Large-Scale Victimisation as a Potential Source of Terrorist Activities U. Ewald, K. Turković, 2006-12-19 This publication presents a subject that is unfortunately as significant today as it was two years ago Sadly this continuing relevance seems to confirm the views of the German radical pacifist Kurt Tucholsky who stated in response to the atrocities and sufferings of

WWI But men never ever learnt from history and they will not do so in the future Hic Rhodus Recent events in Iraq the Middle East East Timor or the Democratic Republic of Congo and possible links regarding issues of terrorism raise the question what criminological and victimological research offers in assisting to break vicious spirals of ignorance of gross human rights violations and the immense human sufferings in the context of armed conflicts and terrorism The answer to this question still remains open Yet this publication confirms the substantial willingness to learn from the past by critically reviewing large scale victimisation arising out of protracted conflicts in order to better understanding the necessary prerequisites for enduring peace making in post conflict societies and to anticipate and suggest approaches to healing victimising effects *Criminal Justice and the Policy Process* James G. Houston, Phillip B. Bridgmon, William W.

Parsons, 2008-08-28 *Criminal Justice and the Policy Process* develops a synthesized policy making model that explains how complex justice policy is developed implemented and evaluated Unlike other texts this study weaves together important aspects of several competing explanations of policy choice into a single model Further this text emphasizes the importance of implementing policy as an important component in the ultimate outcome of policy decisions The book fills a void in introducing students to the policy making process coupled with the importance of justice administration as a component Important themes throughout the book include the role of the media special interests elite policy makers and discretion

Repositioning the victim in criminal justice Olivier Tell, Gabrielle Browne, 2023-02-01 Following erce campaigning by victims groups the international community has entered into a debate that aims to move the victim from the margins to the centre of the criminal justice system For the rst time restorative justice is explicitly regulated at the European Union legal level as a Victims Directive aims to establish a baseline for its safe implementation across member states This ground breaking and timely edited collection aims to contribute to this international debate The book aims to challenge current thinking while highlighting good practices that respect and safeguard victims in justice processes The book uses a combination of theoretical and empirical analysis while utilising original research data collected by the European project Restorative Justice in Europe which was coordinated by the Editor Dr Theo Gavrielides Leading experts take bold steps in advancing the debate for a victim led criminal justice system The book also aims to give voice to victims directly by involving them as authors of its chapters case studies and as research participants The book also includes sample training material best practice and guidelines created by the RJE project through the contribution of victims offenders and experts from across Europe As a victim I believe an increased uptake by victims relies strongly on the active implementation by practitioners of the Victims Directive If victims feel empowered by the process they will be more likely to participate in it to the benefit of the victim the offender and the community Gabrielle Browne a victim of sexual assault and a member of the RJE Expert Advisory Group Governments around the world should open a debate about what is the most important for victims in the justice process victim of crime and RJE participant Thank you for your active engagement with the Ministry of Justice in progressing

this important project that will help inform future restorative justice policy Gaining the insight of victims offenders and practitioners will be important in considering how restorative justice practice can be made more effective for the public UK Ministry of Justice To cite this ebook Gavrielides T et al 2023 Repositioning the victim in criminal justice a restorative justice evidence based offer London RJ4All Publications ISBN 978 1 911634 74 4 DOI 10 13140 RG 2 2 23974 60483 Sex Trafficking of Children Online Beatriz Susana Uitts,2022-07-20 This book addresses child sex trafficking in the era of digital technology As a global problem human trafficking frequently victimizes the most vulnerable children Offenders often use the Internet as a vehicle for criminal activities including acts to sexually exploit them With Internet access growing exponentially more children are online every day increasing their risk of becoming involved in sexual exploitation or being treated as a commodity Inconsistent law among countries and the lack of adequate cooperation across borders make combating this issue increasingly difficult Using a human rights approach this book offers alternative solutions and recommendations including establishing a legal protection framework to fight practices that sexually exploit children in cyberspace In addition it promotes multi stakeholder collaboration in the context of corporate social responsibility to prevent and combat these offenses This book explores the intersection of children s human rights online sex trafficking and international legislation It provides helpful insights for lawmakers legal practitioners scholars law enforcement officers child advocates and students interested in human rights law criminal law and child protection *Encyclopedia of Criminal Justice Ethics* Bruce A. Arrigo,2014-07-17 Federal state county and municipal police forces all have their own codes of conduct yet the ethics of being a police officer remain perplexing and are often difficult to apply in dynamic situations The police misconduct statistics are staggering and indicate that excessive use of force comprises almost a quarter of misconduct cases with sexual harassment fraud theft and false arrest being the next most prevalent factors The ethical issues and dilemmas in criminal justice also reach deep into the legal professions the structure and administration of justice in society and the personal characteristics of those in the criminal justice professions The Encyclopedia of Criminal Justice Ethics includes A to Z entries by experts in the field that explore the scope of ethical decision making and behaviors within the spheres of criminal justice systems including policing corrections courts forensic science and policy analysis and research This two volume set is available in both print and electronic formats Features Entries are authored and signed by experts in the field and conclude with references and further readings as well as cross references to related entries that guide readers to the next steps in their research journeys A Reader s Guide groups related entries by broad topic areas and themes making it easy for readers to quickly identify related entries A Chronology highlights the development of the field and places material into historical context a Glossary defines key terms from the fields of law and ethics and a Resource Guide provides lists of classic books academic journals websites and associations focused on criminal justice ethics Reports and statistics from such sources as the FBI the United Nations and the International Criminal Court are included in an appendix In the electronic version the
