

# Intimacy And Spectacle

**James Bennett**

## **Intimacy And Spectacle:**

**Intimacy and Spectacle** Stephen Lawrence Esquith, 1994 Focusing on the writings of John Stuart Mill and John Rawls Esquith shows how modern liberal theory represents politics as the play of spectacular images and the reasonable interchange of domesticated voices a representation that narrowly restricts the boundaries of public life excluding those who are unable to enter this political domain of clients consumers and professional policymakers By revealing this weakness Esquith hopes to move political education in a more democratic direction He uses Bakhtin's notion of speech genres to develop a critical interpretation of liberal theory's relationship to practice then draws on Emerson's ideas of power and the public intellectual to reconsider the relationship between democratic theory and political education *Spectacle* Bruce Magnusson, Zahi Zalloua, 2016-01-01 Global media and advances in technology have profoundly affected the way people experience events The essays in this volume explore the dimensions of contemporary spectacles from the Arab Spring to spectatorship in Hollywood Questioning the effects that spectacles have on their observers the authors ask Are viewers robbed of their autonomy transformed into depoliticized and passive consumers or rather are they drawn in to cohesive communities Does their participation in an event as audiences activists victims tourists and critics change and complicate the event itself *Spectacle* looks closely at the permeable boundaries between the reality and fiction of such events the methods of their construction and the implications of those methods **The Oxford Handbook of The American Musical** Raymond Knapp, Mitchell Morris, Stacy Wolf, 2013-03 This text presents keywords and critical terms that deepen analysis and interpretation of the musical Taking into account issues of composition performance and reception the book's contributors bring a range of practical and theoretical perspectives to bear on their considerations of American musicals **Media and Performance in the Musical** Raymond Knapp, Mitchell Morris, Stacy Wolf, 2018-09-04 For the past several years the American musical has continued to thrive by reflecting and shaping cultural values and social norms and even commenting on politics whether directly and on a national scale *Hamilton* or somewhat more obliquely and on a more intimate scale *Fun Home* New stage musicals such as *Come from Away* and *The Band's Visit* open on Broadway every season challenging conventions of form and content and revivals offer audiences a different perspective on extant shows *Carousel* *My Fair Lady* Television musicals broadcast live harken back to 1950s television's affection for musical theatre and aim to attract new audiences through the accessibility of television Film musicals including *Les Misérables* and *Into the Woods* capitalize on the medium's technical capabilities of perspective and point of view as well as visual spectacle Television has embraced the genre anew and with unexpected gusto not only devising musical episodes for countless dramatic and comedy series but also generating musical series such as *Galavant* and *Crazy Ex Girlfriend* And animated musicals such as Disney's *Moana* hail child and adult audiences with their dual messages vibrant visual vocabulary and hummable music The chapters gathered in this book Volume II of the reissued *Oxford Handbook* explore the American musical from the various media in which musicals

have been created to the different components of a musical and the people who do the work to bring a musical to life

**Musical Intimacy** Zack Stiegler, Todd Campbell, 2023-08-10 Discourse on popular music frequently describes artists recordings and performances as intimate Yet that discourse often stops short of elucidating how a mass produced commodity such as popular music is able to elicit feelings of intimacy with and among its audience Through detailed analysis of popular music s composition performance production and promotion Musical Intimacy examines how intimacy is constructed and perceived in popular music via its affective and technological affordances From the recording studio to the concert stage from collective experience to individual listening and perception this book presents a working understanding of musical intimacy

**The Politics of Intimacy** Anna Durnova, 2018-07-23 Debates on the end of life controversy are complex because they seem to hijack national and cultural traditions Where previous books have focused on ideological grounds The Politics of Intimacy explores dying as the site where policies are negotiated and implemented Intimacy comprises the emotional experience of the end of life and how we acknowledge it or not through institutions This process shows that end of life controversy relies on the conflict between the individual and these institutions a relationship that is the cornerstone of Western liberal democracies Through interviews with mourners stakeholders and medical professionals examination of media debates in France and the Czech Republic Durnov shows that liberal institutions in their attempts to accommodate the emotional experience at the end of life ultimately fail She describes this deadlock as the politics of intimacy revealing that political institutions deploy power through collective acknowledgment of individual emotions but fail to maintain this recognition because of this same experience

Spotlight Spectacular Barrett Williams, ChatGPT, 2025-03-08 Introducing Spotlight Spectacular A masterclass in captivating any audience and leaving them spellbound This essential eBook is your ultimate guide to transforming ordinary performances into extraordinary experiences Discover the secrets to mastering the stage with insights and techniques that will elevate your craft to new heights In Chapter 1 dive deep into understanding your audience exploring the psychology of captivation and recognizing cultural nuances that can make or break your performance Learn how demographic insights can tailor your act for maximum impact Chapter 2 guides you through crafting a compelling narrative Uncover storytelling techniques designed specifically for performers and learn to create emotional connections that resonate with your audience all while mastering the nuances of pacing and timing As you turn to Chapter 3 immerse yourself in the art of illusion and surprise Discover techniques for deception build tension and resolution and use elements of surprise to delight and engage your audience Perfect your stage presence in Chapter 4 with lessons on body language voice modulation and audience interaction Elevate your performance by designing memorable visuals in Chapter 5 using costumes props and lighting to create an unforgettable atmosphere In Chapter 6 learn to integrate music and sound effectively creating a dynamic soundscape that complements your act Master the art of rehearsal in Chapter 7 with practical techniques for self evaluation and feedback integration Chapter 8 prepares you for any venue and audience size offering strategies to

**The Spectacle of Intimacy** Karen Chase, Michael Levenson, 2000-06-25 Love of home life the intimate moments a family peacefully enjoyed in seclusion had long been considered a hallmark of English character even before the Victorian era But the Victorians attached unprecedented importance to domesticity romanticizing the family in every medium from novels to government reports to the point where actual families felt anxious and the public developed a fierce appetite for scandal Here Karen Chase and Michael Levenson explore how intimacy became a spectacle and how this paradox energized Victorian culture between 1835 and 1865 They tell a story of a society continually perfecting the forms of private pleasure and yet forever finding its secrets exposed to view The friction between the two conditions sparks insightful discussions of authority and sentiment empire and middle class politics The book recovers neglected episodes of this mid century drama the adultery trial of Caroline Norton and the Prime Minister Lord Melbourne the Bedchamber Crisis of the young Queen Victoria the Bloomer craze of the 1850s and Robert Kerr s influential treatise celebrating the ideal of the English Gentleman s House The literary representation of household life in Dickens Tennyson Ellis and Oliphant among others is placed in relation to such public spectacles as the Deceased Wife s Sister Bill of 1848 the controversy over divorce in the years 1854 1857 and the triumphant return of Florence Nightingale from the Crimea These colorful incidents create a telling new portrait of Victorian family life one that demands a fundamental rethinking of the relation between public and private spheres

**The Intimate Screen** Jason Jacobs, 2000 This book explores the formative period of British television drama concentrating on the years 1936-55 It examines the continuities and changes of early television drama and the impact this had upon the subsequent golden age In particular it questions the caricature of early television drama as photographed stage plays and argues that early television pioneers in fact produced a diverse range of innovative drama productions using a wide range of techniques It also explores the often competing definitions about the form and aesthetics of early television drama both inside and outside the BBC Given the absence of an audio visual record of early television drama the book uses written archive material in order to reconstruct how early television drama looked and how it was considered by producers and critics whilst also offering a critical examination of surviving dramas such as Rudolph Cartier s Nineteen Eighty Four

**Kristeva** Stacey Keltner, 2013-05-03 Julia Kristeva is one of the most creative and prolific writers to address the personal social and political trials of our times Linguist psychoanalyst social and cultural theorist and novelist Kristeva s broad interdisciplinary appeal has impacted areas across the humanities and social sciences S K Keltner s book provides the first comprehensive introduction to the breadth of Kristeva s work In an original and insightful analysis Keltner presents Kristeva s thought as the

coherent development and elaboration of a complex multidimensional threshold constitutive of meaning and subjectivity The threshold indicates Kristeva s primary sphere of concern the relationship between the speaking being and its particular social and historical conditions and Kristeva s interdisciplinary approach Kristeva s vision Keltner argues opens a unique perspective within contemporary discourses attentive to issues of meaning subjectivity and social and political life By emphasizing Kristeva s attention to the permeable borders of psychic and social life Keltner offers innovative readings of the concepts most widely discussed in Kristeva scholarship the semiotic and symbolic abjection love and loss She also provides new interpretations of some of the most controversial issues surrounding Kristeva s work including Kristeva s conceptions of intimacy social and cultural difference and Oedipal subjectivity by contextualizing them within her methodological approach and oeuvre as a whole Julia Kristeva Thresholds is an engaging and accessible introduction to Kristeva s theoretical and fictional works that will be of interest to both students and scholars across the humanities and social sciences **Sports**

**Media** Andrew Billings,2012-01-25 Looking toward a future with increasingly hybridized media offerings Sports Media Transformation Integration Consumption examines sports media scholarship and its role in facilitating understanding of the increasingly complex world of sports media Acknowledging that consumer demand for sports media content has influenced nearly every major technology innovation of the past several decades chapters included herein assess existing scholarship while posing important future questions about the role sports media will play in the daily lives of sports fans worldwide Contributions from well known scholars are supplemented by work from younger researchers doing new work in this area Developed for the Broadcast Education Association s Electronic Media Research series this volume will be required reading for graduate and undergraduate students in media communication sociology marketing and sports management and will serve as a valuable reference for future research in sports media Distance, Theatre, and the Public Voice, 1750-1850 M.

Nuss,2012-12-05 As theatres expanded in the eighteenth and nineteenth centuries the distance between actor and audience became a telling metaphor for the distance emerging between writers and readers Nuss explores the ways in which theatre helped authors imagine connecting with a new mass audience On the Corposphere José Enrique Finol,2021-06-08 The book presents and analyzes some of the most important issues related to the body seen as a rich and complex anthropological and semiotic object capable of playing a decisive role in the meaning making processes of cultural and social life The analysis presented in this book opens a whole set of new venues for the study of body performances and representations and shows how the embodiment of social and cultural life shape our world In all of its relationships and in itself our body works in a sort of corposphere which is in turn part of the semiosphere defined by Lotman as a continuum occupied by different types of semiotic formations It is from in by the body that all semiosis begins and ends it is in its presence and absence in its being and in its presentation amidst the lived situational life where we might discover and shape the senses of the world Many different academic fields will find in this book deep insights about how the body is at the center of cultural and social

processes     Bordering intimacy Joe Turner, 2020-09-29 This electronic version has been made available under a Creative Commons BY NC ND open access license *Bordering intimacy* explores the interconnected role of borders and dominant forms of family intimacy in the governance of postcolonial states Combining a historical investigation with postcolonial decolonial and black feminist theory the book reveals how the border policies of the British and other European empires have been reinvented for the twenty first century through appeals to protect and sustain family life appeals that serve to justify and obfuscate the continued organisation of racialised violence The book examines the continuity of colonial rule in numerous areas of contemporary government including family visa regimes the policing of sham marriages counterterrorism strategies deprivation of citizenship policing tactics and integration policy     **Intimacy and Friendship on Facebook** A. Lambert, 2013-04-19 *Intimacy and Friendship on Facebook* theorises the impact of Facebook on our social lives through the lens of intimacy Lambert constructs an original understanding of why people welcome public intimacy on Facebook and how they attempt to control it asking the reader to re imagine what it means to be intimate online     *I Hope I Don't Intrude* David Vincent, 2015 Taking his title from the catch phrase of the eponymous hero of the 1825 play *Paul Pry* a huge success in London New York and around the English speaking world David Vincent explores the worlds of privacy and celebrity in 19th century Britain examining debates about mass communication and state surveillance that link to today's concerns     *The Dressing Room* Desirée J. Garcia, 2025-01-14 A recurrent and popular setting in American cinema the dressing room has captured the imaginations of filmmakers and audiences for over a century In *The Dressing Room Backstage Lives and American Film* the only book length study of the space author Desirée J Garcia explores how dressing rooms are dynamic realms in which a diverse cast of performers are made and exposed Garcia analyzes the backstage film which spans film history modes and genre to show how dressing rooms have been a useful space for filmmakers to examine the performativity of American life From the Black maid to the wife and mother to the leading man dressing rooms navigate shape and challenge society's norms The stakes are high in dressing rooms Garcia argues because they rehearse larger questions about identity and its performance negotiating who can succeed and who cannot and on what terms     *Television Personalities* James Bennett, 2010-10-04 *Television Personalities* offers an exciting engaging approach to studying and understanding the most prominent and popular performers in television and celebrity culture It is an original indispensable guide for undergraduate and postgraduate students of media television and celebrity studies as well as those interested in digital culture more widely     TV antiquity Sylvie Magerstädt, 2019-03-14 *TV antiquity* explores representations of ancient Greece and Rome throughout television history The first comprehensive overview of the swords and sandals genre on the small screen it argues that these shows offer a distinct perspective on the ancient world The book traces the historic development of fictional representations of antiquity from the staged black and white shows of the 1950s and 1960s to the most recent digital spectacles One of its key insights is that the structure of serial television is at times better suited to exploring the

complex mythic and historic plots of antiquity Featuring a range of case studies from popular serials like I Claudius 1976 and Rome 2005 8 to lesser known works like The Caesars 1968 and The Eagle of the Ninth 1976 the book illustrates how broader cultural political and economic issues have over time influenced the representation of antiquity on television

**Radical Intimacy in Contemporary Art** Keren Moscovitch, 2023-09-07 Radical Intimacy in Contemporary Art focuses on practices that operate at the edges of sexuality and its socially sanctioned expressions Using psychoanalysis and object oriented feminism Keren Moscovitch focuses on the work of several contemporary provocative artists to initiate a dialogue on the role of intimacy in challenging and reimagining ideology Moscovitch suggests that intimacy has played an under appreciated role in the shifting of social and political consciousness She explores the work of Leigh Ledare Genesis P Orridge Ellen Jong Barbara DeGenevieve Joseph Maida and Lorraine O Grady who through their radical practices engage in such consciousness shifting in elegant surprising and provocative ways Guided by the feminist psychoanalytic canon of Julia Kristeva throughout as well as being informed by the philosophy of Luce Irigaray and the critical theory of Judith Butler Moscovitch situates these artists in the emerging lineage of feminist new materialism She argues that the instability of intimacy leads to radical and performative objecthood in their work that acts as a powerful expression of revolt Through this line of argumentation Moscovitch joins a growing group of philosophers exploring object oriented theories and practices as a new language for a new era In this era the hegemony of subjectivity has been toppled and a new world of human ontology is built creatively expressively and in the spirit of revolt

Yeah, reviewing a ebook **Intimacy And Spectacle** could ensue your near links listings. This is just one of the solutions for you to be successful. As understood, execution does not recommend that you have astonishing points.
