Grokhowsky,2017-04-15 Humorous short story jokes to brighten your day with laughter **Internet Jokes** Javier K.
Lizano,2000-07-17 Toward the end of 1997 I embarked upon a journey to compile as many jokes as I could I decided to name
the book Internet Jokes due to the origin of most of the jokes If you have access to the web or e mail I m sure you too have
received many jokes at one time or another I was receiving so many jokes via e mail that I decided to categorize each joke
and put them in a book The jokes that follow are not all G rated folks Then again they are all not R rated jokes either If you
are easily offended this book may not be for you Mostly everything in this book 99% came to me via e mail You will find many
interesting pieces of information whether reliable or not is yet to be known amusing tidbits and a wealth of laughter I gave
credit to the originator of the contents whenever feasible I tried to be as tasteful as humanely possible and not include any
jokes that would be too offensive or were in poor taste I certainly hope you enjoy reading this book as much as I enjoyed
compiling it for your reading delight jkl **Internet Joke Book - Volume Three** Keith Evans,2001-05-15 The Internet Joke
Book Volume Three comes jam packed with blooming jokes queer stories and the most facetious of satires gathered from
throughout the United States and abroad collected and compiled specifically for your enjoyment Beyond the books jacket
cover you will come across page after zany page of amusing hilarious and gut wrenching witticisms The jokes within this
book being of brand new and of course age old are nonetheless hilarious and ludicrous This book was not tailor made for
younger readers and various content may be inappropriate After all any book of this nature should forever rest with the
judgement of the parent or guardian I myself being a single parent would recommend that some of the contents of this book
not be disclosed to any reader under the age of sixteen In any event there are parents who chose to allow children as young
as fourteen or fifteen to take in the contents of this book Again this is not recommended by the author I can only hope that all
my readers enjoy and receive as much delight from this book as we my daughter and I had while assembling it My daughter
Angila and I are now working hard to see that our series Internet Joke Book continues to bring world wide enjoyment
