Stephanie Harzewski, 2011-02-09 Originally a euphemism for Princeton University's Female Literary Tradition course in the 1980s chick lit mutated from a movement in American women's avant garde fiction in the 1990s to become by the turn of the century a humorous subset of women's literature journalism and advice manuals Stephanie Harzewski examines such best sellers as Bridget Jones's Diary The Devil Wears Prada and Sex and the City as urban appropriations of and departures from the narrative traditions of the novel of manners the popular romance and the bildungsroman Further Harzewski uses chick lit as a lens through which to view gender relations in U.S. and British society in the 1990s Chick Lit and Postfeminism is the first sustained historicization of this major pop cultural phenomenon and Harzewski successfully demonstrates how chick lit and the critical study of it yield social observations on upheavals in Anglo American marriage and education patterns heterosexual rituals feminism and postmodern values **Printers' Ink; the ... Magazine of Advertising, Management and Sales**, 1891 **Literary Advertising and the Shaping of British Romanticism** Nicholas Mason, 2013-10-01

Important revisions to the history of advertising and its connection to Romantic era literature Outstanding Academic Title Choice Literary Advertising and the Shaping of British Romanticism investigates the entwined histories of the advertising industry and the gradual commodification of literature over the course of the Romantic Century 1750-1850 In this engaging and detailed study Nicholas Mason argues that the seemingly antagonistic arenas of marketing and literature share a common genealogy and in many instances even a symbiotic relationship Drawing from archival materials such as publishers account books merchants trade cards and authors letters Mason traces the beginnings of many familiar modern advertising methods including product placement limited time offers and journalistic puffery to the British book trade during the eighteenth and nineteenth centuries Until now Romantic scholars have not fully recognized advertising's cultural significance or the importance of this period in the origins of modern advertising Mason explores Lord Byron's appropriation of branding Letitia Elizabeth Landon's experiments in visual marketing and late Romantic debates over advertising's claim to be a new branch of the literary arts Mason uses the antics of Romantic era advertising to illustrate the profound implications of commercial modernity both in economic practices governing the book trade and more broadly in the development of the

modern idea of literature
