Intervening In Client Organizations Od Annualjain

Judd E. Hollander

Intervening In Client Organizations Od Annualjain:

Intervening in Client Organizations Conrad N. Jackson, Michael R. Manning, 1992 **Intervening in Client Organizations**, 1992 **Consultation for Organizational Change Revisited** David W. Jamieson, Robert C. Barnett, Anthony F. Buono, 2016-03-01 As a follow up to a 2010 volume on organizational change related consulting the book continues to push our thinking about the dynamics involved in consulting with change leaders and intervening in the change process Consulting for organizational change is a special type of consultation with its own complex set of conditions and needs for a broad range of skills and competencies which include distinct needs for the client consultant relationship superior consulting facilitation skills an expertise in human and organizational systems and as emphasized in the volume the masterful use of self As with our prior edited collection this volume is a joint publication in the Research in Management Consulting and Contemporary Trends in Organization Development and Change book series The dual focus is intended to reflect the importance of quality consulting for change across both the management consulting and Organization Development OD fields It follows a long history of interest in how consulting affects organization change what works and perhaps most importantly for generating theory and insight into the change process why it works The book contains fourteen chapters that frame the changing nature of the organizational change challenge explore the use of self in intervening in organizations and examine different change frameworks and perspectives sharing various reflections and personal insights into the underlying challenges of consulting to bring about organizational change Our underlying goal is to advance the theory and practice of effective organizational change consultation stimulating thinking and discussion among change practitioners and researchers so that this work and profession continue to grow and evolve ENDORSEMENT Consultation for Organization Change Revisited offers a clear map of the dominant thinking about how consultants intervene to help organizations create an alternative future It nicely answers the question of What is Organization Development It also has a memory so that you see the arc of the field over time which gives an important perspective Organization change is complicated work this book makes it clearer Peter Block Author of *Flawless Consulting* Intervening in the Client Organization, 1992
