Poems William Watson, 1893 Mainly a reprint of the second edition of the author's *Wordsworth's grave and other poems* with the addition of twenty six short pieces most of which have already been contributed to periodicals Buying List of Books for Small Libraries ,1919 Railroad Men ,1917 **Report** New York State Library, 1920 **Householders** Steven D. Carter, 2020-10-26 As direct descendants of the great courtier poets Fujiwara no Shunzei 1114 1204 and his son Teika 1162 1244 the heirs of the noble Reizei house can claim an unbroken literary lineage that spans over eight hundred years During all that time their primary goal has been to sustain the poetic enterprise or michi way of the house and to safeguard its literary assets Steven D Carter weaves together strands of family history literary criticism and historical research into a coherent narrative about the evolution of the Reizei Way What emerges from this innovative approach is an elegant portrait of the Reizei poets as participants in a collective institution devoted more to the continuity of family poetic practices and ideals than to the concept of individual expression that is so central to more modern poetic culture In addition to the narrative chapters the book also features an extensive appendix of one hundred poems from over the centuries by poets who were affiliated with the Reizei house Carter's annotations provide essential critical context for this selection of poems and his deft translations underscore the rich contributions of the Reizei family and their many disciples to the Japanese poetic tradition **Amherst Graduates' Quarterly** ,1922 *Collected Prose* Paul Auster, 2010-06-22 The expanded edition of an essential collection of writings essays and interviews from Paul Auster one of the finest thinkers and stylists in contemporary letters The celebrated author of *The New York Trilogy* *The Book of Illusions* and *4 3 2 1* presents here a highly personal

collection of essays prefaces true stories autobiographical writings and collaborations with artists as well as occasional pieces written for magazines and newspapers including his breathtaking memoir *Financial Times The Invention of Solitude* Ranging in subject from Sir Walter Raleigh to Kafka Nathaniel Hawthorne to the high wire artist Philippe Petit conceptual artist Sophie Calle to Auster's own typewriter the World Trade Center catastrophe to his beloved New York City itself *Collected Prose* records the passions and insights of a writer who will be remembered as one of the great writers of our time

San Francisco Chronicle **Amherst Graduates' Quarterly** Amherst College. Alumni Council, 1922 **The Step Ladder** Flora Warren Seymour, 1919 **Get the Money!** Ted Berrigan, 2022-09-13

A monumental event in American poetry *Get the Money* brings together the essential prose writings of iconic New York School poet Ted Berrigan Ted Berrigan was a leader of the New York School his crazy energy embodied that movement and the city itself John Ashbery author of *Self Portrait in a Convex Mirror* *Get the Money* was Ted Berrigan's mantra for the paid writing gigs he took on in support of his career as a poet This long awaited collection of his essential prose draws upon the many essays reviews introductions and other texts he produced for hire as well as material from his journals travelogues and assorted unclassifiable creative texts *Get the Money* documents Berrigan's innovative poetics and techniques as well as the creative milieu of poets centered around New York's Poetry Project for whom he served as both nurturer and catalyst Highlights include his journals from the 60s depicting his early poetic discoveries and bohemian activities in New York the previously unpublished *Some Notes About C* an account of his mimeo magazine that serves as a de facto memoir of the early days of the second generation New York School a moving and prescient obituary Frank O'Hara Dead at 40 book reviews consisting of poems entirely collaged from lines in the book art reviews of friends and collaborators like Joe Brainard George Schneeman and Jane Freilicher and his notorious Interviews with John Cage and John Ashbery both of which were completely fabricated *Get the Money* provides a view into the development of Berrigan's aesthetics in real time as he captures the heady excitement of the era and champions the poets and artists he loves Praise for *Get the Money* *Get the Money* captures the esprit de corps of the particular community close to Ted's door on St Mark's Place This book of prose with its nimble lift tinged with intimacy wit and perception is a welcome addition to the second generation NY School canon Anne Waldman author of *Trickster Feminism* Ted was my mentor my teacher of America and its poetry and I often quote him He was an oral genius and I have regretted not writing down everything he said to me Now I have this collection of journals critical writing on art aphorisms and correspondence It makes for a grand portrait of the poet who charmed my whole generation Ted Berrigan is alive in this book in ways that no one could guess Andrei Codrescu author of *Too Late for Nightmares* It's always a significant occasion when we have an edition of a poet's prose *Get the Money* offers us an important window into Ted Berrigan's laboratory his no bullshit attitude his class awareness his gorgeous sentimentality and his disarming anarchic humor This book is what anyone could hope it would be funny tender brilliant intimate original alive Peter Gizzi author of *Now It's Dark* Ted Berrigan's voice has always been

instantly familiar to me so Get the Money feels less like a reading experience and more like taking a long walk with my favorite poet then buying him a drink someplace and letting him talk Cedar Sigo author of All This Time *The Saturday Review* ,1923 **The Saturday Review of Politics, Literature, Science and Art** ,1923 The Saturday Review of Politics, Literature, Science, Art, and Finance ,1916 **The Collected Works of W.B. Yeats Vol X: Later Article** William Butler Yeats,2010-06-15 The Collected Works of W B Yeats Volume X Later Articles and Reviews is part of a fourteen volume series under the general editorship of eminent Yeats scholars Richard J Finneran and George Mills Harper This first complete edition includes virtually all of the Nobel laureate s published work in authoritative texts and with extensive explanatory notes Later Articles and Reviews consists of fifty four prose pieces published between 1900 and Yeats s death in January 1939 and benefits from the notes and emendations of Yeats scholar Colton Johnson The pieces collected here are occasional and they reflect the many interests and engagements of Yeats in his maturity No longer a reviewer or polemicist Yeats is an international figure a senator in the fledgling Irish state a defining modern poet a distinguished essayist And here we have him writing with grace wit and passion on the state of Ireland in the world on Irish language and Irish literature on his artistic contemporaries on the Abbey Theater on divorce on censorship on his evolution as a poet and dramatist on his own poetry Volume X also includes texts of ten radio programs Yeats broadcast between 1931 and 1937 This is not only the first collection but also the first printing of Yeats s radio work which constitutes the largest previously uncollected body of his writings and possibly the most important to remain largely unstudied Carefully assembled from manuscripts typescripts broadcast scripts and fragmentary recordings the programs range from a scripted interview on contemporary issues to elaborate stagings of his own and others poetry One of the radio programs is presented in an appendix complete with the commissioned musical score that set Yeats s poetry to music Yeats s own emendations on the BBC broadcast script and the diacritical notes with which the broadcast reader indicated Yeats s interpretive instructions Here then is seasoned Yeats writing and speaking vigorously and with keen personal insight about the modern age and his place in it **Writings on Irish Folklore, Legend and Myth** William Yeats,1993-07-29 This collection brings together all of W B Yeats s published prose writings on Irish folklore legend and myth with pieces on subjects including ghosts kidnappers fairies ancient tribes precious stones and Gaelic love songs Through his researches on Irish folklore Yeats attempted to create a movement in literature that was enriched by and rooted in a vital native tradition In this volume Yeats s essays introductions and sketches are presented chronologically giving a clear picture of how his analysis developed increasing in its depth and complexity in his quest to create an Ireland of the imagination **Crafting Poetry Anthologies in Renaissance England** Michelle O'Callaghan,2020-12-10 The printed poetry anthologies first produced in sixteenth century England have long been understood as instrumental in shaping the history of English poetry This book offers a fresh approach to this history by turning attention to the recreative properties of these books both in the sense of making again of crafting and recrafting and

of poetry as a pleasurable pastime The model of materiality employed extends from books as artefacts to their embodiedness their crafted performative and expressive capacities Publishers invariably advertised the recreational uses of anthologies locating these books in early modern performance cultures in which poetry was read silently and in company sometimes set to music and re crafted into other forms Engaging with studies of material cultures including work on craft households and soundscapes *Crafting Poetry Anthologies* argues for a domestic Renaissance in which anthologies travelled across social classes shaping recreational cultures that incorporated men and women in literary culture
