White produced exercise in easy funk and potent machine generated urban grooves Lewis slowly simmering coolly rhythmic piano jaunts add flair to middle of the road silky pieces like The Promise but are best enjoyed on the two playful solo interludes which create an organic contrast to the slicker fare they complement The pianist also adds an avant garde edge to the heavily soundscaped Brazilian Rain Aside from Lewis this all star affair features some spirited gospel keyboard and vocal flavors surrounding Najee s soprano sax and flute as well as a South African Jam celebration hosted by Jonathan Butler s happy vocals and guitar While a positive effort overall for the inevitable Urban Knights III White would benefit from ditching the machinery and letting his stars jam more spontaneously Jonathan Widran
