Into Hidden Burma An Autobiography:

Into Hidden Burma I-t'ung Wang, 1953 Into hidden Burma Maurice Collis, 2014 A memoir by the author an English author who served as an administrator in Burma which was part of the British empire **Into Hidden Burma** Maurice Collis, 1953 I arrived in England in October 1918 I had been away six years as a civilian in Burma and latterly as an officer on the Palestine front The First World War was not yet over thirteen more days of frantic battle were to pass before the armistice I was on three weeks leave and by November 19 would be due to return overseas That my stay was to be so brief that after six years in eastern solitudes I should have only a tantalizing glimpse of western life was a frightening prospect I felt like an escaped prisoner who knows that he has no chance of evading recapture and for whom every instant of liberty is precious time to be savoured to the full Pg 9 A History of Modern Burma Michael W. Charney, 2009-01-22 Burma has lived under military rule for nearly half a century The results of its 1990 elections were never recognized by the ruling junta and Aung San Suu Kyi leader of Burma's pro democracy movement was denied her victory She has been under house arrest ever since Now an economic satellite and political dependent of the People's Republic of China Burma is at a crossroads Will it become another North Korea will it succumb to China's political embrace or will the people prevail Michael Charney's book the first general history of modern Burma in over five decades traces the highs and lows of Burma's history from its colonial past to the devastation of Cyclone Nargis in 2008 By exploring key themes such as the political division between lowland and highland Burma and monastic opposition to state control the author explains the forces that have made the country what it is today **Historical Dictionary of Burma (Myanmar)** Donald M. Seekins, 2017-03-27 Burma Myanmar is a Southeast Asian country that is emerging from crisis after more than a half century of hard line military rule and cultural diplomatic and economic isolation With the dissolution of its military regime the State Peace and Development Council in 2011 a formally civilian but military dominated constitutional government was inaugurated By 2012 Burma's president retired General Thein Sein had established a working relationship with Daw Aung San Suu Kyi the leader of the country's pro democracy movement since 1988 and after a 2012 by election she and members of her opposition party the National League for Democracy NLD entered the new Union Parliament as legislators However even with the election victory of Daw Suu Kyi and the NLD in the General Election of November 2015 Burma faces daunting challenges it is still one of the poorest countries in Southeast fissured by longstanding ethnic conflicts that have made a nationwide peace agreement elusive and its people's security and the environment are threatened by foreign economic exploitation Religious discord is also widely evident as Buddhist militants instigate violence against the country's religious minorities especially Muslims Today Burma's prospects are the most hopeful they have been for over half a century as the country takes steps along the road to a more open society and economy This edition of the Historical Dictionary of Burma Myanmar encompasses not only current developments but also Burma's over 1 500 years old recorded history and the most important features of its cultures

ethnicity religions society and economy This is done through achronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture *Burma's Economy in the Twentieth Century* Ian Brown,2013-11-07 An incomparable introduction to Burma s political and economic history written by one of the premier economic historians of Southeast Asia **A Myanmar Miscellany: Selected Articles, 2007-2023** Andrew Selth,2024-09-30 Andrew Selth has been watching Myanmar for 50 years During this time he has published 10 books and more than 400 other works about the country In 2020 he released a collection of almost 100 articles that had been posted on the Lowy Institute s Interpreter website This second anthology brings together another 72 articles written for a range of outlets between 2007 and 2023 This period saw the installation of a disciplined democracy under Aung San Suu Kyi the 2021 military coup and the country s descent into a bitter civil war Many of the articles in the book deal with international relations and security issues but there are also works on Myanmar s history politics and culture as well as some personal reminiscences Together they make a unique contribution from an Old Myanmar Hand with wide ranging interests and insights **Burma, Kipling and Western Music** Andrew Selth,2016-11-03 For decades scholars have been trying to answer the question how was colonial Burma perceived in and by the Western world and how did people in countries like the United Kingdom and United States form their views This book explores how Western perceptions of Burma were influenced by the popular music of the day From the First Anglo Burmese War of 1824 6 until Burma regained its independence in 1948 more than 180 musical works with Burma related themes were written in English speaking countries in addition to the many hymns composed in and about Burma by Christian missionaries Servicemen posted to Burma added to the lexicon with marches and ditties and after 1913 most movies about Burma had their own distinctive scores Taking Rudyard Kipling s 1890 ballad Mandalay as a critical turning point this book surveys all these works with emphasis on popular songs and show tunes also looking at classical works ballet scores hymns soldiers songs sea shanties and film soundtracks It examines how they influenced Western perceptions of Burma and in turn reflected those views back to Western audiences The book sheds new light not only on the West s historical relationship with Burma and the colonial music scene but also Burma s place in the development of popular music and the rise of the global music industry In doing so it makes an original contribution to the fields of musicology and Asian Studies **Mental Culture in Burmese Crisis Politics** Gustaaf Houtman,1999 An examination of the current political crisis in Burma and in particular its Buddhist and socio psychological aspects *A Savage Dreamland* David Eimer,2019-06-13 The first of its kind an exploration of one of the most mysterious countries in the world as told by one of the first outsiders to access the country in its entirety For almost fifty years Burma was ruled by a paranoid military dictatorship and isolated from the outside world A historic 2015 election swept an Aung San Suu Kyi led civilian government to power and was supposed to usher in a new golden era of democracy and progress but Burma remains unstable and undeveloped a little understood country Nothing is straightforward in this

captivating land that is home to a combustible mix of races religions and resources A Savage Dreamland Journeys in Burma reveals a country where temples take priority over infrastructure fortune tellers thrive and golf courses are carved out of war zones Setting out from Yangon the old capital David Eimer travels throughout this enigmatic nation from the tropical south to the Burmese Himalayas in the far north via the Buddhist centric heartland and the jungles and mountains where rebel armies fight for autonomy in the longest running civil wars in recent history The story of modern Burma is told through the voices of the people Eimer encounters along the way former political exiles the squatters in Yangon s shanty towns radical monks Rohingya refugees princesses and warlords and the ethnic minorities clustered along the country s frontiers In his vivid and revelatory account of life history culture and politics David Eimer chronicles the awakening of a country as it returns to the global fold and explores a fractured nation closed to foreigners for decades Authoritative and ground breaking A Savage Dreamland Journeys in Burma is set to be a modern classic of travel writing *Wild Fictions* Amitav Ghosh,2025-11-19 A collection of essays on themes central to Ghosh s work imperialism and decolonization climate change and the stories of ordinary people making lives amid these historical forces Wild Fictions brings together Amitav Ghosh s extraordinary writings on subjects that have obsessed him over the last twenty five years literature and language climate change and the environment and human lives travel and discoveries Threaded throughout the collection are his reflections on the spaces that we inhabit and how we occupy them From the significance of the commodification of the clove to the diversity of the mangrove forests in Bengal and the radical fluidity of multilingualism Wild Fictions is a powerful refutation of imperial violence a fascinating exploration of the fictions we weave to absorb history and a reminder of the importance of sensitivity and empathy With the combination of moral passion intellectual curiosity and literary elegance that defines his writing Ghosh makes readers understand the world in new and urgent ways Together the pieces in Wild Fictions chart a course that allows us to heal our relationships and restore the delicate balance with the volatile landscapes to which we all belong **Orwell and Empire** Douglas Kerr,2022-06-16 Considers George Orwell s writing about the East and the presence of the East in his writing George Orwell was born in India and served in the Imperial Police in Burma as a young man Orwell and Empire is a study of his writing about the East and the East in his writing It argues that empire was central to his cultural identity and that his experience of colonial life was a crucial factor in ways that have not been recognized in shaping the writer he became Orwell and Empire is about all his writings fictional and non fictional It pays particular attention to work that derives directly from his Burmese years including the well known narratives A Hanging and Shooting an Elephant and his first novel Burmese Days It goes on to explore the theme of empire throughout his work through to Nineteen Eighty Four and beyond and charts the way his evolving views on class race gender and authority were shaped by his experience in the East and the Anglo Indian attitudes he had inherited Orwell s socialism and his hatred of authoritarianism grew out of his anti imperialism as The Road to Wigan Pier makes explicit But this was not a straightforward repudiation or a painless process He understood

that it is very difficult to escape culturally from the class into which you have been born His whole career was a creative quarrel with himself and with his Anglo Indian patrimony In a way that anticipates current debates about the imperial legacy he struggled to come to terms with his own history **Anderson's Travel Companion** Compiled by Sarah

Anderson,2016-12-05 A selection of the best in travel writing with both fiction and non fiction presented together this companion is for all those who like travelling like to think about travelling and who take an interest in their destination It covers guidebooks as well as books about food history art and architecture religion outdoor activities illustrated books autobiographies biographies and fiction and lists books both in and out of print Anderson s Travel Companion is arranged first by continent then alphabetically by country and then by subject cross referenced where necessary There is a separate section for guidebooks and comprehensive indexes Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects She is known by well known travel writers such as Michael Palin and Colin Thubron Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse among others made suggestions for titles to include in the Travel Companion **The Irish Imperial Service** Seán William Gannon,2018-09-24

This book explores Irish participation in the British imperial project after Southern Ireland s independence in 1922 Building on a detailed study of the Irish contribution to the policing of the Palestine Mandate it examines Irish imperial servants twentieth century transnational careers and assesses the influence of their Irish identities on their experience at the colonial interface The factors which informed Irish enlistment in Palestine s police forces are examined and the impact of Irishness on the personal perspectives and professional lives of Irish Palestine policemen is assessed Irish policing in Palestine is placed within the broader tradition of the Royal Irish Constabulary RIC conducted imperial police service inaugurated in the mid nineteenth century and the RIC s transnational influence on twentieth century British colonial policing is evaluated The wider tradition of Irish imperial service of which policing formed part is then explored with particular focus on British Colonial Service recruitment in post revolutionary Ireland and twentieth century Irish imperial identities **Myanmar (Burma)**

since the 1988 Uprising Andrew Selth,2022-01-24 Updated by popular demand this is the fourth edition of this important bibliography It lists a wide selection of works on or about Myanmar published in English and in hard copy since the 1988 pro democracy uprising which marked the beginning of a new era in Myanmar s modern history There are now 2 727 titles listed They have been written edited translated or compiled by over 2 000 people from many different backgrounds These works have been organized into thirty five subject chapters containing ninety five discrete sections There are also four appendices including a comprehensive reading guide for those unfamiliar with Myanmar or who may be seeking guidance on particular topics This book is an invaluable aid to officials scholars journalists armchair travellers and others with an interest in this fascinating but deeply troubled country **Zōsho mokuroku** Ajia Keizai Kenkyūjo (Japan), **Myanmar (Burma) since**

1962: the Failure of Development Peter John Perry,2021-02-27 Why has Myanmar Burma a country rich in resources rice

timber minerals descended to least developed country status Is the explanation to be found inside Burma or beyond Is the failure of development due to political authoritarianism and conflict Or perhaps the drugs trade is partly to blame This book contends that all these factors have contributed But it also maintains that the mismanagement of the country s resources is of equal or even greater importance A clear answer to the question of Burma s developmental failure is sought by focussing upon the misuse of resources in concert with those factors that are more usually emphasized Prophets of Rebellion

Michael Adas,2012-12-01 Adas explores the relationship between millenarianism and violent protest by focusing on five case studies representing a wide range of social political and economic systems The rebellions examined are Netherlands East Indies 1825 30 New Zealand c 1864 67 Central India 1895 1900 German East Africa 1903 6 and Burma 1930 32 Arranged topically to emphasize comparative patterns the study analyzes causes leaders organization failure and the impact on the individual society Originally published in 1979 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Author - Title Catalog University of California, Berkeley.
