

Summary: The Intertestamental Period Paves the Way for the World of the New Testament

- Rise of Jewish messianism: the expectation that God would send a righteous Davidic king and/or a priest anointed to redeem Israel from foreign oppression and internal corruption.
- The Greek language: the empires of Alexander and his heirs established Greek as the common language of commerce, diplomacy, and scholarship.
- The Roman system of roads and shipping lanes allowed people to travel with relative safety.
- Synagogues: arose as an important institution in Jewish communities in Palestine and the diaspora. "God-fearers" also attended.
- * The Christian message was able to spread quickly from Palestine to the far reaches of the Roman empire and beyond!

Intertestamental Literature:

The Book of Enoch Or I Enoch Matthew Black, James C. VanderKam, 1985 Jesus, the King and His Kingdom George Wesley Buchanan, 1984 *The Hermeneutical Spiral* Grant R. Osborne, 1991-01-01 Recipient of a Christianity Today 1993 Critics Choice Award In this comprehensive and up to date volume Grant R Osborne provides seminary students and working pastors with the full set of tools they need to move from sound exegesis to the development of biblical and systematic theologies and to the preparation of sound biblical sermons Osborne contends that hermeneutics is a spiral from text to context a movement between the horizon of the text and the horizon of the reader that spirals nearer and nearer toward the intended meaning of the text and its significance for today He develops his thesis in each of three sections the first covering general hermeneutics grammar semantics syntax backgrounds the second covering hermeneutics and genre and the third covering applied hermeneutics Along the way he offers assessments of recent developments from redaction criticism to reader response criticism In two appendixes he also addresses the contemporary philosophical challenges to fixed meanings in texts and discusses the implications of this debate for biblical authority Covering the wide spectrum from exegesis to sermon preparation Osborne s up to date and comprehensive text should prove to be the standard evangelical work in the field for years to come **Beyond the Essene Hypothesis** Gabriele Boccaccini, 1998-03-30 Convincingly argued this work will surely spark fresh debate in the discussion on the Qumran community and the famous Dead Sea Scrolls

Intertestamental Literature Martin MacNamara, 1983 **Between Text and Community** Donn F. Morgan, 2006-12-01 This book represents the best sustained effort to focus on the Writings of the Hebrew Bible as part of the Jewish canon His thesis that the Writings reflect dialogues between various and disparate Jewish communities and the texts of the Torah and the Prophets deserves serious attention and debate He rightly focuses on the needs of those communities and the hermeneutics by which they read Torah and Prophets in order to address those needs **Backgrounds of Early Christianity** Everett Ferguson, 2003 New to this expanded updated edition are revisions of Ferguson s original material updated bibliographies a fresh discussion of first century social life the Dead Sea Scrolls much else The Old and New Testaments James H. Charlesworth, Walter P. Weaver, 1993 The question of the relationship between the testaments is not new but changing circumstances have forced its reconsideration Here prominent scholars address issues such as the need for the continued use of the Old Testament by the Christian community and the similarities between Jews and Christians Contributions from John J Carey Frank Johnson Bernard Anderson and the editors **New Testament Among the Writings of Antiquity** Detlev Dormeyer, 1998-07-01 In this useful work Dormeyer assesses the influence of Hellenistic culture upon the New Testament as a literary work There is no denying the impact of Jewish literature upon the New Testament but even those Jewish antecedents were themselves not infrequently imprinted with Hellenistic characteristics Dormeyer s method is to consider in turn the literary forms Gattungen of the New Testament outlining with many examples

the parallels between the New Testament and Hellenistic literature The Synoptic sayings for instance are closest in character to the Hellenistic gnome though the representation of Jesus as an eschatological and prophetic wisdom teacher shows a marked difference from other teachers of wisdom in Hellenistic circles Other areas of close correspondence with Hellenistic literature lie in the form and rhetoric of the New Testament epistles and in the structure of the Gospels which invoke the canons of Hellenistic historiography and biography Throughout Dormeyer is at pains to stress the contours of the special quality of the New Testament literature as the product of a quite small community that nevertheless brought into being a number of authors of exceptional talent The Royal Priest Matthew H. Emadi, 2022-11-29 Despite its importance in the New Testament relatively little has been written about Psalm 110 By considering how David brought together priesthood and kingship in a single figure Matthew Emadi uncovers the theological foundations of Psalm 110 showing that Melchizedek s royal priesthood is tied to both creation and redemption *Spirit and Kingdom in the Writings of Luke and Paul* Youngmo Cho, 2007-01-01 The relationship between Spirit and Kingdom is a relatively unexplored area in Lukan or Pauline studies This book offers a fresh perspective of two different biblical writers on the subject It explores the difference between Luke and Paul s understanding of the Spirit by examining the specific question of the relationship of the concept of the Spirit to the concept of the Kingdom of God in each writer **Homosexuality (DeYoung)** James B. DeYoung, 2000 Did past societies condone homosexuality This thorough study answers those who revise the message of Scripture by using the Bible Jewish literature and information from ancient cultures It provides the knowledge necessary to respond with confidence compassion and honesty to demands that Christians accept active homosexuality The Jerusalem Tradition in the Late Second Temple Period Heerak Christian Kim, 2007 The Late Second Temple Period c 200 BC to 70 AD was a period of intense social changes for the Jewish people During this period the Jewish people experienced a Syrian king defiling the Jerusalem Temple the Maccabean Revolt the celebration of Hanukkah the establishment of a competing Jewish temple in Egypt and the destruction of the Jerusalem Temple During this time Jews spread out all over the Diaspora The turmoil and the lack of visible cohesion have led many scholars to argue that there was no Jewish unity and no distinguishable Jewish identity in this time period This book argues against this trend in academia and posits that a strong Jerusalem tradition unified the Jewish people Book jacket Determinism and Petitionary Prayer in John and the Dead Sea Scrolls Emmanuel O. Tukasi, 2008-07-08 Tukasi explores the theme of the determinism as articulated in the Rule of the Community and the Fourth Gospel with the aim of uncovering the relevance of petitionary prayer within the framework of the determinism of each book Chapter one sets out the background against which the themes of determinism and petition in 1QS and John should be understood Chapter two explores the nature of the determinism in the 1QS The determinism is cosmological soteriological and eschatological Chapter three demonstrates that the contents of the petitions are in harmony with the determinism articulated in 1QS In our study of the Fourth Gospel chapter four demonstrates that the determinism in John is concerned with the predestination of certain

people who are designated as the given ones of the Father It also shows that the determinism of the Fourth Gospel is concerned with the mission of the Son Chapter five analyzes the petitions in John against the background of Johannine determinism It argues that the petitions are shaped by the determinism articulated in the text The conclusion sums up the similarities and differences between John and 1QS in their expression of determinism and petitionary prayer and draws attention to the implications on previous and future scholarship on the relationship between John and the Scrolls

The Messianic Kingship of Jesus Sungho Choi, 2011-10-03 Identification of the Royal Psalms by Herman Gunkel indicates that the history and genre of the Royal Psalms must be distinguished from the Enthronement Psalms that are written to celebrate Yahweh's Kingship from those written to celebrate Davidic kingship In reference to this Joachim Becker argues against the presence of messianic Davidic Psalms in the Old Testament and posits that the initial hope in Davidic kingship died out during the exilic period and consequently centered Israelite faith in Yahweh alone It may thus be concluded that Yahweh's Kingship effaces the place of the Davidic Messiah Against this claim The Messianic Kingship of Jesus argues that the early Christian use of Psalm quotations in particular suggest that the Royal and Enthronement Psalms were viewed as one entity which suggests that Yahweh's reign and Davidic kingship in Jewish Christian thinking were not antagonistic but mutually complementary Within the synoptic tradition Matthew's emphasis on Davidic heritage supports this notion as he applies Son of David to the Son of God and also Son of Man Therein lies paradoxical tension in the use of the old Jewish Scripture as early Christians on the one hand sought to preserve their Jewish legacy but on the other creatively employed the Old Testament to support their christological message and the divine attributes of Jesus expressed in the Gospel The entire process of quotation by Matthew generates one of the major characteristics of Judeo Christian religiosity namely the manifestation of divine redemptive activity in the history of Israel

The Abingdon Bible Commentary Frederick Carl Eiselen, Edwin Lewis, David George Downey, 1929 *Hope for the Nations* Tom Holland, 2019-02-15 I commend this well researched and well written book Congratulations to Dr Tom Holland and the publisher for this valuable and timely contribution on Romans Michael A Milton PhD Presbyterian minister Chancellor and CEO and the James M Baird Jr Chair of Pastoral Theology Reformed Theological Seminary Tom's commentary invites readers to break away from fixed ideas and journey to new places It is informed scholarly rich in exegetical insights yet easy to understand Utilizing historical and contextual hermeneutics Tom argues for a reading of Romans that is tied to the Old Testament Scriptures rooted in Isaiah is Christ centered and communally focused I highly recommend it for pilgrims seeking to know God more Lawson Murray President Scripture Union Canada 1885 Clement Road Pickering Ontario Tom Holland's study demonstrates how a deeper understanding of the Old Testament and particularly of its prophesied new exodus can illumine Paul's theology of the person and work of Christ in profound ways Here one will find scholarship that is not only solid but faithful thorough and yet accessible in short scholarship in service of the church L Michael Morales PhD Professor of Biblical Studies Greenville Presbyterian Theological

Seminary Tom Holland is Senior Research Fellow in Biblical Studies at the Wales Evangelical School of Theology He has a DipTh from Cambridge a BD from London and a PhD from the University of Wales Before entering academia he founded and pastored two churches in Hertfordshire England He has written several international acclaimed books on the Bible and teaches and preaches in Universities seminaries and churches around the world He is married to Barbara and they have three daughters and five grandchildren

The Fire That Consumes Edward William Fudge, 2012-10-25 While carefully examining the complete teaching of Scripture on the subject of Final Punishment Fudge defends the view that the destiny of the unsaved will be final destruction rather than eternal conscious torment in hell as defended by the traditional view The 3rd edition of this meticulous and compelling book takes a close look at the traditionalist critics and brings an overview of developments in the last thirty years

George W.E. Nickelsburg in Perspective George W. E. Nickelsburg, Jacob Neusner, Alan Alan Jeffery Avery-Peck, 2003 Selection of articles and excerpts by George Nickelsburg with critical responses and Nickelsburg's rejoinders

Praising God beside the Sea HaYoung Son, 2017-04-25 This study offers a creative combination of methodologies to provide grounded intertextual procedure for the apocalyptic genre with impact on understanding Revelation 15 Along with the analysis on narrative elements to prove the similarity in the scenery background and examinations of the designation and context of the songs this research reveals thematic parallels in the contents of the songs in Exodus 15 1 18 and Revelation 15 3 4 not argued fully to this point in studies of the Apocalypse These diverse analyses of the intertextuality between Exodus 15 and Revelation 15 strengthen the argument that Exodus 15 should be considered as the OT source of Revelation 15 3 4 John's elaborate deliberate skills interweaving the Exodus theme with his eschatological vision can be observed in the whole book of Revelation in the vision of the bowl judgments Revelation 15 16 in the song of Moses and the song of the Lamb Revelation 15 3 4 and even in the duality of the song's title John offers a glimpse of the readers ultimate victory in their present time and at the eschaton by reminding them of their almighty God who saved the Israelites in the Exodus journey especially at the Red Sea

Intertestamental Literature: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Intertestamental Literature : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Intertestamental Literature : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
