Little Hands Can Too:

Hot Little Hands Abigail Ulman, 2016-05-31 For fans of HBO's *Girls* Abigail Ulman's heartbreakingly tender and often darkly funny fiction is a fresh take on the experiences of contemporary young women. A familiar yet highly inventive collection of short fiction which hits virtually all my buttons: dark humor, complex female characters, and a strong summer camp storyline. Lena Dunham, Lenny Claire is magnetic. On the cusp of adulthood and letting go of her adolescence, one miserable responsibility at a time, she's moved from London to San Francisco to work toward her PhD and minor in cheap whiskey, pour over coffee, and guys who can't be bothered to shower. When she finds out she's pregnant by a heartsick ex-boyfriend, the solution seems clear if only to her. Kira is a talented thirteen-year-old Russian gymnast who leaves her traditional family to travel to America. Elise and Jenni, two Australian high school students, seek asylum from the hooking up and heavy drinking they've been doing for years by reenrolling in their childhood sleepaway camp. Over the course of nine loosely connected stories, *Hot Little Hands* introduces us to young women at once clever and naive who struggle to navigate the chronic uncertainty and very real dangers that come with being impatient for the future and reluctant to leave childhood behind. Abigail Ulman's voice feels of the moment, sharp and powerful, as she deftly explores ageless themes of sex and maturity among girls who are both confident and frighteningly exposed. Praise for *Hot Little Hands* In this sardonic, smart, and thoroughly modern debut collection, Ulman presents nine stories about young women on the verge of adulthood, motherhood, and more who make momentous decisions while delirious with desire. O, *The Oprah Magazine* Ulman excels at dialogue and narrative. The more you get to know her characters, the funnier it is to witness their verbal code-switching as they navigate between nosy parents, fumbling love interests, and trusted friends. That none of these stories is constrained by any need for tidy endings makes them all the more believable. *The Atlantic* Deftly written with a fresh and realistic style. Each female protagonist is wonderfully complicated and charming in her own way. *Bookreporter* The captivating women in this collection leave a lasting impression. *Publishers Weekly* Genuinely insightful. *Hot Little Hands* is the rare collection that portrays how life pivots around mundane moments as readily as earth-shaking events. *Shelf Awareness* It is rare for a collection to so adeptly capture the way life can be at once facile and intense. Ulman's details are lifelike and droll, her style lucid and engaging, and the overall effect stirring. *Kirkus Reviews* A noteworthy debut. Ulman writes without judgment, and this is what gives her characters life. They are multifaceted, flawed beings, sometimes victims of others but often victims of their own actions, in whom readers will recognize flashes of themselves. *Booklist* The stories are beautifully paced, the dialogue perfect. There is a lovely comedy underpinning the cool tone. Often this becomes hilarious, but it is also controlled and well-judged. Abigail Ulman knows how to write a story, manage a buildup, hold your attention, suggest that somehow nothing much is happening while in fact everything is going on. Colm T. ib'n, author of *Brooklyn* **At Home and Abroad**, 1906 **The Ladies' Repository**, 1861 The idea of this women's magazine originated with Samuel Williams, a Cincinnati Methodist who

thought that Christian women needed a magazine less worldly than Godey's Lady's Book and Snowden's Lady's Companion. Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews. Among western writers were Alice Cary who contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr. By 1851 each issue published a piece of music and two steel plates usually landscapes or portraits. When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000. Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family. After the war it began to decline and in 1876 was replaced by the National Repository. The Ladies Repository was an excellent representative of the Methodist mind and heart. Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own.
