**Time** Dean Gualco, 2014-10-28 We read about the great people of our time to find their inspiration for a life of risk and uncertainty how they overcame the challenges of their life and why they never gave up no matter the adversity or criticism encountered We study great people because we want to learn from their stories their hardships and their triumphs We converse with great people because we want to be inspired to achieve greatness in our own lives a fact that is certainly within our grasp Greatness in contrast to what some believe is not a circumstance a person is born into Most are not born to be multimillionaires any more than others are born to be the best tennis players of their generation Those who become great are among the chosen few not solely because of their birthright or talent but because of their passion and fearlessness Great people have certain traits and characteristics that make them unique but these traits are common to most men and women In studying the great people of our time the most striking revelations were the similarities in their paths to greatness Those who become great did so because they followed their passions overcame formidable obstacles went down swinging for what they believed in and left a legacy of honor decency and goodness These are the defining characteristics of the great people of our time a remarkable story of those who led purposeful and meaningful lives that fulfilled their destiny and made the world a better place to live      *Storm Trooper* Kevin Cramer, 2001-09 The Greatest Generation fought a war on foreign soil with tanks and bullets The lost generations of the turn of the millennium have no defined enemy to fight Their war has become survival on the battlefields of their hometowns Their enemy has no face It is the sex drugs and violence of the adult world they are presented Brian Crombeen is a normal everyday eighteen year old high school senior He spends most of his day dreaming about girls neglecting his homework and contemplating the reality of cartoon characters with his baseball buddies His life was rather ordinary until one weekend in May Two days find him bloody beaten depressed and wondering whether the government has singled him out for experimental torture His normally happy thoughts turn dark and turbulent leaving him with one question Can he ride out the Storm      **Memoirs of a State Trooper** Retired Corporal Timothy Schell, 2011-03-17 I was born and raised in the small By Retired Corporal Timothy Schell borough of Blandon located in Berks County
