Writing Effective Course Assignments Elia Shabani Mligo, 2017-05-11 Non degree and undergraduate students are both inexperienced essay writers who need close guidance to become effective writers One of the puzzles which they encounter at the college and university after reporting for studies is the course assignments offered to them by their lecturers which demand them to be critical thinkers and argumentative essay writers In most colleges and universities lecturers provide to students broad questions to answer in the form of essays either in group or individual assignments How should they turn the broad assignment questions provided to them by their lecturers into specific researchable topics for essays How should they handle literature in order to obtain valuable information to answer the provided question How should they construct an informed and convincing argument using the collected information as evidence This book concerns these and other related questions With its clear illustrations the book is designed to be a self study guide and to offer solutions to many struggling students in colleges and universities At the same time the book can be helpful for lecturers to instruct their students how to write effective course assignments in their respective courses

Scholarly Engagement and Decolonisation Maurice Crul, Liezl Dick, Halleh Ghorashi, Abel Valenzuela Jr, 2020-06-09 Considering that one of the core tasks of academia is to provide social critique and reflection universities have an undeniable role to formulate the contours of a more inclusive academia in contrast to visible and normalised structures of exclusion Translating such ambitions into transformative practices seems to be easier said than done Academics need mutual inspiration and exchange of thoughts and practices to reflect on their actions and their own knowledge productions The authors in this book mirror the challenges and achievements of academics and practitioners in three national contexts which could serve as a foundation for academia to move towards dismantling elitist and privileged based assumptions and formulating new forms of knowledge production and institutional policies inside and outside academia The book aims to help create a more inclusive society in which academics students and practitioners can engage learn and transform structures of inequality exclusion and disconnection where it seems to have the biggest impact

Homeschooling for Excellence David Colfax, Micki Colfax, 2009-05-30 Break away from the failings of schools and embrace the power of homeschooling through

the guidance of the Colfax family's teachings For over fifteen years David and Micki Colfax educated their children at home They don't think of themselves as pioneers though that's what they became Unhappy with the public schools the Colfaxes wanted the best education possible for their four sons a program for learning that met the evolving needs of each child and gave them complete control of how and what their children learned The results A prescription for excellence Harvard educations for their sons Grant Drew and Reed Their fourth son is still too young for college Now the Colfaxes tell how all parents can become involved in homeschooling In a straight talking book that reads like a frank conversation among friends they tell what they did and how they did it their educational approaches the lessons they learned and what materials books equipment educational aids proved most useful over the years Best of all they show you how you can take charge of your children's education in an invaluable sourcebook that will help you find a rewarding and successful alternative to our failing schools
