Intimately Knowing The Lord:

Knowing God Intimately Joyce Meyer, 2008-11-16 The depth of our relationship with God is not dependent on his pursuit of us but on our pursuit of him and our willingness to be obedient to his Word The Fear Of The Lord John Bevere, 2010-09-24 Unlock the treasures of salvation It is time to give God His due honor and reverence in a way that will revolutionize your life in your worship prayers and personal life Intimately Knowing the Lord Cheryl Clark, 2005-03 Have you ever been asked by someone Do you know Jesus When you have said yes have they pressed further to ask Do you know him intimately Have you wondered if there is more to knowing Him intimately than you presently understand Why does the Bible say over and over that we have ears to hear and eyes to see Did Jesus show himself to people after He arose from the dead How did Paul come to know the Lord so intimately Who taught Paul in the wilderness about Jesus Did Jesus stand beside Paul to strengthen him Are there examples throughout the Bible of the Lord showing Himself to people Who met John on the Isle of Patmos Do you believe the Bible to be true Everyone who is of the truth hears His voice Jesus Christ is the same yesterday today and forever You know there is more **Knowing God Intimately** Joyce Meyer, 2015-01-06 If you are looking for God or if you are a believer who feels something is missing Joyce Meyer 1 New York Times bestselling author wants to show you how to achieve the profound joy that comes from a truly intimate relationship with God Using Scripture and powerful real life examples Joyce reveals practical ways that you can increase your level of intimacy with God She does this by offering a clear picture of four levels of spiritual commitment At each level from acknowledging God s presence to letting His love completely transform your life Joyce shows you how to move step by step closer to God and receive His blessings What relationship are you ready for How far can you go in seeking God What amazing accomplishments can you complete with God s help In KNOWING GOD INTIMATELY Joyce Meyer gives you the keys to finding your unique relationship with God He is waiting for you the choices are yours Will you open the door **Knowing the True and Living God Intimately** Shaniqua Smith, 2006-11 *Living Without the Veil* Michael Richards, 2009-09 The book Democratic Imperialism serves as an educated moderate Muslim s response to the West particularly to the United States in the ways it attempts to impose its brand of democracy on the Muslim people Many Americans have never been exposed to this perspective either through the news media or in personal conversations This book poses and clearly answers a compelling question Are Americans qualified to export or impose their brand of democracy in the Middle East Middle Easterners were once upon a time the pioneers of knowledge science justice and education in their own history and civilization Islam even helped pave the way for the Renaissance in Europe Farid Younos as a scholar of not only social sciences but also the culture of the Middle East namely Islam argues that democracy in the land of Islam is not functional The deeply rooted value system and way of life of Islam calls for a different system especially when western democracy has its own problems and has failed to bring justice for all at home Liberal democracy as a secular system negates the role of faith in the political system of the

Middle East and this negation is the main concern for many Muslims worldwide The question arises as to why the United States of America tries to impose its brand of political system in the Middle East while knowing that it is not a workable idea Democracy in Afghanistan and Iraq proved to be fatal The first objective of any political system should be to bring peace for its people Unfortunately not only is peace in these countries an elusive idea but also the needs of the underprivileged the destitute and the poor are not met This study provides an alternative approach for Muslim countries an Islamic political system from a fresh view point An Islamic system could be an ideal system for Muslim countries if Muslims would make an effort to not only meet the needs of their people but also meet the needs of the international community The purpose presumably of all parties is peace in the region and that peace is not possible if Islamic economic social and political ideas are ignored and replaced by a manifesto of globalization *Because God... V Valarmathy, 2023-03-20* With God all things are possible

Eternal Obsession Sharah LaGail Wyatt, 2014-02-01 There is only one thought one interest one preoccupation which righteously qualifies as an obsession God Himself Actually for Him not to be our obsession is to fall far short of the life He intended us to know with Him Knowing God is not mere intellectual knowledge rather it is a full absolute complete intimate knowledge impregnated with experience on the highest degree Knowing God is to experience God intimately To know Him is to experience Him the two cannot be separated Furthermore knowing Him and experiencing Him is an opportunity that has been made available to everyone everywhere We can all know Him intimately That is what eternal life is all about Knowing God intimately is a theme that will continue throughout eternity This book is about what it means to know God on an intimate level It is about experiencing life in His Presence so that knowing Him intimately would no longer be just a concept but a reality in life If you have wanted to know and experience God intimately but you have not known how be encouraged that God is already reaching out in love and desire for you And He will not just meet you half way He has already stepped over the line and is just waiting for you to turn around and slip into His embrace There are infinite universes just awaiting your exploration universes saturated with the glory and presence of God Himself And as you get to know Him you will find that knowing Him really is the key to everything

How to Develop an Intimate Relationship with God Cedric Iglehart, 2021-08-20 Salvation is the greatest thing that can happen to any human. At the very moment that you wholeheartedly surrender everything to the Lord Jesus Christ, the old things pass away as you become a new creature and are truly set free from the bondage and dominion of sin. But salvation isn't the end; it's only the beginning. It's an entryway into the process of sanctification, which is the means through which every Christian becomes transformed into the very image of Jesus. Following the path from salvation to sanctification can only be done under the guidance of the Lord, and His guidance is only made totally available to those who are close to Him. This means that having a relationship with the Most High God is His intention for you; it's the reason He extended His grace toward you in the first place. This book will show you how to navigate from salvation into service and from there into sanctification by enlightening your understanding of what it means to be spiritually mature. This book will take you through the truths of Scripture and reveal God's will for your life to you. It will show you how to develop an intimate relationship with God by making you aware of your responsibilities in your interactions with Him and by showing you how to keep them through the practical application of the Word to your everyday life.
