White Collar C. Wright Mills,2002-09-26 In print for fifty years White Collar by C Wright Mills is considered a standard on the subject of the new middle class in twentieth century America This landmark volume demonstrates how the conditions and styles of middle class life originating from elements of both the newer lower and upper classes represent modern society as a whole By examining white collar life Mills aimed to learn something about what was becoming more typically American than the once famous Western frontier character He painted a picture instead of a society that had evolved into a business based milieu viewing America instead as a great salesroom an enormous file and a new universe of management Russell Jacoby author of *The End of Utopia* and *The Last Intellectuals* contributes a new Afterword to this edition in which he reflects on the impact White Collar had at its original publication and considers what it means to our society today A book that persons of every level of the white collar pyramid should read and ponder It will alert them to their condition for their better salvation

Cassadaga II JM Milne,2021-06-16 Just because you can't see them doesn't mean they are not there After his return to CASSADAGA reluctant Psychic and Astral Projectionist Bret Wolf visited the little man for a session of hypnotic regression to try to understand his dreams While there he witnessed a dark and mysterious state of awareness and a conveyance he named the Drift Little did he suspect that he would be drawn into a journey through time and dimensions that would test his physical stamina as well as his unique abilities Wolf found himself on a World of darkness one he knew had to exist With his adamant sense of balance positives and negatives had to be equal One could not have a heaven full of positive energies without the converse Without the valleys there are no mountains Somewhere there was an anti heaven where negatives spirits returned after their lives Wolf learns along the way that when a soul is taken by another soul that new soul belongs to the one taking it It is then sent to the dark world or as the ancients called it the crossroads or the underworld But he had been injured by a denizen of the underworld so his soul now belonged to the dark Yet Wolf was not defeated as his body was not dead yet He was severely injured but in real time was on life support in a Florida Hospital His only lifeline his only chance of escape from this world was in the reincarnated spirit of his mother now residing in his eight year old daughter DARK EXISTS BUT LIGHT MUST BE CREATED IN THE UNIVERSE AS IN THE SOUL I HAVE TO GET BACK TO MY BODY YOU CONTROL TIME WHEN YOU DREAM A FIVE SECOND DREAM CAN BE A FULL DAY TO THE DREAMER JM MILNE
