Michener, 1994-11-15 Pulitzer Prize winning author James A Michener has been writing for over seven decades This book presents Michener's analysis of his own writing and that of his peers his reflections remembrances and stories of his youthful encounters with the era's notable personages For any who do not know him this is their chance to meet this extraordinary man For his millions of fans this is the chance to know him better **The Michener Companion** Sue Binkley Tatem, 2009-12-07 The book is a reference guide to James Michener and his work A general section about Michener relating to his origins in Bucks County is followed by synopses of Michener's books The focus is on information that does not appear elsewhere and a bit of a tour of Doylestown Meet a Michener you may not have met before Grief Taboo in American Literature Pamela A. Boker, 1997-08 A compelling massively researched psychoanalytic study of the inability to mourn in Melville Twain and Hemingway and its roots in maternal loss Ann Douglas author of TERRIBLE HONESTY MONGREL MANHATTAN IN THE 1920S This insightful text is recommended for all students of American culture and literature CHOICE **The Aesthetics of Middlebrow Fiction** Tom Perrin, 2015-08-05 During the Cold War many popular American novels were labelled middlebrow leading to a general belief that these texts held less intellectual merit Perrin debunks these unfair assumptions through works by James Michener Harper Lee and Leon Uris arguing that such writers made a major contribution to the tradition of American literature **Against the Grain**, 1995 **Fighting Prosaic Messages** Henry C Amoroso Jr, 2018-04-11 Part historical fiction part memoir part philosophy of education this book begins with a story about a woman's immigration into the U S and how three of her generations struggled in the U S school system The book ends with an analysis of why many students fail in school and what we can do about it Through story and analysis this book offers a critique of the U S education system in 3 parts Part one imagines what the immigration experience was like in the past and reads like historical fiction Part two looks at the ensuing three generations in the present and reads like a memoir Part three gleans lessons from the story as a whole for what we can do better in the future In the historical fiction part a Sicilian woman named Rose emigrates to the U S at the turn of the twentieth century Knowing no English and illiterate but armed with a moral intelligence she struggles in this strange world of the free rubs shoulders with some of the great thinkers of her day and discusses the nature of education with them She's one of the many prosaic heroes history books and schools sometimes forget In the memoir part Rose's son Henry the author's father drops out of school in the eighth grade to help his single mom by selling newspapers he never thought he was smart enough for school anyway His son Henry Jr goes all the way in school to obtain a PhD but struggles to find a voice along the way Henry Jr's son Justin was seemingly born with an expressive voice but in his shuffle to conform to

the school system almost lost it In these 3 cases we see 3 types of students who often fail in school in general In the final analysis part the book reflects on these prosaic cases to understand why so many U S students fail The theme that emerges parallels the traditions of Rousseau Dewey and Montessori students at heart are good and educators are most effective when they treat them as such students learn best by doing and this includes moral doing and students become intrinsically motivated to learn if allowed to think critically creatively and to find their voices If democracy depends on an informed citizenry the questions this book raises about school failure are critical to the future of our nation J A **The Hemingway Review** ,1995 **Reference Guide to American Literature** Thomas Riggs,2000 Concise discussions of the lives and principal works of American writers thinkers and cultural figures written by subject experts **James A.
