*Flying Over the Pigpen* D. Tieman, 2015-09-08 Growing up on a pork farm it seemed unlikely that Doug Tieman would reach his goal of becoming a CEO by the time he was 40 but he did By applying the lessons that he shares in this book and by working hard he succeeded After 25 years of working in the addictions field Tieman entered his own personal recovery That experience gave him an even greater understanding of the stories he had heard from others in recovery who shared what they went through and the efforts they made to pursue a life of abstinence He also realized that lessons that apply to life career achievement and recovery aren't all that different from one another Tieman believes that one of the issues many people face is an inability to conceptualize and take methodical steps towards actualizing career goals He also believes that if more people in recovery could do that it would bring them to a new level of success that ultimately might benefit the entire addictions field And that's exactly what this book succeeds in doing for its readers *The Complete Lyrics of Irving Berlin* Robert Kimball, Linda Emmet, 2005-12 Applause Books Gathered together in one volume for the first time here are all of the incomparable song lyrics of Irving Berlin the lyrics of more than 1,200 songs 400 of which have never before appeared in
