## **Intimate Hour:**

24 Hours at Waterloo Robert Kershaw, 2014-08-28 One of the lancers rode by and stabbed me in the back with his lance I then turned and lay with my face upward and a foot soldier stabbed me with his sword as he walked by Immediately after another with his firelock and bayonet gave me a terrible plunge and while doing it with all his might exclaimed Sacre nom de Dieu The truly epic and brutal battle of Waterloo was a pivotal moment in history a single day one 24 hour period defined the course of Europe's future In March 1815 the Allies declared war on Napoleon in response to his escape from exile and the renewed threat to imperial European rule Three months later on 18 June 1815 having suffered considerable losses at Quatre Bras Wellington's army fell back on Waterloo some ten miles south of Brussels Halting on the ridge they awaited Napoleon's army blocking their entry to the capital This would become the Allies' final stand the infamous battle of Waterloo In this intimate hour by hour account acclaimed military historian Robert Kershaw resurrects the human stories at the centre of the fighting creating an authoritative single volume biography of this landmark battle Drawing on his profound insight and a field knowledge of military strategy Kershaw takes the reader to where the impact of the orders was felt straight into the heart of the battle shoulder to shoulder with the soldiers on the mud splattered ground Masterfully weaving together painstakingly researched eyewitness accounts diaries and letters many never before seen or published this gripping portrayal of Waterloo offers unparalleled authenticity Extraordinary images of the men and women emerge in full colour the voices of the sergeants the exhausted foot soldiers the boy ensigns the captains and the cavalry troopers from both sides rise from the page in vivid and telling detail as the fate of Europe hangs by a thread Perfecting Private Practice Joan Neehall-Davidson, 2004 In a readily accessible easy to read format this book presents useful hints suggestions anecdotes and lists that will help you to look within identify and ultimately achieve your personal and professional goals From getting started with the actual physical space that is your office to the incorporation and financial establishment of your practice to dealing with the most unexpected unpredictable clients and their expectations and to planning for the unexpected the answers are here The straightforward hands on approach makes reading simple the inclusion of anecdotes adds realism and interest the quick checks provide instant reminders and cues and the self disclosure questions aid in self understanding All of the suggestions are grounded in practice Some may be familiar to you already some may be novel and unexpected Sometimes however simple reminders or hints can be the most powerful and with that in mind this book was written in an attempt to demystify some of the confusion and or uncertainty surrounding the successful establishment and functioning of a private practice The Intimate Hour Reuben Fine, 1979 **Taylor Swift for Adults** Kev Nickells, 2024-07-30 Taylor Swift for Adults is a tantalizing opening salvo in Swiftology the study of the work of Taylor Swift While Swift's private life has been covered to death her talent as a lyricist has rarely been analyzed Until now Swifties are well aware that she's a lyricist par excellence but this book makes that case to the unbelievers Swift's gift as a songwriter is not merely sentimentality and

circumstance and this book takes a deep look at her 10 albums to isolate what makes her a beloved lyricist for millions. Any serious study of a lyricist or poet needs to establish what are the tropes, the patterns and the style of that artist and this book does precisely that. With careful attention to poetic detail, the scansion, flow and form of her writing, this brings out those details that pass by in a flash on the radio, bringing them fully into focus. Many have made the argument that Swift is a gifted lyricist in online forums and YouTube comments but this is the first time in writing those arguments have been given shape and serious attention. It's a book aimed at adults but not puffed bores; taking a subject seriously can also mean laughing at swearwords and sex metaphors. Rather than puffed and straitened, this is a lightly witty book expressing at its core a deep affection for this generation's favorite songwriter.

**The Indian Lily and Other Stories** Hermann Sudermann, 2022-11-22  
The Indian Lily and Other Stories is a set of short stories by Hermann Sudermann. Sudermann was a German dramatist and novelist. Excerpt: Around the hour of afternoon tea, Niebelding, true to a dear old habit, went to see his friend. She inhabited a small second floor apartment in the Regentenstrasse which he had himself selected for her when she came as a stranger to Berlin. With flowers and palms and oriental rugs she had moulded a delicious retreat and before her bedroom windows the nightingales sang in the springtime. She seemed to be expecting him. In the great raised bay separated from the rest of the drawing room by a thicket of dark leaves, the stout tea urn was already expectantly humming. In a bright girlish dress devoid of coquetry or pouting, Alice came to meet him. 'I'm glad you're here again, Richard.' That was all he wanted to launch out into the tale which he had meant to tell her but she cut him short.
