triumph of hope and a deepening crisis What happens to a dream deferred In the tumultuous following years he refused to relinquish the mantle of the poet as may be seen in his inspired last two books of verse *Ask Your Mama* 1961 and *The Panther and the Lash* 1967 The former demonstrates Hughes's continuing alertness to the significance of black music as a guide to American reality here avant garde jazz rhythms and allusions fueled an intensity of language that predicted the cultural upheavals of the sixties and seventies Hughes's last volume combining old and new poems emphasized the struggle for civil rights in the face of reactionary defiance on the one hand and the volatility of Black Power on the other Vigorous and versatile to the end Hughes concluded his career as he had begun it a master poet dedicated to observing and celebrating African American culture in its full complexity
