear to be in a park or a similar natural setting with trees in the background. Free Falling For Love:

Free Falling in Love Ava Blackstone, 2017-11-29 **FREEFALL: A Collection Of Writings** Prachi Prangya Agasti, 2024-05-22 A crazy heart stopping roller coaster ride that will take you deeper into its course You close your eyes and jump to get the hang of the moment and sink deep into the abyss of your emotions But when you fall it is without any warning You struggle to pull out and rebound But how far would you fly before you feel you are dangling at the edge of a cord Because you are not graceful but scarred and sometimes forget how heavy your heart is And Freefall is a collection of such writings of a fall that eventually happens in the dotted lines of your life When your happiest thing stumbles you feel the emotion mercilessly equal to being bereft without life Nothing will piece you back together but once you hit the ground you would know exactly why fate dropped you hard Freefall would imprint a mysterious place with an infinite amount of feelings within you *Love Master* Linda Grace Byers, 2018-01-11 Within the past year I set the lofty goal of mastering the art of love According to Malcolm Gladwell skill mastery requires ten thousand hours of practice I pulled out my calculator and punched in some numbers At eight hours a day seven days a week I could be a love master in approximately 3 434 years All I have to do to accomplish this ambitious feat is to love and to love some more even when I would rather not If this sounds overly simplified you caught me read the book and see how I am doing dear reader Come along with me as I work my way toward God and the way he wants us all to live and love The collection of written pieces originally published as blogs within this book move from heavy to light shadow to brightness and sometimes there is the murky in between You will see a repeat of themes as I make sense of my experiences and gain insights along the way The writing is raw it is soul exposure for the sake of self and others I am assuming we can relate to one another or at least this is my hope My motivation to become a love master stemmed from a keen and painful awareness of my own lack of training in the noble ways of handling difficult situations and interactions with other humans I know there is a better way a godly way Jesus came to show us how and he is the perfect example of the excellence we can live Jesus is the ultimate Love Master I invite you to join me inside the pages of the book you hold in your hands Love Mastery is within your reach **Falling in Love once Again** Vibha Munjal, The turbulence in her life had left her dejected yet she was hopeful that someday her search for true love would finally be over She dreamt of a modest life that had love contentment and happiness in it Amongst the peaks and troughs of her life she lands up in Mumbai from where she starts a new journey A journey of trust hope and falling in love only to discover that the love she sought was elusive Wounded healed and wounded again she seeks God's intervention to lead her to recognize the truth and eventually she resurrects like a Phoenix More vibrant and energetic than before Falling in love with life once again is a beautiful chronicle of Vimasha's struggle to stand for righteousness rebuilding every time she was broken and nurturing her faith in God in herself in Love and in Life **Fall in Love with Your Mind** Eve Gates, 2022-11-30 Fall in Love with Your Mind is a collection of poetry about the wayward notion of creativity as a force to combat darkness on the journey towards self

discovery It is divided into sections dictating the continuous and frustrating feeling of time slipping away all too quickly on the path from mindless self destruction to heartbreak and hopelessness to learning and growing Read each section whenever you feel you can relate to it the most or when you feel you need it the most That s the thing about words on a page they re always there Even if you burn them the most important ones always remain safe and sound in your mind Falling in love with your mind is the key to brighter days Make a coffee light a cigarette do whatever warms your soul read and be present You are right here and that is always enough *Freefall* Kristen Heitzmann,2006-11 Deception betrayal and romance as Jade
