## Into The Magic:

*Investigations Into Magic* Martin Antoine Del Rio, 2000 This is the first English translation of one of the most important interesting and comprehensive discussions of the occult sciences ever published *Investigations into magic* deals not only with magic in all its forms from the manipulation of angelic and demonic powers to straightforward conjuring and illusion but also with witchcraft alchemy astrology divination prophecy and possession by evil spirits In addition Del Rio gives judges and confessors practical advice on the most effective ways of dealing with people who are accused of practising magic and enlivens his whole discussion with anecdotes drawn from a remarkable range of sources including his own experience Nothing so panoramic had ever appeared before and for the next one hundred and fifty years *Investigations into magic* was the indispensable reference work on the subject

**Ascended into Magic** Dayne Edmondson, 2021-06-15 Anna is a teenage girl pulled from our world into a world of magic myth and mystery by a warlock who intends to sacrifice her to the demon lords Rescued in the nick of time by a powerful sorceress she discovers that she possesses magical powers and must go to Starhold Academy to learn how to master them There she learns the other students believe that she is a child of a living god a belief that earns her both friends and enemies A stranger in a very strange land she may never fit into her new world and the warlock is still hunting her If Anna can't stop him he might bring about the end of days

*Investigations into Magic, an Edition and Translation of Martín Del Río's Disquisitionum magicarum libri sex* José Manuel García Valverde, Peter Maxwell-Stuart, 2023-01-23 The sixteenth century saw the world as being mortally threatened by Satan who was encouraged by the widespread popularity of magic and other occult practices Church and society struck back to defend people from this tidal wave of wickedness Del Rio's panoramic and detailed treatise provided a powerful weapon in that battle Far from dry scholarship however *Investigations* is an engaging fascinating earnest conversation between Del Rio and his readers and a major contribution to understanding key aspects of everyday sixteenth century behaviour and the problem of evil
