The Routledge Companion to Literary Media Astrid Ensslin,Julia Round,Bronwen Thomas,2023-08-30 The Routledge Companion to Literary Media examines the fast moving present and future of a media ecosystem in which the literary continues to play a vital role The term literary media challenges the tendency to hold the two terms distinct and broadens accepted usage of the literary to include popular cultural forms emerging technologies and taste cultures genres and platforms as well as traditions and audiences all too often excluded from literary histories and canons Featuring contributions from leading international scholars and practitioners the Companion provides a comprehensive guide to existing terms and theories that address the alignment of literature and a variety of media forms It situates the concept in relation to existing theories and historiographies considers emerging genres and forms such as locative narratives and autofiction and expands discussion beyond the boundaries by which literary

authorship is conventionally defined Contributors also examine specific production and publishing contexts to provide in depth analysis of the promotion of literary media materials The volume further considers reading and other aspects of situated audience engagement such as Indigenous and oral storytelling prize and review cultures book clubs children and young adults This authoritative collection is an invaluable resource for scholars and students working at the intersection of literary and media studies Routledge Handbook of Traditional Chinese Literature Victor Mair,Zhenjun Zhang,2025-01-30 This Handbook presents a comprehensive overview of 3 000 years of Chinese literature from its earliest beginnings to the end of the Qing 1644 1911 the last empire of China With a focus on well known authors and masterpieces in each important genre this volume covers verses prose drama and fiction arranged in the following thematic groupings Pre Qin and Han poetry poetry of the Six Dynasties poetry of the Tang poetry of the Song and lyrics of the Song Prose of historians prose of philosophers and literati prose Tragedy and romance in Yuan drama southern plays of ethics and chuanqi plays of the Ming and the Qing Classical language tales vernacular short stories heroic romances novels of spirits and devils novels of manners and satire and novels of social exposure and prostitution Featuring both introductions and in depth analyses this Handbook incorporates the most recent scholarly works for each entry and also facilitates future research by providing further readings Authored by a stellar line up of experts in the field of Chinese literature this is an essential reference guide for all students and scholars in the fields of Chinese literature and culture Handbook of Chinese Mythology Lihui Yang, Deming An, Jessica Anderson Turner,2005-09-21 An informative work of historical and contemporary Chinese myths including a useful collection of historical documents detailing myths as they live and change in China today Compiled from ancient and scattered texts and based on revelatory new research Handbook of Chinese Mythology is the most comprehensive English language work on the subject ever written from an exclusively Chinese perspective This work focuses on the Han Chinese people but ranges across the full ethnic spectrum of ancient and modern China showing how key myths endured and evolved over time A quick reference section covers all major deities spirits and demigods as well as important places Kunlun Mountain mythical animals and plants the crow with three feet Fusang tree and appurtenances Xirang a kind of mythical soil Bu Si Yao mythical medicine for long life No other work captures so well what Chinese mythology means to the people who lived and continue to live their lives by it **The Middle East, Abstracts and Index** ,2001 *Beeton's Science, Art, and Literature* Samuel Orchard Beeton,1870 The California Bookstore Book Carole Marsh,1991-09 The Saturday Review of Politics, Literature, Science, Art, and Finance ,1914 **Handbook for Asian Studies Specialists** Noriko Asato,2013-10-08 An indispensable tool for librarians who do reference or collection management this work is a pioneering offering of expertly selected print and electronic reference tools for East Asian Studies Chinese Japanese and Korean Handbook for Asian Studies Specialists A Guide to Research Materials and Collection Building Tools is the first work to cover reference works for the main Asian area languages of China Japan and Korea Several leading Asian Studies librarians have contributed their many

decades of experience to create a resource that gathers major reference titles both print and online that would be useful to today's Asian Studies librarian. Organized by language group, it offers useful information on the many subscription-based and open source electronic tools relevant to Asian Studies. This book will serve as an essential resource for reference collections at academic libraries. Previously published bibliographies on materials deal with China or Japan or Korea but none have coalesced information on all three countries into one work or are written in English. And unlike the other resources available, this work provides the insight needed for librarians to make informed collection management decisions and reference selections.
