**The Iraql Debacle . . . A Wrecktrospective** appleton schneider,2012-01-12 From the attacks of 9 11 until well into our mission not accomplished in Iraq this book is a collection of my essays commentaries along with a scrap book archive of articles pictures and more For someone who wants a comprehensive retro spect of our mis adventure my wrecktrospective should be of value I hope

**Queer Compulsions** Amy H. Sueyoshi,2012-02-29 In September 1897 Yone Noguchi 1875 1947 contemplated crafting a poem to his new love western writer Charles Warren Stoddard Recently arrived in California Noguchi was in awe of the established writer and the two had struck up a passionate correspondence Still he viewed their relationship as doomed not by the scandal of their same sex affections but their introverted dispositions and differences in background In a poem dedicated to his dearest Charlie Noguchi wrote Thou and I O Charles sit alone like two shy stars east and west While confessing his love to Stoddard Noguchi had a child future sculptor Isamu Noguchi with his editor L onie Gilmour became engaged to Washington Post reporter Ethel Armes and upon his return to Japan married Matsu Takeda all within a span of seven years According to author Amy Sueyoshi Noguchi was not a dedicated polyamorist He deliberately deceived the three women to whom he either pretended or promised marriage while already married She argues further that Noguchi s intimacies point to little known realities of race and sexuality in turn of the century America and illuminate how Asian immigrants negotiated America s literary and arts community As Noguchi maneuvered through cultural and linguistic differences his affairs additionally assert how Japanese in America could forge romantic fulfillment during a period historians describe as one of extreme sexual deprivation and discrimination for Asians particularly in California Moreover Noguchi s relationships reveal how individuals who engaged in seemingly defiant behavior could exist peaceably within prevailing moral mandates His unexpected intimacies in fact relied upon existing social hierarchies of race sexuality gender and nation that dictated appropriate and inappropriate behavior In fact Noguchi Stoddard Gilmour and Armes at various points contributed to the ideological forces that compelled their intimate lives Through the romantic life of Yone Noguchi Queer Compulsions narrates how even the queerest of intimacies can more provocatively serve as a reflection of rather than a revolt from existing social inequality In unveiling Noguchi s interracial and same sex affairs it attests to the complex interaction between lived sexualities and socio legal mores as it traces how one man negotiated affection across cultural linguistic and moral divides to find fulfillment in unconventional yet acceptable ways Queer Compulsions will be a welcome contribution to Asian American gender and sexuality studies and the literature on male and female romantic friendships It will also forge a provocative link between these disciplines and Asian studies
