Health Care for People with Intellectual and Developmental Disabilities across the Lifespan I. Leslie Rubin, Joav Merrick, Donald E. Greydanus, Dilip R. Patel, 2016-04-25 This book provides a broad overview of quality health care for people with intellectual and developmental disabilities IDD It focuses on providing the reader a practical approach to dealing with the health and well being of people with IDD in general terms as well as in dealing with specific conditions In addition it offers the reader a perspective from many different points of view in the health care delivery system as well as in different parts of the world This is the 3rd and much expanded edition of a text that was first published in 1989 Lea and Fibiger The second edition was published in 2006 Paul Brookes and has been used as a formal required text in training programs for physicians nurses and nurse practitioners as well as by administrators who are responsible for programs serving people with IDD This book is considered the Bible in the field of health care for people with IDD since 1989 when the first edition came out *Hospitality Retail Management* Conrad Lashley, 2009-11-03 Hospitality Retail Management provides students and managers with a practical guide to managing units in hospitality retail organizations Customers rely on a particular chain of hotels restaurants or pubs to provide the same level of service and environment across the board This standardised service provides the customer with the security of knowing what to expect from that particular organisation However this standardisation allows little room for creativity for individual managers to respond to the particular needs of their local market There is a growing realisation that there is greater profitability if the chain can offer both standardised services across all its retail operations while at the same time allowing local managers the freedom to interpret the needs of its local

market as they see fit Hospitality Retail Management shows managers and students how competitive advantage can be gained by adopting management techniques which are both tight and loose and demonstrates how you can manage businesses with well defined objectives while also allowing local managers to interpret their local market as they see fit Conrad Lashley has done extensive consultancy with companies such as McDonalds and uses case studies from these companies to reiterate key issues throughout the text

Sourcebook of the Structures and Styles in John 1-10

Sang-Hoon Kim, 2014-07-03 No other book in the New Testament compares to John in its complexity of style and structure So many factors confuse Johannine scholars including the complexity of styles repetition duplication and seemingly distracted structures that are difficult to discern Sourcebook of the Structures and Styles in John 1-10 is designed to scrutinize the structures and styles in John 1-10 reading John according to John's way with the following integrated points of view First this reading is indebted to both diachronic and synchronic approaches Second macro structure and micro style are treated together and interactively Third specific and overall analyses are made together Fourth grammatical and relational considerations are brought together Fifth syntactic semantic and pragmatic relations are considered all together Sixth both parallelisms and chiasms including their variations are examined whether in macro structure or in micro style without excluding either Seventh all types of parallelisms and chiasms are examined whether simple or complex Eighth ancient and modern ways in writing reading processes complement each other Ninth Western and Eastern perspectives become complementary Tenth the Greek text and its English version by the author are used interactively Eleventh analysis and discussion are brought to complement one another
