traditional song in one of the country's most culturally dynamic regions. Through his textual and comparative study of the songs contained in the Lomax collection Joshua Clegg Caffery provides a musical history of Louisiana that extends beyond Cajun music and zydeco to the rural blues Irish and English folk songs play party songs slave spirituals and traditional French folk songs that thrived at the time of these recordings Intimate in its presentation of Louisiana folklife and broad in its historical scope Traditional Music in Coastal Louisiana honors the legacy of John and Alan Lomax by retrieving these musical relics from obscurity and ensuring their understanding and appreciation for generations to come Includes Complete transcriptions of the 1934 Lomax field recordings in southwestern Louisiana Side by side translations from French to English Photographs from the 1934 field trip and biographical details about the performers The Reception of Philo of Alexandria Courtney J.
