Free Gift:

From Gift to Commodity Hildegard Hoeller, 2012 In this rich interdisciplinary study Hildegard Hoeller argues that nineteenth century American culture was driven by and deeply occupied with the tension between gift and market exchange Rooting her analysis in the period's fiction she shows how American novelists from Hannah Foster to Frank Norris grappled with the role of the gift based on trust social bonds and faith in an increasingly capitalist culture based on self interest market transactions and economic reason Placing the notion of sacrifice at the center of her discussion Hoeller taps into the poignant discourse of modes of exchange revealing central tensions of American fiction and culture

The Gift Marcel Mauss, 2000 Since its first publication in English in 1954 *The Gift* Marcel Mauss's groundbreaking study of the relation between forms of exchange and social structure has been acclaimed as a classic among anthropology texts

The Question of the Gift Mark Osteen, 2013-09-13 *The Question of the Gift* is the first collection of new interdisciplinary essays on the gift Bringing together scholars from a variety of fields including anthropology literary criticism economics philosophy and classics it provides new paradigms and poses new questions concerning the theory and practice of gift exchange In addressing these questions contributors not only challenge the conventions of their fields but also combine ideas and methods from both the social sciences and humanities to forge innovative ways of confronting this universal phenomenon

The Berean, 1826

Authority Abusers George Bloomer, 2008-02-26 What happens when authority is abused Imagine our nation without police officers Imagine our lives without the protection of the badge Imagine traveling without stop signs traffic signals and roadside warnings Imagine no violations no punishments a grade school playground without rules a government without leaders You might as well imagine the earth without gravity because without authority there would be chaos But what happens when authority is misused Or worse what happens when spiritual abuse is written off as authority As surely as the absence of authority produces chaos the abuse of authority produces destruction Countless people have fallen victim to the manipulation of power and authority Lives have been warped forever marriages have been destroyed women and children have been abused and husbands and fathers undermined within the boundaries of their home Also tragically it is inside the church where salvation healing freedom and love should abound that some of the worst authority abuse takes place God's design for authority has been misunderstood twisted and manipulated leaving innocent people as victims and prisoners of controlling abusive situations The wounded and weak have been preyed upon and the guilty have been frightened into submission by leaders who use people to improve their own self esteem or advance their careers Wake up This is not God's design for the church or authority In this book Bishop George Bloomer discusses God's true design for authority Why people abuse authority The effects of authority abuse in the home How to recognize an authority abuser God's restoration plan for the abused and the abuser The key to breaking free from the bondage of spiritual abuse

Popular Mechanics, 1974-01 *Popular Mechanics* inspires instructs and influences readers to help them master the modern world

The Works of the Reverend John Wesley, A.M. John Wesley,1839 *Audun and the Polar Bear* William Ian Miller,2008 Auduna TM s Story tells of an Icelandic farmhand who buys a polar bear in Greenland and gives it to the Danish king It is a subtle tale of complex social action worthy of the fine anthropological writing on gift exchange its treatment of face to face interaction a match for Erving Goffman

Gifts and Interests Antoon Vandevelde,2000 According to a common understanding of economics economists attempt to understand and explain societal reality in the light of individual self interest For them a gift is no exception to this except for the slight and misleading veil of altruism which covers a purely egoistic motivation On the other hand theologians philosophers and ethicists use a more normative concept of man Man realises his best potential through deeds of selfless sacrifice that remain unknown to everyone In reality however people are either entirely egoistic nor altruistic Marcel Mauss model of the gift is interesting because it seems to escape the classical or rather modern egoism altruism dichotomy Gifts are not primarily motivated by the well being of myself or the other but rather by the desire to bring about or maintain a certain kind of social relation between giver and receiver Altruistic as well as egoistic motivations are an integral part of that relation The role of gifts in the constitution of social relations and social cohesion explains why most kinds of gifts are reciprocal and even obligatory In this book anthropologists sociologists and economists as well as philosophers focus on the question of the relevance of Mauss work on the gift for the understanding of actual social phenomena

Rereading Romans from the Perspective of Paul's Gospel Yung Suk Kim,2019-07-02 Paul did not write a systematic theology or specific church doctrines when he wrote Romans His audience was Roman Christians and his last will was to preach the gospel to all especially gentiles in Spain Through this letter Paul wants to pave the way for a visit to Rome and expects their support on his mission trip to Spain The question is this What kind of the gospel does he want to share with them Traditionally the letter has been read from the perspective of forensic salvation that an individual justification occurs once and for all by faith in Christ This view remains with the so called New Perspective on Paul and Christ s faithfulness has not been explored Rereading the letter with a renewed concept of the good news in the letter this book challenges the traditional reading of Romans and explores Paul s threefold gospel that features the gospel that is God centered Christ exemplified and Christian imitated His main concern is how gentiles can become children of God as well as how Jews may live faithfully in Christ In Romans the good news is the power of God for salvation to everyone who has faith It is not a set of

knowledge about God or Jesus Paul is eager to share this gospel of faith with the Roman Christians and to correct some misunderstandings about him since his gospel is viewed as anti Jewish or antinomian Universalism Confounds and Destroys Itself Josiah Spalding,1805 **Romans-Revelation** Adam Clarke,1854 *The Works* William Warburton,Richard Hurd,1811 **Analytical Exposition of Paul the Apostle to the Romans** John Brown,2003-04-25 The Wesleyan-Methodist Magazine ,1825 *The life of the author. The divine legation of Moses demonstrated* William Warburton,1811 **The Essential Evangelical Parallel Bible** John R. Kohlenberger (III),2004 The Essential Evangelical Parallel Bible enables readers to easily compare the texts of a quarter of modern translations that span the full range of scholarly approaches to the ancient text **Feast Days for the Contemporary Mind** Craig Martin Barnes,2014-04-07 Thy way O God is in the sanctuary who is so great a God as our God Psalm 77 13 If you think the Old Testament feast days are outdated and of no interest to Christians living in the twenty first century think again Within the feast days lies the entire gospel message of salvation every feast says something about Jesus who He is what He is doing and what He will do in the future Feast Days for the Contemporary Mind will open your eyes to the amazing truths about salvation that God wove into the feasts He gave to the Israelites to observe Pastor Craig Martin Barnes explores each of the seven feasts and the antitypical fulfillment of each event as it relates to our redemption This book plunges you into the Word of God examining the Old and New Testament as it relates to the feast days and their completion and providing detailed commentary that expounds upon the subject matter and guides you to a deeper understanding of Jesus life death and heavenly ministry *Before the God in this Place for Good Remembrance* Anne Katrine de Hemmer Gudme,2013-05-28 This monograph is an investigation of Yahwistic votive practice during the Hellenistic period The dedicatory inscriptions from the Yahweh temple on Mount Gerizim are analyzed in light of votive practice in Biblical literature and in general on the basis of a thorough terminological and theoretical discussion A special focus is laid on remembrance formulae which request the deity to remember the worshipper in return for a gift These formulae cannot only be found at Gerizim but also in other Semitic dedicatory inscriptions Therefore these texts are interpreted in their broader cultural context placed within a broad religious practice of dedicating gifts to the gods and leaving inscriptions in sanctuaries Finally the aspect of divine remembrance in the Hebrew Bible is explored and related to the materiality of the votive inscription The research concludes that there is a perception of the divine behind this practice on Mount Gerizim that ties together the aspects of gift remembrance and material presence This theology is echoed both in similar Semitic dedicatory inscriptions and in the Hebrew Bible
