Interrupted Journeys:

The Interrupted Journey John Fuller, 2022-05-10 TWO LOST HOURS ABOARD A UFO THE ABDUCTION OF BETTY AND BARNEY HILL One of the most extraordinary UFO tales of our time a thrilling otherworldly and wildly entertaining adventure that enraptured America and stands as the quintessential extraterrestrial encounter True believers will see this as further evidence of the reality of UFOs The New York Times On a summer night in 1961 Betty and Barney Hill were driving home through New Hampshire when a bright object appeared in the sky and began following them When the couple finally pulled over to get a better look the object vanished before their eyes With nothing else to do Betty and Barney returned to their car and kept driving into the night The encounter left them rattled but what came next was even more arresting the following day the Hills realized they couldn't remember anything from almost two hours of their drive Time itself had disappeared so the couple began looking for help hoping to uncover what happened that mysterious night Captivating and unputdownable The Interrupted Journey is the complete story of those missing hours and the Hills' nearly identical accounts as revealed to doctors under psychotherapy and hypnosis It stands as one of the most extraordinary UFO tales of our time Thrilling otherworldly and wildly entertaining The Interrupted Journey is an adventure that enraptured America and stands as the quintessential extraterrestrial encounter

Displacements Angelika Bammer, 1994-12-22 Cultural displacement physical dislocation from one's native culture or the colonizing imposition of a foreign culture is one of the most formative experiences of our century These essays examine the impact of this experience on contemporary notions of cultural identity from the perspectives of anthropology history philosophy literature and psychology

They Know Us Better Than We Know Ourselves Bridget Brown, 2007-08 Publisher description

Microtravel Charles Forsdick, Zoë Kinsley, Kate Walchester, 2024-06-04 The 2020 COVID 19 pandemic imposed immobility on large sectors of the world's population with confinement becoming an everyday reality The lives of those who previously enjoyed the privileges of being fast-castes ground to a halt while at the same time the displacement of more vulnerable populations along well-established migration corridors has been radically reduced The result has been a recalibration of the scale of journeying with travellers slowing down their journeys and readjusting their relationship to the proximate and nearby This situation has provided an opportunity for those who study travel and travel writing to rethink their objects of study and approaches to them This volume explores and historicizes the phenomenon of microtravel designating slower journeys within a limited radius which allow and sometimes necessitate new forms of experiencing the world

Poetry and Mindfulness Bryan Walpert, 2017-11-01 At a time when the Humanities are under threat this book offers a defense of poetry within the context of growing interest in mindfulness in business health care and education The book argues that the benefits and insights mindfulness provides are also cultivated by the study of poetry These benefits include a focus on the present the ability to see through scripts and habits a rethinking of subjectivity and the development of ecological or systems thinking Bryan Walpert

employs close readings of traditional and experimental poetry and draws on scientific studies of the effects of mindfulness or reading literature on the brain It argues the skills that poetry like mindfulness cultivates are useful beyond the page or classroom and ultimately are necessary to engage with such global issues as the environmental crisis **Cognitive**

Linguistics Gitte Kristiansen, Michel Achard, René Dirven, Francisco J. Ruiz de Mendoza Ibáñez, 2008-08-22 Cognitive Linguistics Current Applications and Future Perspectives is an up to date survey of recent research in Cognitive Linguistics and its applications by prominent researchers The volume brings together generally accessible syntheses and special studies of Cognitive Linguistics strands in a sizable format and is thus an asset not only to the Cognitive Linguistics community but also to neighbouring disciplines and linguists in general The volume covers a wide range of fields and combines wide accessibility with a highly specific information value Key features An excellent source for the study of Applied Cognitive Linguistics one of the most popular and fastest growing areas in Linguistics Authoritative and detailed survey articles by leading scholars in the field Accessible to a general audience yet also characterized by a highly specific information value

Making and Rethinking the Renaissance Giancarlo Abbamonte, Stephen Harrison, 2019-06-04 The purpose of this volume is to investigate the crucial role played by the return of knowledge of Greek in the transformation of European culture both through the translation of texts and through the direct study of the language It aims to collect and organize in one database all the digitalised versions of the first editions of Greek grammars lexica and school texts available in Europe in the 14th and 15th centuries between two crucial dates the start of Chrysoloras's teaching in Florence c 1397 and the end of the activity of Aldo Manuzio and Andrea Asolano in Venice c 1529 This is the first step in a major investigation into the knowledge of Greek and its dissemination in Western Europe the selection of the texts and the first milestones in teaching methods were put together in that period through the work of scholars like Chrysoloras Guarino and many others A remarkable role was played also by the men involved in the Council of Ferrara 1438-39 where there was a large circulation of Greek books and ideas About ten years later Giovanni Tortelli together with Pope Nicholas V took the first steps in founding the Vatican Library Research into the return of the knowledge of Greek to Western Europe has suffered for a long time from the lack of intersection of skills and fields of research to fully understand this phenomenon one has to go back a very long way through the tradition of the texts and their reception in contexts as different as the Middle Ages and the beginning of Renaissance humanism However over the past thirty years scholars have demonstrated the crucial role played by the return of knowledge of Greek in the transformation of European culture both through the translation of texts and through the direct study of the language In addition the actual translations from Greek into Latin remain poorly studied and a clear understanding of the intellectual and cultural contexts that produced them is lacking In the Middle Ages the knowledge of Greek was limited to isolated areas that had no reciprocal links As had happened to many Latin authors all Greek literature was rather neglected perhaps because a number of philosophical texts had already been available in translation from the

seventh century AD or because of a sense of mistrust due to their ethnic and religious differences Between the 12th and 14th century AD a change is perceptible the sharp decrease in Greek texts and knowledge in the South of Italy once a reference point for this kind of study was perhaps an important reason prompting Italian humanists to go and study Greek in Constantinople Over the past thirty years it has become evident to scholars that humanism through the re appreciation of classical antiquity created a bridge to the modern era which also includes the Middle Ages The criticism by the humanists of medieval authors did not prevent them from using a number of tools that the Middle Ages had developed or synthesized glossaries epitomes dictionaries encyclopaedias translations commentaries At present one thing that is missing however is a systematic study of the tools used for the study of Greek between the 15th and 16th century this is truly important because in the following centuries Greek culture provided the basis of European thought in all the most important fields of knowledge This volume seeks to supply that gap Contemporary Political Cinema Matthew Holtmeier,2019-01-03 The political films that have emerged on the global film festival circuit since the 1990s mark a shift in cinematic strategies for critically addressing dominant militant or otherwise repressive ideologies From a focus on the representation of oppression in films like The Battle of Algiers films such as Timbuktu Nobody Knows About Persian Cats and Chop Shop now contribute to the active formation of political characters and viewers a form not fully realized until the 21st century due to shifts in information technologies and resulting political organization This book demonstrates that a contemporary form of political cinema has emerged centered on the production of subjectivity and networks of protest which depicts the active formation of political identities that resonates with off screen protest movements **The Unidentified** Colin Dickey,2021-07-20 America s favorite cultural historian and author of Ghostland takes a thought provoking and deliciously unsettling Publisher s Weekly tour of the country s most persistent unexplained phenomena In a world where rational scientific explanations are more available than ever belief in the unprovable and irrational in fringe is on the rise from Atlantis to aliens from Flat Earth to the Loch Ness monster the list goes on It seems the more our maps of the known world get filled in the more we crave mysterious locations full of strange creatures Enter Colin Dickey Cultural Historian and Tour Guide of the Weird With the same curiosity and insight that made Ghostland a hit with readers and critics Colin looks at what all fringe beliefs have in common explaining that today s Illuminati is yesterday s Flat Earth the attempt to find meaning in a world stripped of wonder Dickey visits the wacky sites of America s wildest fringe beliefs from the famed Mount Shasta where the ancient race or extra terrestrials or possibly both depending on who you ask called Lemurians are said to roam to the museum containing the last remaining evidence of the great Kentucky Meat Shower investigating how these theories come about why they take hold and why as Americans we keep inventing and re inventing them decade after decade The Unidentified is Colin Dickey at his best curious wry brilliant in his analysis yet eminently readable Stegner Wallace Stegner,Richard W. Etulain,2012-06-01 Wallace Stegner a major American novelist and conservationist is interviewed by Etulain a renowned Western scholar in a

series of discussions Originally published in 1983 and entitled Conversations with Wallace Stegner on Western History and Literature this book is the ultimate Stegner interview New foreword by Stewart Udall **Body of Vision** Michael Sinding,2014-02-05 In *Body of Vision* Michael Sinding connects Northrop Frye's groundbreaking contributions to our understanding of the human imagination with cognitive poetics the cutting edge school of literary criticism that applies the principles of cognitive science to the interpretation of literary texts and contexts Sinding undertakes this task through analyses of the interplay of metaphoric and narrative schemas in several forms of cultural mythology Sinding identifies the profound connections between cognitive views of language literature and culture and Frye's views by exploring three related aspects of Frye's work meaning and thought culture and society and literary history He investigates these connections through detailed studies of major cultural texts including Dante's *Divine Comedy* Hobbes' *Leviathan* Rousseau's *Social Contract* and Milton's *Lycidas* By linking Frye's classic studies to exciting recent approaches in the humanities and the cognitive revolution of the past few decades *Body of Vision* casts Frye's achievements in a fascinating new light *Instant Insights: Ensuring animal welfare during transport and slaughter* Prof Jan Shearer,Carmen Gallo,Ana Strappini,Dr Luigi Faucitano,Dr Antonio Velarde,Dr Dorothy McKeegan,Dr Jessica Martin,Prof. Paul H. Hemsworth,E. C. Jongman,2021-11-16 This collection features five peer reviewed literature reviews on ensuring animal welfare during transport and slaughter The first chapter examines the impact of transport on beef and dairy cattle as well as the effects of transport on carcass quality issues such as bruising and dark cutting beef It details how conditions can be optimised to ensure the welfare needs of the animal are met during all stages of transport The second chapter reviews the legislation and codes of practice surrounding the transport and slaughter of cows to be culled as a result of disease or the development of health conditions such as lameness The third chapter considers the effects of transport handling and slaughter practices on pigs as well as physiological effects on carcass and meat quality The fourth chapter explores current approaches used to stun poultry before slaughter including electrical stunning and controlled atmosphere stunning The chapter reviews the associated risks and benefits of each approach to overall bird health and welfare The final chapter reviews the main welfare issues associated with management of sheep once they leave the farm including transport by road and sea use of holding facilities as well as handling and stunning of sheep at abattoirs *Journey to the Fatherless* Lawrence E. Bergeron,2012-02 The *Journey* will challenge you to find the kind of life you have always wanted to discover Tom Davis President of Children's Hope Chest and author of *Fields of the Fatherless* Scared and Priceless The global orphan crisis is too serious to ignore the biblical call is to plain to miss I'm thrilled to see *Journey to the Fatherless* Tony Merida author of *Orphanology* and Lead Pastor Imago Dei Church and Associate Professor of Preaching Southeastern Baptist Theological Seminary The *Journey* will move a church from thinking to action in responding to the needs of fatherless children Jayne Schooler author of *Wounded Hearts Healing Homes* and *The Whole Life Adoption Book* The *Journey to the Fatherless* is life changing Paparao Yeluchuri President

Missions to the Nations India DOES THE CHURCH CARE FOR THE WORLD S CHILDREN The evidence on display tells a troubling story with an ever increasing number of orphans in the world kids aging out of foster care AIDS babies in Africa and toddlers in Haiti whose hair has turned orange from severe protein deficiencies What makes this situation especially tragic is that given our wealth talent and resources the Church can be a powerful agent of change and we have the biblical mandate to do so Do Christians have a responsibility to intercede for and sacrifice their resources for vulnerable children What happens to the Church when we do And when we don t How do we begin The Journey to the Fatherless is written by a former agnostic corporate executive and inventor who was chased down by the Hound of Heaven God then took him to the fields of the fatherless so he could experience what breaks the heart of God What he discovered in serving the least of these has been captured for the Church to use to prepare others for their journey The Journey takes the reader beyond Fields of the Fatherless and The Hole in Our Gospel into a deeper understanding of the problem and the biblical call to action The Forgotten Kindertransportees Frances Williams,2014-02-25 The Forgotten Kindertransportees offers a compelling new exploration of the Kindertransport episode in Britain The Kindertransport brought close to 10 000 unaccompanied children and young people to Britain on a trans migrant basis between 1938 and 1939 with an estimated 70% of these children being of the Jewish faith The outbreak of the Second World War turned this short term initiative into a longer term episode and Britain became home to the thousands that had been forced to migrate across the continent to flee the Nazis and the tragic Holocaust that would take place This book re evaluates and challenges misconceptions about the Kindertransportees experiences in Britain misconceptions that currently pervade Kindertransport scholarship It focuses on the particularity of the Scottish experience scrutinising misleading national pictures which have dominated existing literature and excluded this important part of the Kindertransport episode An estimated 8% of Kindertransportees were cared for in Scotland for the duration of the war years and this book demonstrates how national agendas were put into practice in a region that was far removed from the administrative and bureaucratic hub of London The Forgotten Kindertransportees provides original interpretations as it considers a number of important aspects of the Kindertransportees experiences in Scotland including those of a social political and religious nature This includes an examination of Scotland s philanthropic welfare solutions for the dependent trans migrant minor the role of Zionism and the impact of Scottish Jewry s particular approach to Judaism and a Jewish lifestyle upon broader life stories of Kindertransportees Using a vast body of new research material Frances Williams provides a fascinating and detailed examination of the Kindertransport that is region specific and one that is all the more important because of its specificity This is an important text for anyone interested in the Holocaust and the social history of those involved **Cape Monthly Magazine** ,1873 The Cape Monthly Magazine ,1873 *The Aesthetics of Island Space* Johannes Riquet,2019 This volume studies the spatial poetics of islands as depicted in literature the journals of explorers and scientists and in film It shows how voyages of discovery posed challenges to the experience of space and how

such challenges were negotiated via poetic engagement with islands *Shooting Trips in Europe and Algeria* Hugh Percy Highton, 1921 **Captured by Aliens?** Nigel Watson, 2020-05-22 New Hampshire couple Betty and Barney Hill provided Americans with what is essentially the original alien abduction story Since their story became public in the early 1960s many thousands of Americans have likewise come forward with similar stories of traumatic experiences Sometimes the abductee has little conscious recollection of these events but through nightmares dreams flashbacks and hypnosis they eventually learn more Sometimes the participants are bewildered To get a better understanding of the opposing viewpoints of skeptic and believer the Betty and Barney Hill case is used to examine the wider context of such encounters their historical origins media influences and the latest extraterrestrial psychological paranormal conspiracy and sociological theories that surround them Blue Book Library Edition Volume 1 James Tynion IV, 2025-07-08 From the New York Times bestseller and multi Eisner award winner James Tynion IV *Something is Killing the Children* *The Nice House on the Lake* *The Department of Truth* and Eisner award winning Michael Avon Oeming Powers B P R D *Judge Dredd* comes this ambitious non fiction comic book experience depicting true stories of UFO abductions with an eye to capturing the strange essence of those encounters in a deluxe oversized hardcover format James Tynion IV presents what he calls his True Weird stories *Tales of ordinary people encountering the strange and the impossible* Teaming with artist Michael Avon Oeming and letterer Aditya Bidikar they retell some of the most popular UFO and alien encounter accounts starting with two infamous cases First the Betty and Barney Hill abduction the widely publicized and very first abduction that went on to shape and influence all future encounter stories Second we follow pilot Kenneth Arnold who flew his Call Air A 2 over the skies of the Pacific Northwest and encountered otherworldly blinding flashes of silver light that would change the course of his life forever Collects the first two arcs of Blue Book in a deluxe oversized library edition format Tiny Onion Studios and Dark Horse Comics present a line of upcoming creator owned work from the mind of James Tynion IV across a broad spectrum of his interests from non fiction supernatural encounters to high concept coming of age monster comics

Interrupted Journeys: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Interrupted Journeys : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Interrupted Journeys : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
