On Modern British Fiction Zachary Leader,2002 In this volume fourteen of today's very best novelists and critics join forces to create a landmark study of the last 50 years of British fiction Essays by Martin Amis Ian McEwan Hilary Mantel James Wood Christopher Hitchens Michael Wood Elaine Showalter and others range from modern historical fiction and nationality to lad lit and the comic tradition from criticism and reviewing to the reception of British fiction in America Among the many writers explored here are Angus Wilson Angela Carter Iris Murdoch Penelope Fitzgerald V S Pritchett Naipaul and Rushdie Provocative and insightful this is a must read for anyone interested in modern fiction A People's History of Scotland Chris Bambery,2014-06-17 A People's History of Scotland looks beyond the kings and queens the battles and bloody defeats of the past It captures the history that matters today stories of freedom fighters suffragettes the workers of Red Clydeside and the hardship and protest of the treacherous Thatcher era With riveting storytelling Chris Bambery recounts the struggles for nationhood He charts the lives of Scots who changed the world as well as those who fought for the cause of ordinary people at home from the poets Robbie Burns and Hugh MacDiarmid to campaigners such as John Maclean and Helen Crawford This is a passionate cry for more than just independence but also for a nation based on social justice

Ethically Speaking ,2006-01-01 As politics and cultures interact within an increasingly diverse Scotland and differences in values become more evident across generations the need for clear understanding and cooperation within and between communities becomes a pressing issue This relates both to local and larger concerns language violence morality gender and sexuality education ethnicity truth and lies The chapters gathered here focus on significant Scottish writers of the late twentieth and early twenty first centuries Edwin Morgan A L Kennedy Liz Lochhead John Burnside Jackie Kay Robin Jenkins Muriel Spark William McIlvanney Ali Smith James Kelman and others and the communities described are certainly Scottish but the issues raised are universal Questions are asked about the relationship of the individual to others and therefore on a larger scale about the means through which any community is both constructed and sustained linguistically spiritually ethically If their multiple voices evoke a zigzag of contradictions it is at any rate a creative zigzag which discovers or uncovers many contradictory aspects of life in modern Scotland that should particularly be brought to light in a re emergent nation Ethically speaking Scottish writers point out the need to attend to many different narratives and retellings in order that Scots might live more honestly and clear sightedly with themselves and with the wider world **The Oxford**

Handbook of Contemporary British and Irish Poetry Peter Robinson,2013-09-26 The Oxford Handbook of Contemporary British and Irish Poetry offers thirty eight chapters of ground breaking research that form a collaborative guide to the many groupings and movements the locations and styles as well as concerns aesthetic political cultural and ethical that have helped shape contemporary poetry in Britain and Ireland The book's introduction offers an anthropological participant observer approach to its variously conflicted subjects while exploring the limits and openness of the contemporary as a

shifting and never wholly knowable category The five ensuing sections explore a history of the period s poetic movements its engagement with form technique and the other arts its association with particular locations and places its connection with and difference from poetry in other parts of the world and its circling around such ethical issues as whether poetry can perform actions in the world can atone redress or repair and how its significance is inseparable from acts of evaluation in both poets and readers Though the book is not structured to feature chapters on authors thought to be canonical on the principle that contemporary writers are by definition not yet canonical the volume contains commentary on many prominent poets as well as finding space for its contributors enthusiasms for numerous less familiar figures It has been organized to be read from cover to cover as an ever deepening exploration of a complex field to be read in one or more of its five thematically structured sections or indeed to be read by picking out single chapters or discussions of poets that particularly interest its individual readers

Gendering the Nation Christopher Whyte, 2019-08-08 Too often seen as a ghost from the past nationalism has resurfaced as a major factor in European politics and culture A powerful commitment to national autonomy has marked Scottish writing throughout the twentieth century How has the emergence of new voices from feminist gay and lesbian critics transformed that commitment How critical and pluralistic can the new nationalisms be This collection serves notice that the tradition is being read in new and disruptive ways Five women and four men examine the relationship between gender and nationality how male and female authors portray women the treatment of sexuality in Scottish writing the construction of Scottish masculinity and its relation to class and homophobia Covering modern fiction and theatre poetry film and television it is a provocative reassessment of the gender and culture of a stateless nation
