Sixty Days with Luke: Larry Althouse, Valere Althouse, Bishop John Wesley Hardt, 2010-11-23 The purpose of this book is to help the reader to spend sixty rewarding days in the Third Gospel following a schedule of readings taking the reader through Lukes 24 chapters All too often the Gospels are experienced in bits and pieces This book will expose the reader to the whole Gospel of Luke providing a fuller sense of the scope and continuity of this marvelous tract of faith The daily interpretations are intended not as exhaustive expositions of all that is intended by the various passages but as meditations suggestive of contemplation musing pondering reflection study or thought With each days reading and meditation there is a daily suggestion of a thought to ponder and prime the pump of the readers own mind and heart Stimulated by these thoughts and questions readers may find the Holy Spirit leading them to what is important and relevant for their own lives Each day ends with a prayer starter intended to suggest the direction in which the readers own prayers might be directed No Amen is added because they are intended to be open ended for the reader to complete The study and prayer sections are equally important

On the Way James J. Rawls, 2018-05-29

On the Way is a book of reflections on one man s journey of faith Its origins lie in the universal longing of humankind for something beyond ourselves for something once present that has diminished with the passing of time This presence now is sensed only fleetingly yet the longing persists The title of the book has a double meaning On the Way refers to the journey of faith our lifelong pilgrimage from God and to God But it also points to the one who leads us on this journey the one who says I am the way and the truth and the life On the Way is a collection of one hundred devotional readings reminiscent of Spurgeon s classic Morning and Evening Daily Readings and the Benedictine Lectio Divina It is intended to stir within the reader some forward movement in their own journey of faith What people are saying about On the Way James J Rawls draws on wisdom from across the ages Here he shares his ongoing conversation with these many voices within the framework of a deep personal and practical faith This book is a great gift and blessing The Rt Rev Barry L Beisner VII Bishop of the Episcopal Diocese of Northern California This is a wonderful book beautifully written insightful and filled with wisdom and warmth Gil Bailie founder of The Cornerstone Forum and author of God s Gamble The Gravitational Power of Crucified Love

2016 James Rawls has a capacity for clarity of thought and graceful articulation that the reader will find fully present in these meditations Savor consume and digest them Repeat again and again The Rev L Ann Hallisey D Min Professional Coach and Organization Consultant former Dean of Students Church Divinity School of the Pacific Berkeley *Rhythms of Our Hearts* Valere Althouse, Larry Althouse, 2010-11-10 *Rhythms of Our Hearts* offers a collection of personal and intimate poems that celebrate life and love From birth we learn how to cope with daily milestones and trials faced with death we rejoice in the life and love that bind family and friends Titled with the name of Hoovers father Rhys in mind this compilation of poems reflects upon what life has to offer in both good times and trying times Most of all it focuses on the staple of our lives love *Rhythms of Our Hearts* offers a tribute to the people among Hoovers friends and family known as they are all intricately woven into her life Loving Memories Together we will always be Together for eternity Our paths shall remain destiny Our love exceeds the galaxy Well connect spiritually Well remain by your side daily Keep in your heart your family Keep us all in your memory Treasure all thatll make you happy Because you will always be our Daddy All my love from your daughter Michelle *God Is Not Like That* Diana Spencer, 2009-09-01 *God is Not Like That* challenges all Christians to think seriously about how the misunderstandings of the past are currently affecting Christianity worldwide The work of the Reformation was never finished because the various factions involved split apart from each other without finding any common resolution to the problems facing the medieval church The conclusions reached in *God is Not Like That* have been formulated after years of deliberation in an effort to stimulate thought and discussion among all denominations of Christianity today Many problems that stem from these unresolved issues have been inherited by all denominations for example the author believes that the Athanasian Creed while right in its original intent has been misunderstood by everyone for many centuries This has been compounded by the fact that for many years there have been growing doubts about the divinity of Christ and the doctrine of the Trinity even among scholars and teachers making it difficult for them to explain and defend the faith to an increasingly skeptical world Meanwhile its vocal critics do not realize that many of the ideas that they are challenging stem from mistaken assumptions from the past not with the faith itself it is urgent that these issues be examined and the distortions resolved Diana Spencer is a retired Anglican priest although the views expressed in this book are her own It was written in the hope that all denominations of Christianity would think about and discuss the issues raised Born in England in 1935 she came to Canada at the age of twenty one is widowed and living in Victoria *An Issue of Relevance* Grant LeMarquand, 2004 As the center of the Christian world has migrated south especially into Sub Saharan Africa a growing and dynamic African biblical scholarship has emerged Prominent among the texts that have grabbed the interest of African biblical scholars is the gospel story of the woman with the flow of blood Mark 5 25 34 Matthew 9 20 22 Luke 8 43 48 This book compares traditional North Atlantic scholarship on this gospel story with the new insights of African biblical studies in order to test the contention that these two versions of biblical scholarship are substantially different In particular this book argues that scholarships in the

North Atlantic and African worlds differ in their conceptions of the goal of exegesis For African scholars practical hermeneutical concerns are considered central to the exegetical task

Exploring the Financial Parables of Jesus Keith Bodner,2025-09-09 Storytelling is a powerful and effective means of communication a truth Jesus knew and used to great advantage in his parables Many of the plots in these parables involve financial matters They teach about God s perspective on money resources and their use but further they teach profound spiritual truths about the kingdom of God This kingdom operates according to a different kind of economy wherein relationships love and serving others take precedence over accumulating wealth and possessions Taken together the parables examined in this book paint a picture of divine generosity and grace in both the financial and spiritual realms This in turn challenges readers to reexamine their priorities and how money and possessions can be used for the kingdom The author brings his expertise in literature and biblical studies to bear in a fresh examination of the nature of parables and their interpretation in general and of a number of Jesus s prominent parables with financial themes all with an eye toward contemporary application He does so without scholarly jargon making this accessible book ideal for both undergraduate courses on the Gospels and for church leaders and groups

Jesus Was a Liberal Scotty McLennan,2025-03-14 For the millions of people who identify as liberal Christians In McLennan s bold call to reclaim ownership of Christianity he advocates a sense of religion based not on doctrinal readings of scripture but on the humanity behind Christ s teachings He addresses such topics as intelligent design abortion same sex marriage war torture and much much more As he says in the Preface We liberal Christians know in our hearts that there is much more to life than seems to meet the rational eye of atheists yet we find it hard to support supernatural claims about religion that fly in the face of scientific evidence

The Watchman-examiner ,1954

The New Testament in Color Esau McCaulley,Janette H. Ok,Osvaldo Padilla,Amy L. B. Peeler,2024-08-06 In this one volume commentary a multiethnic team of scholars holding orthodox Christian beliefs brings exegetical expertise coupled with a unique interpretive lens to illuminate the ways social location and biblical interpretation work together These diverse scholars offer a better vantage point for both the academy and the church

Plugged-In to the Dynamic Word Larry Grabill,2012-06-21 We know that the Word of God is living and powerful with the potential to dramatically impact the heart for God The passages of the Bible enlighten and enliven us but most of us have a limited view of how the parts of the Word relate to each other What if we could have a comprehensive grasp of the whole of Scripture so that we could see the big picture What if we could see the whole illuminated by the truths that bind the parts as one book Plugged in to the Dynamic Word familiarizes us with the thought form and allows us to see the parts of the Bible as a united message In this experience we can subject our hearts to the collective impact of the Word be more in touch with Gods basic thoughts and draw closer to the heart of God A builder could introduce the parts of a house to a totally uninformed person who could admire the straightness of the stud the massiveness of the floor joist the structure of the truss rafter and so on But only when he sees that each part is intended to connect to the other parts to form a house

can he fully appreciate their value and joyfully look forward to having a home from the parts he originally admired Plugged in to the Dynamic Word shows the orderly connectivity of the parts of the Bible to portray a whole spiritual house of Gods truth and grace housing His people <http://youtu.be/Ih5UBq174g> **NEW TESTAMENT CONTEXTUAL COMMENTARY** Dr.

Robert R. Seyda,2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One *Jesus and YHWH-Texts in the Synoptic Gospels* Scott Brazil,2024-02-21

Scott Brazil examines the frequent practice of applying Old Testament YHWH texts to Jesus in the Synoptic Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that understanding the prolific application of OT YHWH texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology **He Said What?!**
